Adult Education Program Group 2013 Report to Convention

The last quarter of 2012 and 2013 to date have been a year for the Bible studies recommended by Bishop Smith. Bible study groups throughout the Diocese have been formed or have enjoyed increased participation as a result.

Tracing the roots of our Holy Christian Bible invites us to learn about both the human condition and the human wisdom tradition as well as holding up a mirror to our daily conduct in today’s world.

An interesting point of convergence in the origins of our biblical library is the Septuagint. The Septuagint is a Greek version of the Old Testament written for the Hebrew population of Alexandria, Egypt. It is said to have been the work of seventy scholars and translators employed by Ptolemy Philadelphia, the King of Egypt around 260 B.C.

A study of the books of the Bible offers us an understanding of our spiritual, formational and transformational experience as a species. Genesis speaks of the beginnings of human conscious awareness and our God given designation as stewards of the blessings of Creation. Revelations reflects an awareness of the compound consequences of careless human actions and promises spiritual transformation for the faithful.

The heart of the Bible is Jesus Christ’s Sermon on the Mount with an emphasis on the Beatitudes. What is presented is the foundation for a truly equitable and just world we have as yet to achieve.

The Christian Bible in its many forms is our family story. The Bible tells us who we are and who we may become. The love of God is the essence of our being. Following God’s plan rather than our own is inevitably a wiser choice for us to make. The commandments begin with a prohibition of idol worship in any form.

As a companion to bible studies, two books recommended for further reading and understanding are the 35th international edition of “The Tao of Physics” by Fritjof Capra and “Twelve Steps to a compassionate Life” by Karen Armstrong.
Diocesan Anti-Racism Report

October 18, 2013

• The Committee spent the beginning of this year rewriting our Theological statement with the assistance of The Reverend Jeff Bullock.

• We have also requested, though Bishop’s Smith’s letter to congregations, that parishes and missions avail themselves of anti-racism training. Each of the Committee members has agreed to get permission from their respective church leaders to begin the training. Those who have made a request will be offered the training this fall.

• We are also submitting a resolution to this convention raising some issues concerning the present climate of racism.

• We are planning a joint Diocesan and Province VIII Anti-Racism Conference to be held in Arizona in February 2014.

• We will be in conversation around racism and how best to move forward, in particular our Diocese in a morning workshop.

• We hope to have representation from our committee at The Episcopal Church anti-racism conference in November entitled: The State of Racism in America to be held in Mississippi, this conference will be co-sponsored by Bishop Duncan Grey and the Diocese of Mississippi. It will be available through webcast with questions from viewers that will be entertained by the panelists.

I will be one of the presenters at the Saturday portion of the conference in November.

Canon Judith G. Conley
Archivist/Historiographer Report to Convention 2013

Occasionally I receive little surprises, for instance, recently The Rev Canon Raymond Dugan dropped by with several different copies of books of music written years ago by a priest in our diocese named Ira Thomas Belt. Luckily we have a clergy file for him in our archives and I was able to add this tidbit of history to his file.

I have come to realize that we have had so many and still do, interesting and talented clergy in our diocese. Many have written books, essays and articles of interest in regard to the history of the Diocese of Arizona and other important subjects. Our own Bishop Kirk S. Smith just published a book himself called “Bishops on the Border” co-authored by Bishop Minerva G. Carcaño (United Methodist Church), Bishop Gerald F. Kicanas (Catholic Church), Bishop Stephen S. Talmage (ELCA) and Mr. Mark Adams from the Presbyterian Border Ministry.

We have a metal box with the original delivery tag for The Rev J. R. Jenkins addressed to 100 West Roosevelt St... the address of Trinity Cathedral. It contains letters and documents from as far back as 1907 that are so fragile we have to keep them packed away for their own protection. They contain a history of Good Shepherd Hospital at Ft Defiance along with the Navajoland Area Mission on the Navajo Indian Reservation in Arizona. Many of the letters in there reflect the difficult and dangerous life of the Native Americans treated there and those who sought to provide care and treatment for them.

There is also a tin or some kind of metal “Bread and Cake” box containing dozens of letters and daily reports in regard to Bishop Jenkins’ work in the Missionary District of Arizona along with a few personal belongings and letters to and from his family.

We hope to someday have the right display capabilities so they can be shared without damage.

Arizona Episcopal Cursillo Community

Cursillo is intended to help Christians learn and live what is fundamental as a Christian, and to help these same Christians to discover and live out a personal vocation. Cursillo is a movement of the Episcopal Church, under the authority of the Presiding Bishop and our Diocesan Bishop. The goal of Cursillo is to bring the world to Christ by empowering adult Christian leaders through the use of the Cursillo Method (Piety, Study, Action), which equips and encourages Christians to live out their Baptismal Covenant to serve Christ.

The 2013 Cursillo Weekend was held on May 16-19, 2013. This was a Con-Current Men’s and Woman’s Weekend held at Chapel Rock in Prescott, AZ. Steve Cifone, St. Stephen’s Phoenix, was the Lay Rector for AZ Men’s Cursillo #113 and Vicki Bradshaw, St. Stephen’s Phoenix, was the Lay Rectora for AZ Women’s Cursillo #114. The Spiritual Directors for the weekend were Rev. Canon Timothy Dombek and Fr. Bruce White. The Men’s and Women’s Teams were made up of a total of 43 lay persons from throughout the Diocese. There were a total of 32 new Cursillistas that attended and participated during the Weekend.

The Holy Spirit was with all who attended and participated that Weekend which closed on Sunday May 19, Pentecost Sunday. Much red was worn that day as the joyful weekend came to a close with the celebration of Eucharist.

Planning is currently underway for the running of a Co-Ed Cursillo Weekend in 2014. Details will follow as to location and dates.

Respectfully

The program group sponsored a Spanish immersion class, March 10 - 16, 2013, in Banamachi, Mexico. There were 9 participants from St Philip’s, Tucson; St Andrews, Sedona; Grace St Paul’s, Tucson; and Saddlebrook. You can read more about this class at http://storiesfromstphilips.wordpress.com/2013/04/04/intensive-spanish-on-the-rio-sonora/.

The God Across Borders/Crossing Over events were held on April 5 - 6, 2013. This year there were two parts to the program.

- April 5, there was a Church and State on the Border Dinner at St Stephen’s Episcopal Church, Douglas. There were approximately 30 attendees, including Bishop Smith, the Mayor of Douglas, Danny Ortega and his wife, Agent Crawford from the Border Patrol, and other faith and government leaders. The attendees met to discuss common ground and build consensus on immigration reform and border issues.
- April 6, God Has NO Borders Breakfast was held at the Turquoise Valley Country Club in Naco. There were approximately 45 in attendance, including folks from St Philip’s and Grace St Paul’s and the Mayor of Bisbee. Father Sean Carroll, Kino Border Initiative, gave the Keynote Address. The group then drove down to the wall to do the Presente ceremony. Afterwards, most crossed over for an agape service. Some stayed to work on painting the wall.
Chapel Rock has had another amazing year. Over 10,000 people have come through the facility in the 12 months since last October. With the fall comes a fresh Aspen Creek Outdoor School science camp season. Over the next 3 months we will serve 14 schools from around the state; each totaling approximately 115 participants. Tim Craig, our new Program Director, has trained the program leaders and they are very prepared and eager to serve Chapel Rock’s clientele.

The 2013 summer camp season was a great success. The support of the Diocese was instrumental in carrying out the summer camp mission as we saw 420+ summer campers come through the program. Over $40,000.00 was awarded to the camp either through grants or contributions from parishes and individual members of the Episcopal congregation. Kelly Wood, Chapel Rock’s Assistant Director, and Dan Packard, Interim Executive Director, applied for and were awarded a grant for $25,000.00 through the Canyon Institute for summer camp that Father Matt Marino helped broker.

The facilities at Chapel Rock have undergone some positive changes recently. A new roof with skylights, a sound system and a new approach to serving food are a few of the notables in the dining hall. Tom Farley, Chapel Rock’s new Chef, was the Executive Chef at the Hassayampa Inn in downtown Prescott prior to running the food service at the Orme School. His previous work experience is the perfect combination for the food service needs at Chapel Rock. He also specializes in homemade baked goods.

Newell Center has been outfitted with two entirely new sound systems and its own protected WIFI. Groups now have the opportunity to choose their set up in Newell. Thanks again to Father Matt Marino for helping Chapel Rock secure new sound equipment; groups can now stage in front of the fireplace and enjoy a new roll out sound system, stage lighting, pipe and drape and a giant projection screen.

We are making plans to build a 12,000+ square foot multipurpose sports and recreation field on an area near the Jim Gillanders and James Stark ropes course. Sandy Cove lodge, currently used to store safety equipment and props for teambuilding, will be converted into a new restroom for those using the ropes course and the sports field. As a result, construction for a new 200 square foot shed is underway near the climbing tower. We will also be adding a 576 square foot Ramada near the climbing tower for groups to continue programming in poor weather conditions and to find some shade.

This is a beautiful time of year to visit this special piece of God’s creation. Let us continue to support the ministry of the Episcopal Diocese.
At the risk of this report being read, I will try to be short, succinct, honest and hopefully interesting. With a great amount of time meditating and questioning, a deeper understanding of this ministry is being formulated.

We have 292 persons on our Birth Anniversary list, of which, 14 are in their 50s; 59 in their 60s; 120 in their 70s; 72 in their 80s; 27 in their 90s and 1 at 101. Seeing as how 100 are above 80 years of age, one can assume that this group would have a high number of persons more limited in activity and abilities due to health and physical limitations. The remainder contained in the group of 50s, 60s and 70s, through redirection may be too busy to participate in the coffees and luncheons provided by our Bishop. Our Bishop schedules for a coffee gathering in the Fall and luncheons in the Spring, in Phoenix and Tucson. We usually have 20 to 30 persons attend these gatherings. This raises questions about ways and means of providing a greater ministry to more of the retired clergy and spouses. Maybe a general mailing to the whole list, soliciting suggestions, would provide us with more opportunities of meeting their needs. Our wonderful assistant, Mrs. Jean Barnhill, has completed another year of sending out cards for birth and wedding anniversaries.

The Rev. Dr. Joe King, assistant chaplain, and I attended the national meeting of Chaplains to the retired clergy and spouses in Charleston, South Carolina. As with any big group needing meeting rooms, etc., we stayed in a high class hotel and lived in a way not reflective of our need to be conscious of the needs of many in our society who have next to nothing. The sessions and information provided by the Church Pension Group made it possible to have a greater knowledge and understanding of where our beloved Episcopal Church is at this time in its history.

Some of the information provided is represented by the following obstacles found to exist throughout this ministry:

1. Failure to become recognized as a resource by retirees.
2. Making retirees aware of services and service changes.
3. Difficulty retirees have obtaining financial help to attend conventions and conferences.
4. Too many retirees for one chaplain to serve and no diocesan funds to recruit more chaplains.
5. Tensions between chaplains and bishops.
6. It's difficult to keep track of retired clergy and especially surviving spouses.
7. Need cooperation from the diocese as clergy approach retirement.

A lot of further information was provided regarding changes in the makeup, successes, failures and demographics of the Episcopal Church. If anyone is interested, I can provide copies of this triennial report by Matthew J. Price in pdf format.

The Deacons’ Council is a working advisory group for the Bishop and Archdeacon in all areas related to the “health and well-being” of the Vocational Diaconate within the diocese.

The work of the council since November 2012:

- Monitor the formation progression of Deacons-in-Formation:
  - Seven [3 Transitional and 4 Vocational] were ordained in June 2013
  - Four were named as Candidates in April 2013. These Candidates are being prepared for a “God Willing” ordination in June 2014.
  - Three were named Postulants in March 2013.

- Council members in action with Deacons-in-Formation (DiF):
  - Martha Seaman: Conduct the four (4) month Postulancy formation program
  - Bill Rhodes*: Teaching Church Theology and Ethics in the Candidacy formation program; and, is the celebrant for the Eucharist of formation retreats.
  - Tom Lindell: Review written reflections of independent readings by the Deacon candidates.
  - Kimball Arnold: Connecting with deacons in rural areas via email; for support and prayer
  - Cathy Stafford: Co-facilitating post-ordination and “Community Support” sessions

- During this past year, the council met two times (March and June 2013). Items covered and/or resolved, included:
  - Adding more members: Pam Clark (Trinity Cathedral) as a Lay Representative and Dn. Robin Hollis (St. James) as a Central Region representative
  - The formation fee was increased from $1,500 to $1,800 – due to additional fees (i.e. Oxford reporting)
  - As part of formation, the “Rector Connection” segment is now the “Community Support Connection” which includes Spouses and Partners.
  - Structuring the Deacons’ Conference [to be named Assembly] for 2013 differently; both in location and content.
  - Dn. Martha Seaman is developing a project to link Deacon Ministries with other deacons and/or parishes.

Report submitted by:

Veronica Ritson, Archdeacon and Director of the Deacon Formation Academy

The council’s membership includes:

Kirk Smith, Bishop ● Veronica Ritson, Archdeacon ● Tom Lindell, Deacon – Southern Region
Martha Seaman, Deacon – Central Region ● Robin Hollis, Deacon – Central Region
Kimball Arnold, Deacon – Outlying/Rural Regions ● William Rhodes, Priest Representative
Cathy Stafford, Lay Representative ● Pamela Clark, Lay Representative
DIOCESAN ALTAR GUILD

The Diocesan Directress’ primary duties are to administer the Bishop’s Loan Closet, coordinate diocesan altar guild meetings, maintain communication among the diocese’s altar guilds, and serve as altar guild representative on both the Diocesan Women’s Ministries Board and the Province VIII Altar Guild organization.

1. The Closet continues to be a very active ministry with many disbursements during 2013. Many thanks to the parishes and individuals who donate to the Closet and whose generosity is a blessing to those with needs.

2. The annual area meetings were held at The Church of the Nativity, Scottsdale; St. Andrew’s, Nogales; and St. Thomas, Clarkdale. The program, “Altar Guild Mission Ministry,” was well-received and discussions lively and informative.

3. I continue to attend the five yearly Diocesan Women’s Ministries board meetings. In 2013 I also traveled to Camp Allen, Texas for a National Altar Guild Assn. board meeting at which we began planning for the 2015 NAGA Triennial. The 2013 Province VIII Altar Guild meeting was held at the Dumas Bay Center near Seattle, with excellent workshops and discussions centering on the theme, “Blessed Hands: Altar Guild, A Ministry of Prayer and Service.”

Other activities in 2013 included maintaining a DAG table at Diocesan Convention at which Deacon Susan Youngblood exhibited her liturgical weaving and was available to discuss her ministry; publishing an altar guild newsletter; circulating an inventory of Bishop’s Closet contents at regular intervals. I also receive occasional calls and emails requesting advice or information pertinent to altar guilds to which I reply or make referrals.

Nancy Bollard, Payson St. Paul’s and Dolly Forbes of Trinity Cathedral continue to make stoles for all deacons ordained in the diocese on behalf of the diocese’s altar guilds. We are all greatly appreciative of their dedication as are the new deacons they serve.

It continues to be a privilege to work with Bishop Smith, the Diocesan House staff, and the clergy and altar guilds in the Diocese of Arizona. I thank them all for their interest, support, encouragement, and sense of humor which makes the DAG ministry possible and a joy.

Annual Report

The Diocesan Council met five times this year beginning in November 2012 when the newly elected council members were welcomed.

During the year the council meetings had full agendas and were very productive. The council addressed the following resolutions:

- Northern Trust Resolution whereby we approved the transfer of the Dioceses’ restricted/endowment funds to Northern Trust as the new money manager.
- We also approved the Diocesan Conflict of Interest Policy which is to protect the Diocese’s interest when entering into a transaction or arrangement that might benefit the private interest of a Diocesan officer, director or employee including those of mission congregations. It was recommended that the entire Diocese adopt the Policy as the Rector/Vestry would be making decisions.
- Discussions were held where the minutes of open meeting minutes would be posted on the website.
- We approved the Housing Resolution for 2013 for Clergy.
- Resolution to authorize a bank account to be set up for the Church of Epiphany on the Desert in Gila Bend.
- Approval of the sale of the property that the old St. Raphael’s in Benson church building sat on to the Benson School District.
- Approval of the Chandler Land Sale and the distribution of the funds.

- Approved the Congregational Support Committees reports on St. Mary’s, Phoenix and Christ the King, Tucson.
- Approved the creation of the position of Canon for Stewardship and Development
- Approved the Credit Card Resolution for authorized signors on the Diocesan Credit Card through the United Methods Federal Credit Union.
- Reviewed and Approved the Proposed 2014 Budget

In its sixth year of operation, the Program Group on Disability Concerns of the Episcopal Diocese of Arizona has a steering committee of twelve members and a conference committee of seventeen members. Nine members have a disability themselves. Several members have a person in their family who has a disability. Some members have worked professionally or serve as volunteers working with people with disabilities in the community. Eleven members are lay persons; six are ordained.

The group continues to be guided by the vision statement affirmed by the Diocese of Arizona in its 2008 diocesan convention:

The universal call to holiness leads us to recognize that the Body of Christ is not whole when some members are not invited to full participation; therefore we envision that every person with disabilities will experience full inclusion in the parishes, missions, church properties and programs of the Episcopal Diocese of Arizona.

Highlights of this year’s activities in which one or more members participated:

- Responding individually or with a team of requests from congregations for help on such matters as assistive listening devices (e.g., audio loops, infra-red systems) and starting a parish disability concerns group.
- Developing and conducting disability awareness sessions at various Episcopal churches in the diocese.
- Adding materials to the diocesan office mini-library on accessibility and other disability concerns.
- Staffing an exhibit table at diocesan convention with disability-related materials.
- Updating each member’s “Response Kit” developed in the first year for replying to information inquiries from congregations.
- Maintaining contact with our informal partners [e.g., Pam Baldwin of Joni and Friends, staff responsible for disability concerns in the Roman Catholic Diocese of Phoenix, Nick Martrain of the Foundation for Senior Living (Leader, Senior Care Resources for Faith Communities,) and Lisa Bernier of Valley Christian High School]
- Established a deaf ministry program at St. Phillips in the Hills.
- Established a disability concerns group at All Saints of the Desert, Sun City.
- Continued the Accessibility Mini-Grant Program, sending each church an “invitation and application,” publicizing the program, reviewing applications, selecting a churches to receive an accessibility mini-grant, and announcing and making the awards at diocesan convention.
- Preparing for the November 16, 2013 “Day of Empowerment”; Call to be Whole and Holy II Conference. An all day leadership training event open to any/all churches in our diocese -- for achieving accessibility and full participation of persons with disabilities in their churches. Encouraging participants to attend the conference next month.

ECS is gearing up for a joyful Advent. We have much to look forward to, with a motivated and capable Board of Trustees, a new strategic plan, and a mission we are excited about. We have momentum!

Last year, under the dedicated leadership of Jack Hanstein and our Board of Trustees, we made annual grants to outreach ministries throughout the Diocese, from Pinetop to Naco, Sun City West to Laveen. A generous gift from All Saints of the Desert, Sun City, made possible an additional round of nine grants for Vacation Bible Schools in six Arizona communities.

Our congregations are working diligently to reach those who need a helping hand, whether they are children in crisis or veterans without adequate food, shelter and clothing. Episcopalians in our Diocese are activists! They are missionaries! They are seekers of social justice!

Arizona Episcopalians come by this mission work honestly. The Church Mission Society was founded in 1799 by evangelical Anglicans centered around the anti-slavery activist William Wilberforce. Many of the network of churches they established became the Anglican Communion.

It’s heartening to see anti-poverty and social justice work continued in our cities and towns here in Arizona. Every parish and mission in the Diocese is doing some kind of outreach ministry. And eight of them – All Saints’, Safford; Good Shepherd of the Hills, Cave Creek; Grace St. Paul’s, Tucson; St. Andrew’s, Sedona; St. George’s, Holbrook; St. Mark’s, Mesa; St. Philip’s in the Hills, Tucson; and Trinity Cathedral, Phoenix -- have distinguished themselves as Jubilee Ministries by The Episcopal Church.

As we approach the giving season, we at ECS encourage you to make the entire year your giving season. You can do much to change your community for the better. And if you choose also to help those in need throughout the Diocese, we encourage you to do it through ECS.

Thank you for your generous support.

Love and peace to you all,

Pauline Urbano Hechler
Executive Director
Every baptized person is called to ministry. The Education for Ministry (EfM) program provides people with the education to carry out that ministry. It is a four year course of study that covers the Old and New Testaments, Church History, Theology and Ethics.

A group consists of six to twelve participants and a trained mentor who meet weekly over the course of a nine-month academic year. They study, explore, worship and pray together.

There were 19 EfM groups with a total of 147 students meeting in various parishes in Arizona.

The following have finished their 4 years of study in the past year:

I was glad when they said to me, “let us go to the house of the Lord.” (Psalm 122) This is one of the favorite Hymns that can be heard on any given Sunday in most of the seven Episcopal Congregations in the Diocese that celebrate their services in Spanish. "Que alegría cuando me dijeron vamos a la casa del Señor.”

Working together as part of the Hispanic Ministry Program Group the Revs. Martir Vasquez, Enrique Cadena, Peter Fabre, Romeo Rabusa, Carmen Guerrero, George Sotelo, Scott Jones and Jon Sy serving in their respective congregations, the ministry among and with Hispanic/Latino people in the Diocese continues to grow. Currently there is a celebration of the Eucharist at the following churches every Sunday and often times during the week as well: Phoenix – San Pablo, St. Luke’s, Trinity (La Trinidad), St. Mary’s (Santa Maria); Glendale – St. Andrew’s (San Andres); Mesa – St. Mark’s; Sun City – St. Christopher’s.

Collectively there have been 107 baptisms celebrated; 32 Confirmations; 3 weddings; 2 funerals; 28 Quinceañeras; as well as First Communion celebrations for 113 children in these congregations.

The Program Group on Hispanic Ministry meets 10-12 times a year, rotating their meetings at different churches so as to make it more feasible for everyone’s travel in the Diocese. At our meetings we do planning for the year so we can continue being in connection with each other and keep a better record of each others calendars. For 2013 we were able to plan and execute the following Diocesan wide events: Family Camp at Chapel Rock (this involved 3 congregations this year), 6th Annual Hispanic Women’s Retreat which involved 45 women, and the Posadas celebrations during the month of December.

One of our most successful events, however was the Hispanic Ministry Summit held at San Pablo on Aug. 24, 2013. This day long Summit was followed by the celebration of the Eucharist at Trinity Cathedral that evening with about 200 attendees from the various congregations. At this event we were fortunate to have The Rev. Anthony Guillen, National Officer for Latino Ministry, The Rev. Alberto Cutié, from the Diocese of Southeast Florida. On the night before the Summit we had 70 Hispanic/Latino couple meet with The Rev. Cutié at St. Andrew’s in Glendale for a workshop on Christian marriage and vows.

At this Diocesan Convention we are proud to celebrate the announcement of yet another church plant. Santa Maria, Phoenix is being received as a church plant for Hispanic Ministry in the West Phoenix area. There have been many successful programs that have been undertaken by each of these congregations which include such things as Tutoring programs (STARS), KIDs Café summer lunch program, monthly distribution of tons and tons fruits and vegetables in coalition with the St. Mary’s Food Alliance, skills programs that are empowering people to do for themselves, outreach food program for the homeless on a monthly basis, Bible studies for adults, youth, and in small home cells, and stewardship training which we are calling “gratitude leadership development.”
The Diocese of Arizona established the Diocesan Millennium Development Goals (MDG) Committee in response to the 75th General Convention resolution that requested all dioceses establish a commission or similar body, which would be dedicated to mobilizing Episcopalians toward the achievement of the Millennium Development Goals (MDGs).

The Diocesan MDG Committee comprised of lay and clergy from throughout the diocese, began meeting prior to the 2007 Arizona Diocesan Convention. The Committee proposed Resolution 2-2007, which encouraged all congregations to move toward designating 0.7% of their income to support the international outreach efforts of the MDGs.

The MDG Committee has accomplished the following this past year:

- Reviewed MDG project requests and awarded 11,150 dollars in matching funds for a total of $22,300 funded for projects:
  - Center of Hope, Barrio La Laguna, Veracruz, Mexico
  - Heart and Hands School Project, Haiti
  - Naissance de Maison Maternal Birthing program, Haiti

Funds remain for additional grant(s) for this fiscal year, with one grant request pending committee decision.

The Committee offers continued support of the efforts by churches throughout the Diocese with their efforts to meet the goals and advocate for participation by all churches and individuals with the MDGs. Speakers available to preach or teach on the MDGs.

The Diocesan MDG Committee worked with Episcopal Relief and Development to meet the goal set by the Episcopal Church to raise $5 million dollars to educate and engage churches to support the MDGs in the fight against malaria. The Diocese of Arizona kicked off a Diocesan-wide NetsforLife® campaign at the Diocesan Convention at last year’s Convention... Crossing the Finish Line ... Last year the Diocese of Arizona raised over $45,000 for Nets helping to push the Episcopal Church over the $5 million dollar goal.

The Diocesan MDG Committee has begun a visioning process to determine the future direction and goals for the Millennium Campaign due to be completed in 2015.

Regular meditative practice leads to greater powers of concentration and a sense of control and efficiency in one's life. Labyrinth walking is among the simplest forms of focused walking meditation, and the demonstrated health benefits.

This effect has significant long-term health benefits, including lower blood pressure and breathing rates, reduced incidents of chronic pain, reduction of insomnia, improved fertility, and many other benefits.

St. Andrew’s Labyrinth will benefit each member of the parish and will invite and engage neighbors of the church to experience this spiritual exercise. We envision that this project will appeal to a younger generation in our community.

Trinity Church, Kingman

The Trinity Kingman Bishop's Committee approved the proposal to use our Mission Share Rebate to fund publicity and materiel for the Hispanic/Latino ministry that we will begin in early 2014.

Christ Church of the Ascension, Paradise Valley

Mission Rebate Funds were combined with an ECS grant to enhance our Vacation Bible School program.

St Raphael’s in the Valley, Benson

At St Raphael’s we are using our Mission Share Rebate to support our local Travelers Aid program. This program is supported by local churches and run by the police dept. the program assists people traveling through who find themselves in need of help.

Church of the Apostles, Oro Valley

Our Mission Rebate Funds will be used to support the “Youth On Their Own" local nonprofit organization. It provides local homeless teens with basic needs, bus passes, some living expense support, if the student has passing grades in all classes and meets school attendance requirements. In addition, creating a program for the local "Teen Challenge" organization.
St Barnabas on the Desert, Scottsdale

We developed projects to engage the wider community in the proclamation of the Gospel. A parish-wide discernment process captured the desire to grow beyond our current sense of 'parish needs' to anticipate a future which expands our vision and ministry with this community. ChurchtoYou.org offered to people a new platform for sharing the message of the Gospel into the Easter season and the season after Pentecost. This initiative will continue to grow as we learn more about digital and hybrid faith formation (in partnership with the Diocese and Virginia Seminary) that will meet both evangelical and formational goals with this wider community. Another project underway will launch a Saturday evening service to target generations less-churched and un-churched, bringing them into discipleship of Jesus and broadening the expression and witness of St. Barnabas as a place to belong, grow and get involved.

Good Shepherd in the Hills, Cave Creek

Good Shepherd is partnering with an agency in our community in developing new missional ministries to the senior citizens of the Cave Creek/Carefree foothills area. A taskforce from Good Shepherd is working to develop one or two ministries directed towards senior men. Our foothills community provides various ministries to senior women, but we are seeking to fill a ministry need which is not currently being met.

St Alban’s, Tucson

In 2012, St. Alban’s began a partnership with Imago Dei Middle School, a private, not-for-profit Episcopal school, to support the school’s efforts to provide a high-quality education for 80 low-income youth in grades 5 through 8. St Alban’s has utilized the mission share rebate to continue that partnership in 2013. Among other activities, parish members are volunteering as school nurses, mentors to the students, and members of the school’s governing board. We decorated the school for their baccalaureate dinner and provided drinks and desserts. We organized a drive to collect school supplies for incoming students and provided backpacks for new middle-schools stuffed with essential supplies. We have also carried out a campaign to encourage parishioners to contribute to the school using the state tuition tax credit. In 2012, 35 families donated to Imago Dei through this program.

All Saints of the Desert, Sun City

All Saints used our Mission Share Rebate to support our Sunday School and Youth Programs. There are presently 14 children enrolled in this new ministry. This is remarkable, considering the fact that All Saints of the Desert is a predominately retirement age congregation where the average age is 75.

St Stephen’s, Douglas

Our Mission Share Rebate funds were used to increase St Stephen’s visibility in the Community.
St John’s, Bisbee

Mission Share Rebate has been used to strengthen our outreach programs.

St Michael’s, Coolidge

St Michael’s used our Mission Rebate money to produce and print materials to promote our Open Door events.

SS Philip & James, Morenci

As part of our renewed effort to take our ministry into the surrounding community, Saints Philip & James hosted our first Saint Francis Day, Blessing of the Animals. Congregation members went out into the neighborhood introducing ourselves and inviting them to join us in celebration. We had several families bring their animals for the service.

St Andrew’s, Tucson

At St Andrew’s we have used our Mission Share Rebate to sponsor community events for our neighborhood.

St Alban’s, Wickenburg

We are planning to use the Mission Share Rebate funds to start a Hispanic Ministry with a Eucharist each Sunday at 12:15, in Spanish (liturgy), English (sermon). We would want to use these funds for advertisements, music books, flyers, banners, and other needed items.

St Peter’s, Casa Grande

For the use of our Mission Shared Rebate, St. Peter’s decided that the children and women of Casa Grande seem to have many programs to support them but, the Veteran’s do not. We tasked two veterans on the BC to visit Veteran’s Groups in the city and to come back with suggestions as to how we could help. After many meetings in the community we have decided to support Stand Down, a Veteran’s Group that assists Veterans with everything from filling out all the forms that are necessary for them to receive their benefits to providing “Survival Kits” for the homeless Veterans living in the desert. Meetings with Stand Down continue as we study how best St. Peter’s can serve in their mission.

Church of the Advent, Sun City West

Church of the Advent has use the Mission Share Rebate funds to support our associate rector.
Grace Church, Lake Havasu City

We are using our Mission Rebate to assist us with a couple of outreach programs: Food Bank outreach and Outreach to Community Youth (both homeless teens and the Havasu Intramural Mountain Bike Club).

St Luke’s at the Mountain, Phoenix

For St. Luke's at the Mountain Church, the 1% rebate was utilized for our Children's Ministry Program. The goal was to establish continuity of learning from Lectionary-based Children's Program to Youth and Young Adult Ministry. Since the end in mind was for children to grow and mature to become committed Christian Youth and Young Adult members, we tasked Rev. Jonathan Sy to coordinate and supervise this entire ministry. Accomplishments included a Children Summer Program that included feeding in partnership with St. Mary's Food Bank and Department of Education Nutrition program. The Summer program had an average of 35 children in attendance. The Lectionary-based Children's Program is doing very well. We also added new volunteer Sunday School teachers to teach and manage children's activities.

St Christopher's, Sun City

As a result of receiving our Mission Share Rebate, St. Christopher’s is considering launching new ministries in one or more of the following areas:

- Spanish Language (general conversation or ESL). Given the growing Hispanic portion of our congregation, such classes would help communication between the parts of the congregation, facilitate communicating with shoppers at our thrift store, and attract neighbors in as our area is now about 32% Hispanic.
- Children raised by relatives (seniors raising grandchildren, great-grandchildren, other relatives). Over 100 thousand children in AZ alone are in such situations and we have several families currently doing so.
- Grief Group (in conjunction with something like Hospice of the Valley).
- Alzheimer's / Dementia resources. We have been touched in both our clergy and our members and it's an ongoing issue for many in our congregation.

St. Andrew's, Sedona

St. Andrew's in Sedona has been using its Mission Share rebate from the diocese for an outreach program to our neighbors: both those living physically close to our church and those in the general area interested in greater community with our Hispanic residents and culture.

Our first neighborhood event was a "Meet and Greet" hot dog luncheon on a Saturday in June. Although neighborhood attendance was less than expected, we found the initial door to door outreach quite valuable. Priest Mary and a vestryperson went to more than forty homes on the streets around the church, and were graciously welcomed. They found the conversations that occurred quite valuable. "Door hanger" invitations were left when residents were not available.

Our next planned event will be an outreach to both the Hispanic and the general population with a Dia de los Muertes celebration November 3, followed by a celebration for Our Lady of Guadalupe on December. Diocesan mission rebate funds will assist in publicizing these events, paying musicians, providing refreshments, and follow-up contact activities.
Church of the Nativity, Scottsdale

The Episcopal Church of the Nativity, Scottsdale, has embraced the Mission Share Rebate in the following manner: The Parish has adopted a neighborhood presence, especially through its Children and Family Ministry. In January, Shelley Byrnes was employed as the Director of that Ministry. Her goals were outlined as follows:

1) Strengthen participation of the congregation in the Children’s ministry, train and empower those adults to be effective faces for the ministry, especially in attracting young couples with children living in the neighborhood.
2) Initiate the first Nativity Vacation Bible School (VBS) and promote same for the neighborhood.
3) Identify additional youth organizations in the area that could use “in-kind” donation of space in our classrooms and parish hall.
4) Partner with two local elementary schools to offer mutually beneficial programs.
5) Create awareness of the church for the neighborhood and drive potential membership traffic to the building.

In measuring results against this mission, we offer these statements:

A) Formed a young parents’ discussion group to explore various issues.
B) Launched a week long VBS with 23 attendees, including 5 neighborhood children, now part of the ongoing activity of the parish. $420 in tuition scholarships were granted.
C) Established an afterschool tutoring program with five elementary teachers from Pinnacle Peak Elementary School.
D) Established an ongoing relationship with the Desert Foothills Foundation, providing space for drama lessons and rehearsals of the Desert Foothills Theater. A token portion of tuition revenues earned by the theater were donated back to the church.
E) Established an two art classes, currently with 18 students. A free will offering is expected but not demanded from this activity.
F) Donated space to an acrobatic school, very small at the moment but with large hopes for growth in enrollment.
G) In discussion stage with an elementary charter school for potential pre-school and lower elementary programs. As many as 35 students may participate in the initial program targeted for fall of 2014. This will be a revenue generating program.
H) Met with officers of the PTO at one of the elementary schools and will have periodic repeat sessions with same. Will provide parking and promotional materials for the upcoming school festival. A portion of the mission rebate will be used to create these promotional materials.

The funds received and due from the diocese are being used primarily to offset a portion of Shelley’s salary, to offer tuition in cases where a student cannot afford a service, to offset a portion of the sexton’s wages for maintaining clean spaces and to offset a portion of the additional utilities and supplies consumed by the attendees.
Trinity Cathedral, Phoenix

We will be using the Mission Rebate money for outreach work at ASU downtown. It should pay for a day and half each week for a young member of our congregation to be onsite working at liaison with students.

St Michael and All Angels, Tucson

St. Michael and All Angels Evangelism Project

Scope of Project: To professionally produce a YouTube Video of 3-5 minutes that would capture the life and ministry of our parish. Focus of Video would a look at key ministries in parish and Tucson community, with major emphasis on our Family Mass.

Market: Unchurched people and families, especially in our own St. Michael's School. The video would also have a "button" on our web-page so everyone can get a glimpse of our parish and our vision.

Budget: Approximately $3000. This is from the Diocesan Mission Rebate of $1600 and money raised in the parish at a special offering for the project.

Currently we are identifying professional videographers to interview and we are writing the "screen play flow" for the video. We hope to have the video finished in early 2014.

St Augustine’s, Tempe

St. Augustine's Tempe is using its Mission Share Rebate to support two homeless ministries, IHELP and St. Benedict's Closet. Both ministries have multi-generational support and participation on a monthly basis of up to thirty parishioners. Funds are also donated by parishioners to support these ministries.

All Saints, Safford

All Saints use our Mission Rebate funds to sponsor a booth at the Saffard Salsa Festival where we raised $100.10 for the pure water filters for Africa. We also handed out flyers for our Gila Valley Ministerial Association's Blessing of the Animals held at All Saints, Sat. October 5. We had one First United Methodist person and six All Saints parishioners involved in this fund-raising booth.

St Philip’s In The Hills, Tucson

Project La Parroquia

The Vestry of St. Philip’s in the Hills Episcopal Church voted to use the Bishop’s rebate money to fund a community outreach project which benefits teens as well as community outreach services. St. Philip’s owns a small historic building which was once a café nearly fifty years ago. Since St. Philip’s purchased this property,
the building has served as many things from parish administrative offices, to Sunday school classrooms, to
general meeting places. This older stucco building has had few updates over the years and seemed very
uninviting.

In January 2013, the Vestry decided to utilize this property, La Parroquia, to fully serve the youth of St.
Philip’s by creating inviting youth rooms, ample space for community projects, lock-ins, and general growth of
the youth program. The vestry also decided to enhance the meeting spaces used by community organizations
such as 12 step programs and support groups that meet in La Parroquia during the week and in the evenings.

With the first installment of the Bishop Rebate money, the meeting rooms in La Parroquia have been
transformed into welcoming spaces for teens that comfortably double as relaxed and private meeting spaces
for adults in the community outreach programs. The community outreach organizations have had the comfort
of meeting in a relaxed atmosphere with couches and arm chairs instead of tables and chairs set up in
“boardroom” style meeting space.

Since the project in La Parroquia began, the youth have been able to use the space for homework,
after school Bible Studies, and recreational space that is open to the surrounding community during the week
and on Sundays. The youth program has already grown nearly ten percent since the Bishop Rebate money
came to St. Philip’s with plans to extend into the community even more over the next few years.

We hope the growth of the youth program, as well as the community outreach programs at St. Philip’s
continues to grow and prosper in this new and inviting atmosphere. Once an old café, La Parroquia is now
changing the lives of many in the Tucson community thanks to the Bishop’s Rebate program and the support
of over forty member of St. Philip’s clergy, vestry, and parish.

St Matthew’s, Chandler

The first quarter rebate of $1317.87 went towards a San Francisco Mission Trip. This was a trip organized for
the youth of the parish. 13 youth spent four days working on clean-up and construction projects in poor
neighborhoods in the San Francisco area, and serving homeless persons in the local kitchens for homeless
persons. An estimated 250 people were benefitted from this outreach. The use of the rebate helped round
out the budget for this project, which was about $12,000. The youth raised most of the money themselves
with work projects.

The second quarter rebate of $1331.65 went to the “PB & J Ministry.” This is an acronym for Peanut Butter
and Jesus. Once a month our youth (usually about 20 youth) make sandwiches and pack other lunch items to
take to homeless people in downtown Phoenix after lunch. Hundreds of people have been served over the
last year, Sunday being a day when the usual serving locations for the homeless population of downtown
Phoenix are closed at noon. Most of this ministry is funded by Saint Matthew’s so the rebate was the smallest
part of the funds involved over the course of a year.

The vestry voted to use $636 of the third quarter rebate to contribute toward the overall cost of sending
probably 12 girls from the Girl Scout troop to Chapel Rock on January 31-Feb 1 of 2014 to complete all the
required course work for their God and Church program award. The families of the girls will contribute the
rest of the cost. (There is an outreach element to this usage in that about half of the girls who will attend are from the surrounding neighborhood and not yet affiliated with the church.) The remainder of the Mission Share rebate from the 3rd Quarter was voted to go towards the Book Drive for Hartford Elementary—our neighborhood Title I school. The number of persons who will benefit from the book drive cannot be accurately estimated.

St Mark’s, Mesa

We have offered a Spanish Mass every Sunday since March 3. We have spent Mission Share Rebate $ totaling $1,245. [This amount is less than our rebates, which have totaled $1,505 so far.] Our expenses have been for musicians, Spanish prayerbooks; a banner [in Spanish] announcing our service; food for after Mass; planning expenses and for Fiesta Day (water slides and food on our campus for our Hispanic neighbors). It varies by Sunday, ranging from about 20 attendees up to 35 attendees. Most of the attendees are of Hispanic origin.

St John the Baptist, Glendale

Led by our Youth Pastor, Joel Joa, with assistance from our Vestry, Church & Community Events Ministry, Youth Ministry, Men’s Fellowship Ministry, Women Unlimited Ministry, and 3d Place Ministry For Food & Fellowship, we will stage and host an outdoor concert and youth gathering events in January 2014. Joel’s highly regarded Christian band will provide the musical entertainment. We will also have refreshments, such as pizza and soda following the concert.

We will give out “grab bags” which will contain items of interest to Christian youths and invitational information about our church and our youth program. Joel, his band members and our youth leaders will be available following the concert for autographs, talks, and motivational invitations to come to our youth gatherings.

We will advertise the event through local Christian radio stations, facebook, twitter, youth leaders in local youth groups and churches, and high schools. We hope to have as many as three hundred (300) young people attend.

Church of St Matthew, Tucson

Three projects were selected based on survey input from the parishioners and the decisions of the Vestry based on that input:

1. 1/2 of the monies from the first three quarters of the Mission Share rebate were designated for Imago Dei Middle School to cover the cost of their music teacher for two quarters who will have a class for a boys chorus to encourage other boys to sing. The Vestry had a subcommittee approach Imago Dei.
2. The other half of the monies from the first three quarters were to do to a project with our neighboring school, Gale Elementary. So far, the administration has proven non-responsive so we may need to
consider another project. Two representatives from the Vestry have been making contact with the school but have received no response.

3. The monies from the last quarter of this year will go to the **2014 VBS program** as we grow the outreach of this program so that more children from our neighborhood will participate. Hopefully the staffing of the VBS will minimally be three.

**St Peter’s, Litchfield Park**

In the first half of 2013 St. Peter’s Litchfield Park was awarded quarterly rebates from the Diocese in the amounts of $1,237 and $1,231. Collectively the Vestry and Finance committee agreed that the rebates represented a return of funds given by the congregation therefore it was left to the congregation to vote upon the best use of the funds. After two weeks of polling and over 20 suggestions, the Vestry narrowed the field to the top three ideas which were then presented to the congregation for a vote.

Student Ministries, serving all sixth through twelfth grade students, was the very excited recipient of the first quarter rebate. This very important ministry faces some unique challenges. With specific regard to the need for these funds, the group faces the challenge of teenagers’ seemingly never-ending ability to eat! Each Thursday, the group gathers for a shared meal, musical worship, lesson, and topical discussion. As the group has grown, so have the food costs. Although the group functions on a budget of less than $2.00/attendee per week, the total costs are significant. By popular vote, the Diocesan rebate was awarded to the group to be expressly used to fund these weekly dinners.

This unexpected award was a double blessing to the group and its families as it came on the heels of the largest expense in our ministry’s history. In June of this year St. Peter’s took 28 students and two adult leaders to Chapel Rock’s first session Junior/Senior High Summer Camp. This was a most enlightening experience for the students and adults alike! Students returned excited, energized, and committed – and already eager to register for next year’s camp. However, this endeavor required an expenditure of approximately $10,000 which parents, families, and church leadership diligently worked to fund. The group returned home with spirits high, and bank accounts low. Having reserved only enough funds to continue the program until the start of the school year, leaders began to debate whether to sunset the dinner portion of our meetings. That very week an announcement of the rebate reached our desks and we were able to continue with this fellowship opportunity that also offers relief to the group’s very busy family schedules.

It is with very grateful hearts for this abundant blessing that the St. Peter’s Student Ministries team wishes to thank the Diocese for making this rebate available, and our St. Peter’s family for entrusting these funds to our use. Since the award, our average weekly attendance has seen a nearly 20% growth and a second group, in neighboring Surprise has been established. That group currently meets over “light snacks” leaving room for much future growth …

The St. Peter’s Finance Committee has confirmed that the second quarter rebate will be distributed in a similar fashion, being put before the congregation for discernment and a popular vote once our Winter residents return.
Church of the Transfiguration, Mesa

The Church of the Transfiguration appreciates the support we received from the Diocese of Arizona in the form of the Mission Share Rebate. The vestry of the Church of the Transfiguration decided to use the money to help make the church more accessible to everyone and thus encourage more people to attend. To date, we have received a contribution of $730.72 from the Diocese. Transfiguration added its contribution of $2257.28 for a total of $2988.00. This money was used to build a handicap access door to the ladies restroom at the rear of the church. Transfiguration also requested and received a pledge of $250.00 from the Program on Disability Concerns for the Diocese of Arizona to assist with this project.

The project was completed in June of 2013 and we have encouraged everyone to use this new access. People who attend the Church of the Transfiguration come from many different ages and physical abilities. We are pleased that we are now able to provide easy access to our church for everyone. This is part of our call to welcome everyone into the church.

All Saints’ Church and Day School, Phoenix

All Saints’ Episcopal Church and Day School in Phoenix used our Mission Share Rebate to host our first annual North Central Family 5k on April 13, 2013. We designed this 5k race and 1 mile fun run with two goals in mind. The first was to get to know more members of the North Central Phoenix community, especially those who were not already familiar with our church or day school. The second was to raise funds for and awareness of our companion parish and school, St. Paul’s in Gascogne, Haiti. We are happy to report that these goals were met. We had 284 people run or walk, 35 volunteers, and 10 local corporate sponsors. We raised $5,000 for St. Paul’s! We look forward to having our second annual NCF5k on May 3, 2014 (go to www.ncf5k.org for more information).

St Stephen’s, Phoenix

St. Stephen’s voted to direct our Mission Share Rebate to the St. Stephen’s Food Bank. Twelve parishioners volunteer regularly in the food bank. Over 40 food boxes, which feed between 1-10 people are distributed each week. The Mission Share Rebate is combined with $500 budgeted to the ministry, regular collections of financial and food donations given by parishioners each week.

St Francis-in-the-Valley, Green Valley

One of the goals identified during our recent Strategic Planning process was that of better meeting the needs of our community through a special caring ministry with trained leaders such as a Stephen Ministries program. We have a great outreach program and a solid pastoral care program. But another level of care was missing as people both in Green Valley and in our surrounding communities encounter life challenges. To that end we chose to invest our Mission Share Rebate in the training of two people in the Stephen Ministries
program who will in turn equip and empower lay caregivers in our parish to provide high-quality, confidential, Christ-centered care to people, both in our congregation and in the larger community, who are hurting. This generated a great amount of support and enthusiasm in the congregation. Beginning in November our two leaders will be training 10 of our members as Stephen Ministers. In addition to our Mission Share Rebate the church invested an additional $500 to cover costs to start up the program. Our hope is to send at least one additional person to leadership training each year to keep the program alive and growing for years to come.

St Paul’s, Payson

Name of Project: “Feed my Sheep”

The most pressing need in Payson is feeding the homeless and less fortunate. With the diocesan Mission Share rebate we have been able to enter into an ecumenical food bank with the Presbyterian, Methodist, and ELCA Lutheran churches to expand the very small food bank started at the Presbyterian Church.

St. Paul’s has 12 active members that work at the food bank. We have been able to expand the hours to include evenings so single mothers that work, but do not earn enough to put a roof over their children’s heads and feed them, are able to come in after work.

The excitement over the diocese making this possible has generated additional contributions to date totaling over $1,930.

We cannot thank the Bishop enough for making this all possible.

Church of the Epiphany, Tempe

The Church of the Epiphany – Tempe is excited to announce the support of a new mission, which involves food sustainability. Because our church has an extensive outreach program which reaches around the greater Phoenix area and the state, our Vestry voted to keep our mission rebate within the city limits of Tempe.

Because food insecurity has become an ever-increasing problem in our country, we chose to support Harvest for Humanity in Tempe. Harvest for Humanity is a non-profit organization, which produces thousands of pounds of fresh fruits and vegetables food that is too expensive to purchase when one is living on food stamps or has very limited income.

Harvest for Humanity supports local food banks like Matthews Crossing, which Epiphany also actively supports, other local food banks as well as the free cancer clinic downtown. Denise Phillips, Executive Director of Harvest for Humanity, also teaches how to grow a sustainable garden no matter how much land one has.

The Vestry voted unanimously to give our Mission Rebate in support of Harvest for Humanity and introduced our new mission by hosting a lunch in early September following our 10:00 AM service and showing the award winning documentary “A Place at the Table” highlighting the importance of addressing food insecurity.
Members of our Hispanic community have already started volunteering at the garden and our youth will begin volunteering to work in the garden this month. Later this month our Christian Education will have a family “Dig in the Dirt” for families. We have had a lot of other members who will be signing up to volunteer including members of the Vestry.

As part of our match for the Mission Rebate, we will work on raising additional funds to purchase refrigeration for Matthew’s Crossing to store fruits and vegetables as they are received, something that is very difficult to do currently.

We wish to thank the generosity of the Diocese in order to make this new mission possible.

St Anthony on the Desert, Scottsdale

Project: "A Taste of St. Anthony" - a Community Block Party - the intent is to highlight and encourage involvement in our assorted outreach activities while providing a fun, social event to gather in the community that surrounds us. The block party is scheduled for March 1, 2014. There is a vestry appointed team of six working on this project and this team will be expanded to include assistance from many of St. Anthony’s other ministry teams. Plans include live music, 4-6 food trucks, children’s activities and ministry displays. Full costs have not yet been determined but St. Anthony is prepared to supplement the rebate as necessary.

Grace St Paul’s, Tucson

Grace St. Paul’s Church used the monies returned to it from the diocese to support its work with three distinct evangelism efforts:

Christianity 3.0 was a free, three day event that invited people to Grace St. Paul’s to witness a church that counters the public image of what it means to be Christian. Attendees heard two 1 hour talks by The Rev. Steve Keplinger, participated in panel discussions, and shared stories about their experiences. Publicity for the event was widespread and included a radio interview, radio ads, coverage on the front page of the Arizona Daily Star, and 30 different Facebook memes. People from all over the globe wrote to ask for DVDs of the event to share with their friends. The event demonstrated that evangelism needn’t be an uncomfortable, cold-sweat producing activity. Guests were effusive about feeling welcomed and were grateful to experience a church without judgment.

Arts for Summer Camp provided an in-depth exploration of the visual and musical arts because public school districts that surround Grace St. Paul’s cut these programs from their curricula. The camp’s theme was “The Christ Within” and focused on the Parable of the Talents and the Maxims. Snacks and lunch were offered daily and on the final day an art show created by the children was presented to their families. 22 volunteers helped reach out to the 34 children at camp, and their extended families. Many of the parents were new to Grace St. Paul’s and said that the camp experience motivated them to attend church. Another family discovered the parish’s Social Service Ministry and benefitted from its services.
The Social Services Ministry provides emergency assistance to parishioners and the wider community. Efforts are focused on stabilizing short-term emergencies and networking with community resources for longer-term, strategic help. Short-term efforts include helping with transportation, procuring identification documents, providing clothing vouchers, and assisting with rental and/or utility payments. During the first six months of this year 319 people were served by this ministry. Over 2/3rds of them were from the wider community, and many of them now attend Sunday services. One recent success story is a woman who first lived in a truck in GSP’s parking lot. Social Services Ministry volunteers helped her connect with a housing program for homeless people. One short year later, this

This 2013 year has turned into a very busy year for our group. In January, Co-convener's Rev. Deacon Vivian Winterchaser and Rev. Deacon Dorothy Saucedo were invited by Province VIII Native Ministries Convener Paul Lucas to do an Anti-Racism Workshop at their Winter Talk in Reno, Nevada. We had 13 individuals who signed up and took the training that is required for all new clergy, lay people, anyone who works within a church setting. Certificate of completions were mailed to each individual for their records.

A week later, January 22 to 24, 2013, we represented Diocese of Arizona at the International Indigenous Urban Ministry Gathering in Santa Fe, NM. Our brothers and sisters from Canada and several other cities in the U.S. joined us to discuss how we can encourage our Indigenous people living the in cities back into the flow of attending church. The sharing of stories and prayers were powerful, using the Gospel Based Discipleship as our guide we spoke about the tragedies of how the Doctrine of Discovery affected our Indigenous people. We faced and talked about youth/adult suicide, substance abuse, domestic violence and we also talked about all the successes of how we have overcome, how we have survived despite the difficulties. We listed 12 items that we thought were touched on, we parted agreeing that we would begin to work these 12 issues as we move forward. It was decided that we needed to have at least 2 meetings a year in order to start working towards workable solutions. NAMPG volunteered to have the next meeting in October in Phoenix, Arizona. The Rev. Deborah Royals volunteered the Pasque Yaqui to host.

At our March meeting, NAMPG decided to have the next International Indigenous Urban Ministry Gathering in Phoenix, Arizona. Plans began to take shape immediately, hotel, conference area, caterer, etc. It has been a busy summer for us in making this become a reality. October 9, 10 and 11 is the conference dates and will be held at Trinity Cathedral. We narrowed the list of 12 into 5 workshops: 1) Leadership; 2) Youth/Adult; 3) Teaching of the Elders; 4) Gospel Based Disciple and 5) Justice Issues. Thus far we have 25 folks signed up for the conference, which is about what we had in January.

Along with this conference, we moved our annual Oakerhater Celebration from September into October. We renamed this event to Native American Saints/Native American Recognition Day - this will be taking place the weekend prior to Columbus Day. This year it happens to fall the weekend of the IIUMG conference October 12 & 13, 2013. The two workshops for Saturday are Doctrine of Discovery and Youth, Leadership and Reconciliation. Everyone is welcomed to attend the workshops. Nicole Krug, communications at the diocesan office was gracious enough to send out our flyer to all the churches within the Diocese, inviting at least one or two representatives to the Native American Saints Day. We received at least 3 responses, it's a beginning and we hope that more will join us next year. Sunday October 13th, Holy Eucharist at the Cathedral will honor Native Spirituality's contributions into the church.

Preparing for both conferences has been a challenge for us but with dedicated committee members it is coming together very nicely. We continue to work towards better relations within our diverse church communities, sharing our stories, our challenges, our successes and our love for our Creator. It is He who makes us who we are and continues to guide us in the directions of peace and harmony.

God's blessings to all .... the Native American Ministry Program Group.
**Nature & Spirituality Program**

The goal of the Nature & Spirituality Program is to help reconnect people with God through nature by offering opportunities for worship that combine prayer/meditation in an outdoor setting.

Our first offering was Stations of the Cross services held at the White Tanks Regional Park in Waddell on Fridays during Lent. These services were led by the Convener and attended by an average of 6 persons. The service included walking the trail while singing the Taíze song “Jesus Remember Me” and then sharing the readings and prayers for each station excerpted from “A Walk in Jerusalem” by John Peterson.

An ongoing offering is a monthly meditation meeting. Our first 2 meetings were held during Lent at the White Tanks Park, the next 2 meetings were held at an urban park in Glendale and the next 3 meetings have been held at the North Mountain Park near Scottsdale. These meditations include reading prayers, scripture, and commentary from “The Earth Gospel” by Sam Hamilton-Poore and then meditating on an aspect of nature as suggested in Nancy Roth’s book “Organic Prayer.” The purpose is to spend 20 to 30 minutes in the presence of God by focusing on something in nature. Centering prayer techniques are used. At the end of each meditation, the group practices a walking meditation as we learn to take God’s peace with us into our busy lives. We close with a prayer from “The Earth Gospel.” These sessions last about 1 ½ hours. In the fall, we hope to include a short, non-strenuous hike with the meditation occurring at the midway point on the hike. At present these sessions are attended by the 3 people that signed up for the Diocesan Program, though guests are welcome and have attended in the past. It is anticipated that those attending these sessions will be able to share the process with members of their congregations and other churches.

Also offered monthly is an Evening Prayer service led by the Convener at the White Tanks Regional Park in Waddell followed by a short, non-strenuous Moonlight Hike led by a park ranger. Services average 5 people. Holding Evening Prayer outside at sunset is truly a spiritual experience. Sunrise services are also being considered.

After meeting with the Bishop in mid-May, I had a better understanding of the goal of the Diocesan programs and expanded the scope of the program by contacting churches in our Diocese that either have a garden (meditation, rose, vegetable, etc.) or want a garden. I visited 7 churches (including churches in Tucson and Williams) and talked with persons involved in the gardens or the plans for a garden. Plans include adding photographs, recommendations, and contact information to the webpage for Nature & Spirituality with the hope that more churches in the Diocese will consider adding a garden on their campuses or using existing gardens for services. Members of the Nature & Spirituality Team would be available to help churches think “outside the box” of a church building and use God’s creation as a worship venue. The idea is to create a connection with God by holding some church services outdoors such as Stations of the Cross, Morning & Evening Prayer, and Blessing of the Animals. Services held outdoors may also be a way to reach the unchurched.

Standing Committee Report to Convention 2013

Committee membership:

Ms. Barbara Popejoy       Mr. Raymond Dewey
The Rev. Erika Von Haaren  The Rev. Rick Wilson

The Committee met 5 times since last convention. The Committee undertook the initiative, under the leadership of Barbara Popejoy and Sherman Stevens, (past member) of developing a manual. I will be included on our website. The purpose of the manual is to give perspective members and those who might be generally interested, a description of the duties of the Standing Committee and includes the Canons by which we are bound.

We continue to review property issues, interview candidates to Holy Orders and submit consents, or not, to Dioceses electing a Bishop.

Bishop Smith keeps the Committee informed about the State of The Diocese and uses it as a Council of Advice.

At this Convention, Barbara Popejoy and Rick Wilson will rotate off the Committee and Convention will elect their replacements. Both Barbara and Rick have been faithful to the work of the Committee and will be greatly missed.

TREASURER’S REPORT
TO
The 53rd Convention
Of
The Episcopal Diocese of Arizona

We have completed our second year under the new mission share system and the outlook for many of our parishes continues to improve. The rebate system which was introduced at last year’s convention has been met with enthusiasm. Virtually all of our congregations have been timely in their reporting and received rebates for two quarters. It should be exciting to share our stories of how these funds are being used to expand our ministries.

There are still some congregations that continue to struggle. The Congregational Support Committee has seen three new congregations this year. We continue to work with these congregations in seeking remedies to their problems and ask you all to hold them up in your prayers.

A renewed effort is being made to assist congregations in their stewardship and planned giving. All congregations are encouraged to seek assistance from the Diocesan office to help establish, improve or enhance their programs.

Remember when you vote to adopt the Financial Statement of Mission you are voting to support the ministries and programs of the Diocese. It is a collaborative effort and could not be done without you. We look forward to working together with our congregations to realize our vision of a growing, mission-driven Diocese.

An independent audit of our financial position as of December 31, 2012, and the related statement of activities, changes in net assets, cash flows and functional expenses for the year then ended has been completed. A copy, including the auditor’s report and opinion, will be included in the Journal for the convention and has been posted on the website.

Again my thanks to members of the Finance and Investment Committees and their continued efforts to manage and assist in the financial well-being of the Diocese. The investment committee was especially helpful in managing and completing our changeover to Northern Trust.

As always, thank you to Bishop Smith, Canon Dombek and the Diocesan staff. They continue their efforts to provide services that will enable our congregations to serve their parishioners and help grow their congregations. Keep them in your prayers.

Faithfully,

Jack A. Colaric, Treasurer

The Program Group is seeking churches in the Diocese of Arizona who are currently involved in any relationships with churches or missions the Episcopal Church in Navajoland to collect the details of their story to be shared with the Diocese. INDEPENDENT AUDITOR’S REPORT

To the Board of Directors of
The Episcopal Diocese of Arizona
Phoenix, Arizona

I have audited the accompanying combined financial statements of The Episcopal Diocese of Arizona (a nonprofit organization), which comprise the combined statements of financial position as of December 31, 2013 and 2012, and the related combined statements of activities, cash flows and functional expenses for the years then ended and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

My responsibility is to express an opinion on these combined financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

Basis for Qualified Opinion

As explained in Note 8 to the financial statements, adequate cost records do not exist for property used by unincorporated congregations and missions and certain vacant land in order to perform standard auditing procedures. Accordingly, I did not perform audit tests on those properties.

Qualified Opinion

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the combined financial statements referred to above present fairly, in all material respects, the financial position of The Episcopal Diocese of Arizona as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 - GENERAL

The Episcopal Diocese of Arizona (Diocese) is part of the Protestant Episcopal Church in the United States of America and is that part of the Episcopal Church that is within the State of Arizona, except that part that falls within the Navajoland Area Mission, Yuma County, and the cities of Page and Bullhead City. Incorporated in 1897 under the non-profit laws of Arizona, its members include all Episcopalians residing in the Diocese, organized into parishes, which are self-supporting, and missions, which may look to the Diocese for financial assistance. Chief spiritual leader, executive officer and administrator is the Bishop of Arizona.

The affairs of the Diocese are conducted in annual convention, made up of clergy and elected lay delegates from each parish and mission. Interim details are delegated to the Standing Committee and the Diocesan Council.

These financial statements include the assets, liabilities and operations of the Arizona Camp and Conference Center - Chapel Rock, located in Prescott, Arizona, Trinity Cathedral, Bishop's Discretionary Fund activity and the Diocese. Also included are the buildings and contents of unincorporated congregations and missions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** - The financial statements of the Church have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

**Basis of Presentation** - Under Generally Accepted Accounting Principals, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

**Use of Estimates** - The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Investments** - The Organization carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities.

**Revenue Recognition** - Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

All donor restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction.

When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

**Promises To Give** - Unconditional promises to give are recognized as revenues or gains in the period the promise is received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.
NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Cash and Cash Equivalents - Cash and cash equivalents include all monies in banks and highly liquid investments with original maturity dates of less than three months.

Income Taxes - The Diocese is exempt from federal and state taxes by meeting the requirements of section 501(c)(3) of the Internal Revenue Code.

Donated Services - Amounts have not been recorded in the statements for donated services since no objective basis is available to measure the value of such services; however, a substantial number of volunteers have donated significant amounts of their time to the Episcopal Diocese of Arizona.

Property and Equipment and Depreciation - In accordance with Generally Accepted Accounting Principals, the Diocese is recognizing depreciation on all property and equipment with an economic life of 1 year or more. Church buildings and contents are depreciated over a 30 year life using the straight line method. Office equipment and furniture are depreciated over a five year life using the straight line method. Normal repairs and maintenance are expensed as incurred.

Contributed Property - Real estate and other property that is contributed to the Diocese is recorded at its fair market value at the date of contribution, while additions and improvements are recorded at cost.

Accounts Receivable
Accounts receivable consist of amounts owed to the Diocese for the use of the conference and camp facilities. All amounts were collected subsequent to December 31; consequently, there is no need for an allowance for bad debt.

NOTE 5 – FAIR VALUE MEASUREMENTS

Fair value is the price that would be received upon sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following fair value hierarchy is used in selecting inputs, with the highest priority given to level 1, as these are the most transparent or reliable:

Level 1 – Quoted prices for identical instruments in active markets.

Level 2 – Quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-derived valuations in which all significant inputs are observable in active markets.

Level 3 – Valuations derived from valuation techniques in which one or more significant inputs are not observable.

The Diocese attempts to establish fair value as an exit price in an orderly transaction consistent with normal settlement market conventions. The Diocese is responsible for the valuation process and seeks to obtain market prices for all securities.
NOTE 5 – FAIR VALUE MEASUREMENTS, continued

*Assets Measured at Fair Value* - Assets measured at fair value on a recurring basis are summarized below:

<table>
<thead>
<tr>
<th></th>
<th>Level 1</th>
<th>Level 2</th>
<th>Level 3</th>
<th>Total</th>
</tr>
</thead>
<tbody>

<tr>

</tr>
</tbody>
</table>

Fixed income securities are comprised of U.S. government securities and corporate bonds and are valued using quoted market prices and, accordingly, are categorized in Level 1 of fair value hierarchy.

Common stocks are valued based on quoted prices from an exchange. To the extent these securities are actively traded, valuation adjustments are not applied and they are categorized in Level 1 of the fair value hierarchy.

Equity mutual funds are valued based on the net asset value as computed once per day based on the quoted market prices of the securities in the fund’s portfolio and are generally categorized in Level 1 of the value hierarchy.

NOTE 6 - MORTGAGE LOANS FROM FUND B

Temporarily restricted assets of Fund B are to be used to make loans to any parish, mission, Diocesan institution, or to the Diocese for any church purpose in accordance with the written direction and authorization of the Bishop with the written concurrence of the Finance Committee. The assets of Fund B may also be used for the purchase of land for future missionary expansion. The outstanding mortgages at December 31, were as follows:

NOTE 7 - NOTE RECEIVABLE

In 1997, property was sold to an individual, and as part of the sale the Diocese carried back a note receivable secured by a deed of trust. In 2003, the buyer defaulted on the loan, and the Diocese wrote off the obligation from the buyer. However, in lieu of evicting the buyer from the property, the Diocese renegotiated the terms of the note and agreed to a new note. The entire principal balance together with the accrued interest is due upon sale or transfer of the property.

Outstanding balance as of December 31, 2013 $ 28,807

NOTE 8 - LAND, BUILDINGS AND EQUIPMENT

Adequate cost records of property used by the unincorporated congregations and missions and certain vacant land do not exist; consequently, the cost of such properties cannot be determined. Some of the properties date back to 1897, the year the Diocese was organized. The estimated value of the unincorporated congregations and missions is provided by the respective unincorporated congregation or mission, or insured values.

NOTE 15 - RETIREMENT PLANS

The Diocese participates in two separate pooled retirement pension plans for its clergy and lay employees.

The clergy's plan is controlled by church canon and is administered by The Church Pension Fund, Inc. The contribution is based on the clergy's salary, utility and housing allowances. The percentage of contribution for 2013 and 2012 was 18 percent.

The lay employees are covered by either a defined benefit plan or a defined contribution plan. Under the defined benefit plan the Diocese contributes not less than 9% of the employee's salary. Under the defined contribution plan the Diocese contributes 5% of the employee's gross pay and matches up to 4%. The plans are administered and controlled by Church Life Insurance Corporation, a subsidiary of The Church Pension Fund, Inc.

Contributions made by the Diocese for both plans for Diocesan employees included in the accompanying financial statements are as follows:

<table>

<tr>

Each congregation is responsible for its respective participants' coverage.
NOTE 17 – ENDOWMENTS

The Diocese endowment includes funds that are established for a variety of purposes and include donor restricted funds. As required by accounting principles generally accepted in the United States of America (GAAP), net assets associated with permanently restricted funds are classified and reported based on the existence or absence of donor restrictions.

The Diocese has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift, as of the date of the donor permanently restricted funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Diocese classifies as permanently restricted net assets for accumulations made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor restricted fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Diocese considers the following factors in making a determination to appropriate or accumulate donor restricted funds:
1. The duration and preservation of the fund
2. The purposes of the organization and the donor restricted funds
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation of investments
6. Other resources of the Diocese
7. The investment policies of the Diocese

Endowment net assets composition by type of fund as of December 31, is as follows:

NOTE 18 – MISCELLANEOUS RECEIVABLES

The Diocese advances funds to various congregations in order to cover the costs of payroll and related expenses; group health insurance; pension costs and various other obligations. The advanced funds are to be repaid as soon as possible. The advanced funds are unsecured and interest free.

NOTE 19 - CONCENTRATION OF CREDIT RISK

Financial instruments which potentially subject the Diocese to concentration of credit risk consist of money market accounts and investment securities.

The Diocese places its temporary cash and money market accounts with credit-worthy, high-quality financial institutions. A portion of the funds is not insured by the FDIC or related entity.

The Diocese has significant investments in stocks, bonds, and mutual funds and is therefore subject to concentration of credit risk. Investments are made by investment managers engaged by the Diocese, and the investments are monitored for the Diocese by a Diocesan investment committee. Though the market value of investments is subject to fluctuations on a year-to-year basis, management believes the investment policy is prudent for the long-term welfare of the Diocese and its beneficiaries.

NOTE 20 - OPERATING LEASE COMMITMENT

The Diocese leases real property to an unrelated organization under a triple net lease/purchase arrangement. The lease calls for monthly lease payments of $6,750 through February, 2017. During the term of the lease the tenant has the exclusive Option to purchase the leased property for a fixed price adjusted for inflation. Tenant's Option will expire upon the expiration or earlier termination of the lease agreement. The following is a schedule of future minimum rentals under the lease at December 31, 2013:

NOTE 21 – SUBSEQUENT EVENTS

In preparing these financial statements, the Diocese has evaluated events and transactions for potential recognition or disclosure through August 20, 2014, the date the financial statements were released.
