

# Stormwater Workgroup 2014

Dee Ross  
[dross@DelawareEstuary.org](mailto:dross@DelawareEstuary.org)

# Meetings (destinations/experiences)

**Germantown  
Academy**

**Green Valleys  
Watershed  
Association**

**Venice Island Performing  
Arts Center**

# March 2014 – Green Design Saves Green Workshop

Partners: PDE/SAN, PEC,  
DCNR, GA – Facility Host

- Case study examples of properties that had incorporated green infrastructure components.

- Information on the design process, costs, challenges and lessons learned .

- NRCS soil scientist John Chibirka conducted a training session on the USDA's Web Soil Survey Site to emphasize the importance of soil analysis.

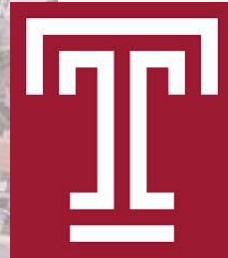

**SAN Partner  
Stormwater Project  
Highlights (just a few)**

# Delaware River Watershed Initiative - Upstream Suburban Philadelphia Cluster 3 Years - \$3,298,188

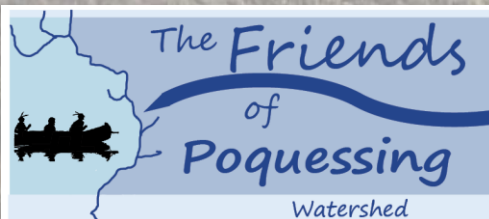

## 1. UNIVERSITY LEVEL

## 2. WATERSHED LEVEL

**Tookany/Tacony-Frankford**  
Watershed Partnership, Inc.

**Pennypack** Ecological Restoration Trust

## Creek Watch: Program Manual

WVWA Headquarters  
12 Morris Rd  
Ambler, PA 19002

### 3. Citizen Level

Over 100 volunteers  
have completed  
training in 2014!

## The Montessori School - Dresher, PA Sustainable Choices

Students from The Montessori School Upper Elementary Class presented their Sustainable Science/ STEM rain garden project at Temple Ambler Earth Fest 2014

"We tested the chemistry of the water as part of our preparation before we planted the rain garden. The rain garden at TMS helps water to stay in the ground rather than rushing off to the Pine Run Creek."

**Montgomery County Conservation District worked with Christopher Dock High School (Towamencin Twp) to install a 1000 square-foot rain garden**

BERKS COUNTY  
CONSERVATION DISTRICT

2014  
WOMELSDORF  
PLAYGROUND  
"MAD WORLD"  
PLEASE DON'T POLLUTE

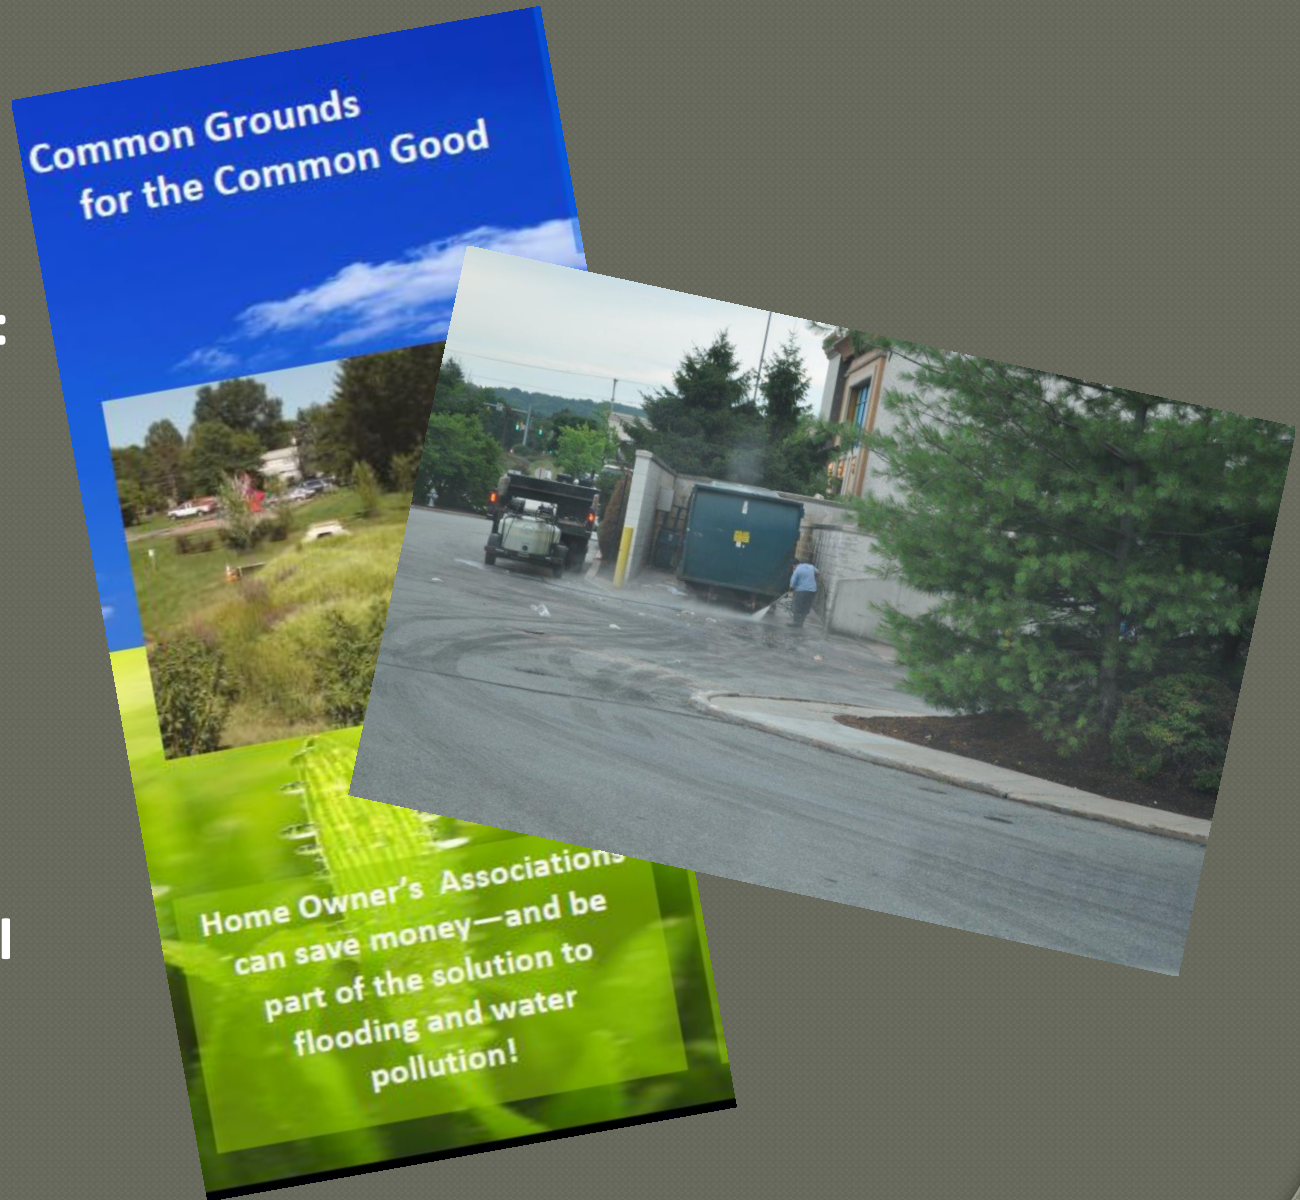

- \$75.00 each
- All proceeds go to our college scholarship fund for students interested in natural resources

## Upcoming Stormwater Work:

- HOA Outreach
- Shopping Center Outreach
- Green Saves  
Green Workshop II
