PhotoCake® Photo Guidelines

- Professional photographs require a Copyright Release form to be completed by the photographer to allow the bakery to reproduce the image. Ask your decorator for a Copyright Photo Release form.
- It is a violation of the U.S. Copyright Law to reproduce, display, create a derivative work of, or distribute an original work of authorship without consent of the copyright owner. An original work is instantly protected by copyright when it is fixed in a tangible form. Therefore, a copyright symbol or legal notice is not necessary for an original work to be protected by copyright law.
- Examples of copyrighted materials include photographs, designs, images, cartoon characters, logos, greeting cards, television and movie characters, as well as many other materials.
- DecoPac's PhotoCake System may not be used to reproduce any copyrighted materials without the permission of the copyright owner. Anyone who uses the PhotoCake System in violation of a third party's intellectual property rights shall be personally liable for the infringement, including any civil and criminal penalties or damages. DecoPac shall not be responsible in any way.
