

Career Development Program

STATE OF UNIQUENESS

"...let each of you lead the life ...to which God called you" - 1 Corinthians, 7:17

"State of Uniqueness" is an integrated and holistic approach to career development that considers the person as a whole; body, mind and spirit. Participants are guided by the facilitator for eight weeks in a Career Shaping process of discernment and life actualization.

Through an experiential and engaging approach you will: 1) assess your professional and personal skills, talents and values, 2) create a career plan/strategy to attract the best opportunity for personal and professional growth, 3) evaluate and grow your ideas into a business or professional concept.

Goals:

- Personal and professional assessment
- Story telling your dream
- Defining your vision
- Embodying and communicating your vision

Achieved Results:

- Attract the right opportunity to develop your career
- Entrepreneurial mind set as an employee, self-employed, or entrepreneur
- Resume development
- Self-branding
- Networking skills enhancement
- Interview skills enhancement
