Equipment Kits

Grades K–5

Grade-Level Equipment Kits

The kits supplied for Grades K–2 are designed for six groups of students. The kits supplied for Grades 3–5 are designed for seven groups of students. Many non-consumable items are shared between activities. These are labeled Common Materials. Items that are exclusive to an activity are labeled by unit. In order to provide yearly refills, if purchased, consumable items are packaged loosely within the shipping box. Use the materials list on Ed, the HMH learning platform, to help determine what materials are needed for each activity.

Grade-Level Comprehensive Equipment Kits

Provides as many of the suggested materials as possible, including many traditionally classroom-supplied materials such as pencils, staplers, rulers, etc.

Grade-Level Essential Equipment Kits

Designed to provide only those materials that aren't readily available from local sources. *Not Available for Grade K.

Grade-Level Comprehensive or Essential Refill Kits

Contains the consumable items to replenish each Grade-Level Comprehensive or Essential Equipment Kit.

Apron/Safety Goggles Kit

Provides enough aprons and safety goggles for 30 students and 1 teacher.

Safety Kit

Provides the materials you need to address classroom safety while performing the hands-on activities.

Note: Some common materials are to be school supplied (ex. paper, stones, paper towels, soap).
