The **LITTLE** book of apps

If you're looking for technology to make your life easier, start here! Your Nerdy Best Friend, aka Author Beth Z, has filtered through tens of thousands of apps and tech tools to find the perfect free and bargain technology

that you can use today. This Little Book of Apps contains all the tech tools from *The BIGGER Book of Apps* in quick reference format.

Meet Your Nerdy BFF

Since her first Motorola RAZR flip phone, Beth Z has made a verb out of the word “nerd.” She has shared her app tips and tech advice with more than 100,000 attendees in person and thousands more via her books and social media updates.
