As Christians we are called to love God and to love one another. We are called to care for the poor, the sick, the hungry, the oppressed and those in prison. We are called to be the hands and feet of Christ in our world and the voice for those who have no voice.

The Peace and Justice Division encourage all members of our Diocese to identify at least one social justice issue for which they can be an advocate. It may be working to eliminate hunger or homelessness, environmental issues, or to stand in opposition to the death penalty. There are many issues that need our attention and from which to choose.

To aid in our advocacy efforts the Diocese has acquired 20 banners that can be carried or displayed when we participate in public events. The banners are 3’ by 4’ and have light weight poles. We hope that these banners will be carried for walks such as the Hunger Walk, when participating in rallies in Frankfort to support legislation or displayed when volunteering at a building site for Habitat for Humanity.

Please contact the Diocesan offices or Mary Abrams to schedule their use.

Let’s dream together for a minute. Can you imagine a hunger walk with hundreds of Episcopalians walking carrying hundreds of banners? It would be impossible for others to miss the fact that the Episcopal Church cares and is doing the work of Christ.
