

2020 VENUE SEATING UPDATES

Grandstand 1:

The premium seating area in this reserved grandstand has been expanded by adding 4 rows to the top of Sections B & D. This “Prixmium” seating option will now be available in the top rows of Sections B, C & D, and offers padded chair seats and additional legroom.

Grandstand 7:

This General Admission grandstand will no longer be wheelchair accessible.

Grandstand 8:

A new, smaller general admission grandstand will be located at driver’s right of Turn 8. It will be wheelchair accessible and eliminates the need for an additional track crossing.

Grandstand 9:

A new, ten-row General Admission grandstand replaces the viewing platform that had been located on driver’s right at Turn 2.

REMEMBER: All ticketholders have access to the Fifth Third Bank Paddock – known as the “locker room of motorsports.” Fans can also see all the excitement at the Autotrader Winner’s Circle throughout the weekend and visit the historic Scott Fountain.
