Anne Sawyer, The Rev. Nicholas Roosevelt. Each of nominees came forward and spoke for 1 minute to introduce themselves and accepted the nomination. The nominations were closed and the delegates were requested to write each of the nominees names in the empty boxes next to E1, E2 and E1 and place an “X” in the box next to the one nominee then fold their ballots and pass them to the center aisles to be collected.

Bishop Smith introduced The Rev. Richard Aguilar to speak on Cathy Wagner’s behalf on the Arizona Episcopal Schools Foundation. There are five Episcopal Schools in Arizona. He invited the delegates to visit the Imago Dei Booth in the exhibit hall to hear about the power of attending an Episcopal School. They make a difference. It is a source of outreach, evangelism and serves children and families of all races and backgrounds. One of the benefits of living in Arizona is that a married couple can designate up to $2,000 a year to schools and a single person can designate $1,000 which is tax deductible.

Bishop Smith called for Jack Colaric, the Diocesan Treasurer, to present the Proposed 2016 Financial Statement of Mission. Jack referred the delegates the printed copy of the proposed 2016 financial Statement of Mission on page 31 of the AZEpiscopalian magazine. He noted that the total income and expenditures for the year are expected to be $2,803,000.00. Jack Colaric pointed out the following changes from 2015-2016: Campus Ministry down $20K, Gila Bend reduced, Strategic Mission $200K funded by Alleluia Fund. We will be trying to increase the Mission Share Rebate from 1% to 1.25%. Our General Church Program will go from 10% to 11.5%. Bishop Smith asked if there were any questions.
With no questions being raised, it was moved and second that the 2016 Financial Statement of Mission be accepted. Bishop Smith called for the vote. Approved unanimously.

Bishop Smith called upon Kelly Wood to give the Chapel Rock and Baseball Project report. Kelly reported that Chapel Rock is a year round business. This year the camp served 410 campers at summer camp. $51K were covered by camperships (scholarships). Kelly introduced a few of the participants from summer camp who spoke to their experiences and what camp means to them. Kelly reported on the one disappointment at Chapel Rock is the baseball field. We had received an initial gift of $100K for phase one to build a playing field and gazebo which have been done. A large group of donors for phase 2 backed out and the neighbors of Chapel Rock were complaining about the baseball field. Some of their complaints were “Not in my back yard...”. Unfortunately, we will have to pull the plug on the baseball field project. Bishop Smith is going up to Prescott in a couple of weeks to work on repairing the relationship between the camp and the neighbors.

Bishop Smith introduced Janet Kaiser of the Episcopal Federal Credit Union who did a drawing and the winner of a $25 Red Lobster Gift Card was Janet Beason, St. Andrew’s Glendale.

The winners of the grants are: St. Andrew’s, Tucson for large print Books of Common Prayer and Hymnals and Christ Church of the Ascension, Paradise Valley for improvement to Listening Systems. Leanne invited everyone to attend Christians in Concert at San Pablo which will help raise funds for the Program on Disabilities Program Group.

Bishop Smith introduced Donna Buckles to speak about Refugee Focus – Syrian Families Relocation. Donna’s role is to connect churches with refugee families. It is important to understand who qualifies as a refugee. Someone who has a well-founded fear for their lives in their country and are running to save their life. They are to be protected. A certain number of refugees can come into the country. The program helps provide financial resources for their support. It will be about $70K in 2015 and expected
to be about $85K in 2016 to accommodate the Syrian refugees. They need the funds and staff to be in place overseas to process them. Before admission to the US they have to go through an extensive screening process. It can take 3-4 years before they are able to come to the US. They will have refugee status for 1 year then they move into adjustment status and then become a permanent resident before they can become eligible to be a US citizen. When churches sponsor families they can acclimate to the culture much faster. Churches help supply them with furniture 1 week’s food supplies. Church volunteers help them with transportation, to get bank accounts, language and with their homework. Their website is: www.refugeefocus.org.

Each delegate to Convention was given 2 tickets to place in the drawing in the Exhibit hall. The drawing was held and a gift basket was won by Maria Reyes, a painting was won by ticket holder 792851, Candles were won by Leanne Bryan and the Golf Tournament by Erin Oney.

Bishop Smith called for the presentation of Canon changes and introduced Canon Clarke Greger, Chancellor and member of the Canons Committee.

**Canon Changes:** Found on page 19 of the AZEpiscopalian magazine.
This is a constitutional amendment and must be approved at two conventions. This resolution is to do away with the Diocesan Council and transfer the authority of the Council to the Standing Committee. Article 7 would become Article 6. Recommended changes to Section 1 is to clean up some wording. In Section 6 change the language from Council to Standing Committee. In Section 6 change the language to include the language of Council to Standing Committee. By combining Article 6 and 7 would cause a trickle-down effect on proceeding articles so they would all need to be renumbered. Article 8 would become Article 7 and 9 would become 8. It was moved and seconded to approve the requested changes of Article 6-7 to combine the Diocesan Council and the Standing Committee and to renumber the subsequent Articles. It was then suggested that only the combination of Article 6 and 7 should be approved and the subsequent Article numbering be done on a separate vote. Motion was withdrawn. It was then moved and second to accept the requested changes of Article 6-7 to combine the Diocesan Council and Standing Committee. It was noted that a question came up before the Standing Committee regarding transfer of property in case of the loss of a Bishop and who would take over. It was suggested that we make the change and then work on structuring a consolidated committee in the future. The Rev. John Kitagawa recommended we pass it this year and give people time to talk about it between conventions. The Rev. Timothy Dombek noted that the Diocese of South Carolina did his and it worked very well. Judith Conley noted the concern that there is not enough knowledge about what the combined committee is going to look like. The General Convention did it 3 years ago and is still failed. Clarke Greger noted that Canon 5 has 6-7 pages which explains what the Council does. The question was raised asking how a combined committee of 20 would work. Wouldn’t this become unwieldy? Clarke Greger explained that the number of members would be worked out in the Canon. Question was raised that shouldn’t the Canon changes have to take form at the time of the Constitutional change. Bishop Smith went to the floor to reassure the delegates that the Canons Committee are doing this. Every year we have a terrible time to get people to run for these committees. Bishop Smith noted that we have a year to figure out all the details and you have next year to visit the canons. Bishop Smith called for the question by orders: Clerical – approved, Lay – approved. It was then requested that we have a standing count. It was agreed upon that a standing count was not necessary.

Canon Clarke Greger presented the proposed Canonical Amendment to Canon 1 section 4, item 3 to strike the wording “by the rector or vicar of the parish or mission in which they serve, or”. Bishop Smith called for the question and it was moved and second to accept the recommended change. Call for the vote by order: Clerical: approved, Lay: approved.

Canon Greger next presented the proposed Canonical Amendment to Canon 28. The proposed changes are mainly cleaning up of wording except in Section 2n which provides for the appointment of a Procedural Officer. It was moved and seconded to accept the proposed changes to Canon 28. The Rev. Richard Morrison noted that since this was approved by the General Convention that it wouldn’t transfer down to our Canon and that we would only need to clean up our Canon. The difference is that a church attorney handles a case and the procedural officer would handle the results. Bishop Smith called for the question by order: Clerical – approved, Lay – approved.

Bishop Smith introduced Bishop Samuel Azariah, Moderator of Pakistan. Bishop Azariah continued his talk from Friday and spoke that they have to understand “Love my neighbor” – not matter who they are or what they believe in. As a church they would like to move from dependency to confidence. Likes to have a church to church relationship and need support for women and girls development. They are a theologically bankrupt church with no seminary.
Bishop Smith introduced Archdeacon Sarah Getts. Archdeacon Getts thanked the Rev. Martha Seaman, Archdeacon Veronica Ritson, the Rev. Robin Hollis and the Deacon’s council for all the work they put on the new much awaited Deacon’s Handbook. The handbook has everything you need to know in it and explains the role of the Deacon and their responsibilities. It is a handbook and good tool for all parishes, Sr. Warden’s, Vestries and Discernment Committees.

Bishop Smith introduced The Rev. Susan Snook, Chair of the Deputation for the General Convention to give a report on the General Convention held in Salt Lake City, Utah. The Rev. Susan Snook introduced the deputies to convention. Dan Packard, The Rev. John Kitagawa, Judith Conley, The Rev. Timothy Dombek, The Rev. Bruce Jackson, The Rev. Steve Keplinger, and The Rev. Martir Vasquez. Each of the Deputies to convention gave a brief overview of what they learned and all said that they were proud to represent the Diocese. Some of the notes from the deputies are: The election of the Presiding Bishop, Approval of the Canon for Marriage Equality, 350+ resolutions, at the last convention they addressed the inclusiveness of women and at this one the relationship to racial justice came to fruition. The General Convention also passed resolution about worship and the Book of Common Prayer – minor adjustments to the Common Lectionary.

Janet Kaiser of the Episcopal Federal Credit Union who did a drawing and the winner of a Gift Card was Patricia Poll.

Bishop Smith introduced Kerri Jo Hanstein President of the Episcopal Church Women (ECW) now known as the Women’s Ministries of the Diocese of Arizona. Marilyn Hedges reported on the in-gatherings held throughout the year. Marilyn Hedges reported that 23 parishes donated $23,745 to support the United Thank Offering (UTO). The Daughters of the King met at St. Matthew’s in April. The Bishop’s Closet is an active ministry with many disbursements throughout the year. Bishop Smith thanked Marilyn Hedges for her three years of service to the ECW. Kerri Jo Hanstein reported that during the spring session they discussed such topics as Human Trafficking and HIV/Aids. In May they discussed the changing landscape of the church.

Bishop Smith called for the Rev. Scott Jones to continue with the call for presentation of Resolutions.

The Rev. Scott Jones called for the presentation of Resolution 2015-1 (Change in the Administration of Episcopal Community Services in Arizona (ECS). Frequently asked questions regarding this resolution are: Why is this resolution being put before convention when they have a separate 501C3? Is the Bishop behind this resolution – the answer is yes and it was not his first decision. What is the proposal? The proposal is to grant the shepherding of the ECS to the Standing Committee and the Office of the Bishop. The funds are to be used for children, families, and women living in poverty. What if the Bishop wants to use the funds for something? The Bishop cannot spend it for anything else. Why does the Board of
Trustees plan to transfer control? Because the Board of Trustees hasn’t been able to manage and has restricted funds. It was then proposed that the resolution be amended to read prior to any other use, the monies should be offered to the Lutheran Social Services of the Southwest. The amendment was moved and second. The question was then raised that there is a very large concern regarding the language about how we can move funds. The main concern raised was about the legality of moving legacy funds. The amendment was rejected. Bishop Smith called for the question on the original resolution 2015-1 and it was approved.

The Rev. Scott Jones called for the presentation of Resolution 2015-2 (Create Diocesan Task Force for Creation Care). After discussions it was moved and second to accept Resolution 2015-2. Bishop Smith called for the question and it was approved. There will be a sign-up sheet for those who wish to be part of the task force.

The Rev. Scott Jones called for the presentation of Resolution 2015-3 (Creation of an Ad-hoc Committee to Vision a Process of Starting New Churches in the Episcopal Diocese of Arizona. We have new church plants in Gilbert and Surprise and in the Spanish Congregations. Need a strategy and guidelines to form a committee to help structure future church plants. After discussions it was moved and second to accept Resolution 2015-3. Bishop Smith called for the question and it was approved.

The Rev. Scott Jones called for the presentation of Resolution 2015-4 (Diocese of Arizona Opposition to Capital Punishment). After discussions it was moved and second to accept Resolution 2015-4. Bishop Smith called for the question and it was approved.

The Rev. Scott Jones called for the presentation of Resolution 2015-5 (International Persecution of Christians). After much discussions both for and against the resolution a motion was made and second to table this resolution and have the group submitting it to go back and revisit it and change some of the language.

The Rev. Scott Jones called for the presentation of Resolution 2015-6 (Invest in Renewable Energy Sources). This resolution is a request for the Diocese to invest in renewable energy and divert from the use of fossil fuels. After much discussion regarding the wording of the Resolution it was moved and second to table this resolution and have the group submitting it to go back and revisit the language.

The Rev. Scott Jones called for the presentation of Resolution 2015-7 (Refugee Crisis Middle East/Europe). It was noted that this resolution is a sister to a resolution that was passed at General Convention. It was moved and second to approve Resolution 2015-7. An amendment was made to the motion to remove the duplicate WHEREAS clause. Bishop Smith called for the question and it was approved.

Bishop Smith called for reports by title which each congregation had access to online prior to convention. It was moved and seconded that the reports by title be accepted as presented. Approved unanimously.

Bishop Smith thanked all the volunteers who helped at this convention which included the Registrars and Tellers, all who helped with the Eucharist, music which was provided by St. Andrew’s, Glendale, Christ Church of the Ascension for their gift of 15 cases of communion wine which is being divvied up amongst congregations, the Children’s Program Helpers, The Diocesan Staff and above all to Cathy Black. A special thanks to Laura Smith for all her support.
The 2016 Diocesan Convention will be held on Friday, October 21 and Saturday, October 22 at the Sheraton Crescent Hotel in Phoenix.

Cathy Black reminded everyone to leave their lanyards so that they can be used in the future and to submit their convention evaluations.

The meeting was adjourned at 4:32 PM.

Christian formation is the lifelong process of growing in our relationship with God, self, others, and all creation. Every experience in our lives can provide us with the opportunity to express our faith; the challenge we face is recognizing these opportunities and learning ways to live a sometimes countercultural life in a secular world.

Archivist/Historiographer Report to Convention 2014

We are continuing to work on organizing the volumes of files and historical documents here at the Diocesan Archives. We are running out of room for storage and are getting ready to log items in a database and transfer the actual files to a storage facility at Iron Mountain. These are documents we must keep “forever” but rarely need to access. All information regarding present and previous clergy will remain at this location.

Also, we will retain information regarding churches that have closed in case someone needs baptismal or confirmation information, etc.

I often receive requests for historical information from churches that are doing a history of their church and hope that we may have something here that wasn’t kept by the church or may have been lost or destroyed for some reason. Happily, we occasionally come up with just what is missing.

If your church is working on such a project let me know if I can be of help in finding that special tidbit that you may need.

The Border, Immigration & Migration Program Group spent the year attempting to re-establish itself. The Convener met and spoke with The Reverend Ernie Galaz, Rector, St Andrews, Nogales, and The Reverend Richard Aguilar, Vicar, St Stephen’s, Douglas, & St John’s, Bisbee, several times over the course of the year. She sent a letter to Bishop Smith in early June with some recommendations concerning how to “kickstart” the group. The primary request was to have a Program Group Summit with interested clergy and lay members to discuss the mission and role of the program group. Stay tuned for more information on this event in 2015.

The main issue we worked on this year dealt with the influx of unaccompanied minors and women with children who came to this country over the summer. Many folks contacted the Diocese and the Convener about they could do to help. The Convener worked with several organizations and churches as well as Rev. Galaz & Rev. Aguilar to spread the word about what was really going on and what could be done. The three of us and others in the Diocese participated in conference calls with the Bishop and other organizations to clarify our responses. We also dealt with press inquiries and worked with interfaith organizations.

Chapel Rock Report for the 2014 Convention Journal

Chapel Rock has had a very busy and productive year. With the gracious support of the Diocese many improvements are in the works, summer camp programs were added, interest in the Aspen Creek Outdoor School, our science camp program, is gaining popularity and the challenge course program has already exceeded last years total revenue. The Chapel Rock team is eager and prepared to serve.

We are very excited to announce that the landscape and building upgrades to the challenge course area have been completed. Chapel Rock now has a multipurpose grass field that is over 10,000 square feet and an open air, 575 square foot pavilion. The pavilion offers groups the opportunity to meet outdoors in virtually any weather condition and provides a professional setting for our facilitators to stage the ropes course adventure. The grass field enhances the over all look of the area as well as gives us the opportunity to serve different types of groups. Recreation times at summer camp will have a completely different feel as our campers will be able to duck out of the sun in the pavilion, grab a fresh drink of water from our new drinking fountain and run around freely in a beautiful grassy setting.

This year’s summer camp saw a total of 428 campers in various programs. Chapel Rock introduced a new program titled L.E.A.D. which stands for Leadership Empowerment and Discipleship. The program was service oriented in nature and participants were guided through spiritual workshops led by Jesse Villegas and Melissa Fernandez. The focus of the program is to build strong spiritual leaders that will hopefully return as summer camp counselors ready to serve our future campers. The W.I.L.D. or Wilderness Introduction to Leadership Development program which runs simultaneously with Jr. High and Sr. High Camp and Children’s Camp had 32 high school campers enrolled. The goal of the W.I.L.D. program is to produce excellent future counselors and leaders. ABC and Minicamp enrolled 36 campers for 3 night stays at the beginning of children’s camp. It’s wonderful to see the young campers begin their journey at Chapel Rock Summer Camp through this program.

After 8 summers Mrs. Nancy Shumaker resigned shortly after this past summer camp season. During her time at Chapel Rock, over 2000 campers came through her program. She touched many of our campers’ lives and helped them learn about Jesus’ love. We are sad to see her go, but are excited to begin a new adventure with Jana Sundin the newly appointed Director of Children’s Ministries.

The support of the Diocese was instrumental in carrying out the summer camp mission. Over $8,000 was contributed directly to the camp through donations from parishes and individual members of the Episcopal congregation. Many parishes paid in full the tuition for their campers. Thank you for your support!

Since 2012, the Aspen Creek Outdoor School has increased the number of schools served from 20 to 35 or 75% over the same period. This elementary science camp program alone accounts for nearly half of the people Chapel Rock serves throughout the year; roughly 4500.

Lance Moody has joined our team on a full time basis. Lance has an extensive skill set in construction, carpentry and people skills. He is currently remodeling half of the Ranch dorm to serve as intern housing and has made many critical improvements to the grounds and drainage systems which have helped preserve our buildings. Lance previously worked part time on the ropes course but is now our full time maintenance manager.

This is an amazing time of year to visit Chapel Rock. We would be happy to serve you and your parish on any level throughout the coming year!
CHAPLAIN FOR THE RETIRED CLERGY AND SPOUSES REPORT FOR 2014

Activity for this year revolved around producing 290 Birth Anniversary cards, 99 Wedding Anniversary cards, folding and delivering them to Mrs. Jean Barnhill, who has addressed and mailed out our cards for the past 12 years.

Our Bishop, the Rt. Rev. Kirk S. Smith, provide a dinner at the University Club in Phoenix, in an attempt to draw more of the retirees out. The turnout was about the same as when the coffees and lunches were provided. The difference made, was that fewer overall were involved, in that Tucson area had no event. The event for the Tucson area is planned for April 24, 2015.

The Rev. Dr. Joseph King, my wife Lois and I traveled in September to Seattle for the annual Provincial gathering of Chaplains to the Retired.

We were provided with excellent speakers on subjects ranging from an update on the purpose and restructuring of the Church Pension Group, retirement and resilience, chaplain program review, pension guidelines for retirees, identity, discernment and vocation, and planning for the future.

Reports from Province VIII chaplains were provide for all attendees to inspire and inform. Some of the ideas in these reports may be worth pursuing in our diocese.

Respectfully submitted,

Spring 2014 area meetings were held at The Church of the Advent, Sun City West; Grace-St. Paul’s, Tucson; and St. Luke’s, Prescott. The altar guild program, “The NAGA 2015 Triennial: Who, What, Where, When, Why, and How” was presented by a panel composed of altar guild members Phyllis Hokanson (St. Barnabas, Scottsdale), Karen Miller and Connie Castillo (All Saints of the Desert, Sun City), and Colin Smith (St. John the Baptist, Glendale). A power point presentation designed by Colin illustrated the program.

The Bishop’s closet, Diocesan Altar Guild’s primary ministry, disbursed many items to a number of parishes and individuals during. My thanks to those parishes that donate to the Closet and enable this ministry to meet others’ needs. I continue to maintain a current inventory of the Closet’s contents and periodically distribute it around the diocese. Churches in South Dakota (Native American), the Sudan and Sierra Leone also received assistance from the Closet ministry.

Diocesan Altar Guild provides a red stole for each Deacon ordained in the diocese. Dolly Forbes and Gretchen Gottschalk make each stole by hand, and we are most grateful for their dedicated service.

Other activities in which I participated during the year:

- Set up and “manned” the DAG exhibition at the 2013 diocesan convention;
- Attended the 2014 National Altar Guild Association Board meeting at Camp Allen, Texas;
- Presented a program about working with altar guilds as part of a pre-ordination program for candidates to the diaconate;
- Visited altar guilds at St. Luke’s at the Mountain, Phoenix, and All Saints, Safford;
- Represented Province VIII Altar Guild at the May meeting of Province VIII’s ECW in Las Vegas;
- Served as program chair for the Province VIII altar guild meeting held in September at the Franciscan Renewal Center, Paradise Valley;
- Maintained the informational email network among the diocese’s altar guilds and clergy;
- Attended diocesan ECW board meetings and the annual meeting as DAG representative;
- Contributed articles on AZDAG activities to both the diocese’s ECW and NAGA’s newsletters.

It is a privilege to work with Bishop Smith, the Diocesan House Staff, and the clergy and altar guilds of the Diocese. I appreciate their interest, support, encouragement, and sense of humor that makes my DAG ministry a joy.

Respectfully submitted, Constance B. Castillo-Directress

In its seventh year of operation, the Program Group on Disability Concerns of the Episcopal Diocese of Arizona has a steering committee of eleven members. Eight members have a disability themselves. Several members have a person in their family who has a disability. Some members have worked professionally or serve as volunteers working with people with disabilities in the community. Five members are lay persons; six are ordained.

The group continues to be guided by the vision statement affirmed by the Diocese of Arizona in its 2008 diocesan convention:

*The universal call to holiness leads us to recognize that the Body of Christ is not whole when some members are not invited to full participation; therefore we envision that every person with disabilities will experience full inclusion in the parishes, missions, church properties and programs of the Episcopal Diocese of Arizona.*

Highlights of this year’s activities in which one or more members participated:

- Responding individually or with a team of requests from congregations for help on such matters as assistive listening devices (e.g., audio loops, infra-red systems) and starting a parish disability concerns group.
- Developing and conducting disability awareness sessions at various Episcopal churches in the diocese.
- Adding materials to the diocesan office mini-library on accessibility and other disability concerns.
- Staffing an exhibit table at diocesan convention with disability-related materials.
- Updating each member’s “Response Kit” developed in the first year for replying to information inquiries from congregations.
- Maintaining contact with our informal partners [e.g., Pam Baldwin of Joni and Friends, staff responsible for disability concerns in the Roman Catholic Diocese of Phoenix, Nick Martrain of the Foundation for Senior Living (Leader, Senior Care Resources for Faith Communities.) Established a deaf ministry program at St. Phillips in the Hills.
- Established a disability concerns group at All Saints of the Desert, Sun City.
- Established a disability concerns group on mental illness at St. Phillips in the Hills, Tucson.
- Continued the Accessibility Mini-Grant Program, sending each church an “invitation and application,” publicizing the program, reviewing applications, selecting a churches to receive an accessibility mini-grant, and announcing and making the awards at diocesan convention.
- Preparing for new ways to reach out to the churches in Arizona through Disability Awareness workshops with different ministries, certain areas of the State and certain churches. The workshops will assist churches in inviting full participation to every member of the parishes, mission or church properties and programs.

Leanne Murrillo CTRS, Convener
ECS is 40 years old! And we hope you’ll celebrate with us at Convention on Saturday with some anniversary cake and conversation. We have two tables in the Exhibit Hall, as well, one for us and one for the Jubilee Ministries in the Diocese.

The Jubilee Ministries are parishes and organizations that have received a special designation for their outreach programs from the Episcopal Church in New York City. Through these ministries, the Episcopal Church seeks “to preach good news to the poor, to proclaim release to the prisoners and recovery of sight to the blind, to liberate the oppressed, and to proclaim the year of the Lord’s favor.” (Luke 4:18-19)

ECS is the Jubilee Officer for the Diocese of Arizona and, as such, has the honor of assisting our 16 Jubilee ministries – All Saints, Safford; Bridging Arizona, Phoenix; Cathedral Health Services; Food for Life, Tucson; Good Shepherd of the Hills, Cave Creek; Grace St. Paul’s, Tucson; Imago Dei Middle School, Tucson; Interfaith Cooperative Ministries, Tucson; Justa Center, Phoenix; Naco Wellness Initiative, Naco, Sonora; St. Andrew’s Children’s Clinic, Nogales; St. Andrew’s, Sedona; St. George’s, Holbrook; St. Mark’s, Mesa; St. Philip’s in the Hills, Tucson; and Trinity Cathedral -- in their work and grant writing. Please come by our Jubilee Ministries table to learn more!

My first six months (the latter half of 2013) were spent working with the Board on infrastructure – finishing the three-year Strategic Plan, integrating a fund raising plan, and putting in place policies and procedures to undergird the organization and help with retention of donors, our lifeblood. This year, we have strengthened the Board with several new members – The Rev. Scott Deasy, Flagstaff; The Rev. Ernie Galaz, Nogales; The Rev. Lisa Goforth, Lake Havasu; David Howell, Phoenix; and Dan Packard, Phoenix -- adding corporate experience, geographic diversity and financial and legal expertise. It is heartening to know we are attracting deep thinkers and committed activists to our midst.

It is clear we have increased visibility, as we have doubled our database, doubled our contributions, and nearly doubled the number of grant requests. I will be announcing our 2015 Annual Grantees at Convention; our Trustees and Grants Committee were impressed with their scope and planning, and we are excited by the concepts presented.

As we work alongside you and your parishes, we are continually refreshed and inspired by the work being done across the state, and thank you for your service and for letting us be part of it. I look forward to personal visits with many of you in the coming months.

Love and peace to you all,

Pauline Urbano Hechler
Executive Director
The Diocese of Arizona established the Diocesan Millennium Development Goals (MDG) Committee in response to the 75th General Convention resolution that requested all dioceses establish a commission or similar body, which would be dedicated to mobilizing Episcopalians toward the achievement of the Millennium Development Goals (MDGs) by 2015.

The Diocesan MDG Committee comprised of lay and clergy from throughout the diocese, began meeting prior to the 2007 Arizona Diocesan Convention. The Committee proposed Resolution 2-2007, which encouraged all congregations to move toward designating 0.7% of their income to support the international outreach efforts of the MDGs.

The MDG Committee has accomplished the following this year:

- Reviewed MDG project requests and awarded 10,660 dollars in matching funds for a total of $21,320 funded for projects:
  - Heart and Hands School Project, Haiti
  - Naissance de Maison Maternal Birthing program, Haiti
  - Zanmi Beni Orphanage (ZBMO) Cange, Haiti

Funds remain for additional grant(s) for this fiscal year. Of note, all three grants awarded so far this year have been to fund projects in Haiti. At this time there are five known congregations that are supporting ministry efforts in Haiti through their time, talents, prayers and financial support.

The MDG committee convened a group to "re-imagine" the committee in response to the pending Millennium Development Goals 2015 target end date. The committee is exploring the expansion of our mission to include addressing issues of severe poverty within our midst along with the existing international efforts.

The Committee offers continued support for the efforts by churches throughout the Diocese to meet the goal of eliminating extreme poverty and advocate for participation by all churches and individuals in addressing the issues of poverty and the impact of poverty upon our communities and world.

Committee members consist of:
Judith Conley, Lucinda Mellott, Beth Carson, Rebecca Pearson, Jeff Leatherman, Jeff Jameson, Gloria Dayley, Martha Seaman, Barbara Stone

Mission Share Rebate Report to the 54th Diocesan Convention

Benson, St Raphael in the Valley
The Bishops Committee of St. Raphael’s, Benson, voted to spit the Diocesan refund. $135.00 was given to a Travelers Aid program run by the Benson Police Dept. They assist people traveling through town who find themselves stranded or in need of a little help to travel on. A portion of this fund was given by St. Raphael’s to a traveler who contacted us and is not included in this total). $615.00 was presented to the Senior Meals Program. This organization struggles each year to raise the required funds in order to maintain the program. They currently have 50 people on the waiting list.

Both of these organizations were most grateful for this unexpected windfall and we felt blessed to help in a small way.

Casa Grande, St Peter’s
Saguaro Elementary School project involving several volunteers who help tutor, aid in classrooms, participate in Mayor’s Reading Program, assist with fundraisers and chaperone for field trips serving the 700 plus children at Saguaro, a school serving one of the poorest neighborhoods in Casa Grande.
St Peter’s is located in one of the poorer areas of Casa Grande. Three years ago, wanting to expand our presence in the neighborhood and to do what we could to help the children, St Peter’s “adopted” Saguaro Elementary School. Many of our members are former teachers and school administrators so helping a school seemed like a great fit. Also, the Elementary School superintendent happens to be a member of St Peter’s so he was able to put us with the school that has the most needs. Several members volunteered to fill different needs at the school. In addition we have a back pack program where members bring donations of school supplies and back packs and then we assemble them into pack by grade level. The first Sunday of each month is dedicated as “Outreach Sunday”.

When the Mission Share Rebate started we decided that we would do what we could to further help the school. After several meetings with their principal, it was decided that since teachers often spend money out of their own pockets to provide teaching tools for their classrooms, we would give each teacher a $25 gift certificate to Lakeshore Learning.

Cave Creek, Good Shepherd of the Hills
Ezekiel Vision Ministries involving Daughters of the King, Men’s Group and Hispanic Committee serving Hispanic children and families in Cave Creek and single senior men in the Cave Creek Community.

This is a complex of programs, not a single program. The program contains a tutoring ministry for Hispanic students; a developing Hispanic ministry in the congregation with periodic worship services held at Good Shepherd; a ministry serving single senior men in the Cave Creek area. We have been building trust with the Hispanic community in Cave Creek, and are looking forward toward a long-term ministry with the community.

Chandler, St Matthew’s
Friends Club or Club De Amigo’s is a program designed to build community with neighboring families by providing a free, healthy lunch prepared by our youth along with activities to
build relationships while meeting specific needs of the children who participate. The youth facilitate games, activities and craft, while also offering tutoring and one on one reading partnerships. This group meets on the 1st Sunday of every month for 3 hours.

The Diocesan Mission Share Rebate is being used to purchase food, materials and supplies for games, crafts, etc. Additional costs would include, but are not limited to advertisement, printed flyers and signage.

We are thankful to offer this ministry to neighboring families, but are also blessed to give our youth another opportunity to serve. They have taken the leadership in this program which gives them the accountability to prepare menus, shop for food and supplies, and implement the overall program.

**Flagstaff, Church of the Epiphany**

RAK has 3 events during the year, South in Your Mouth Dinner, Christmas Bazaar and the Chili Cook-Off to raise money for RAK. In May RAK sponsors a Silent Auction and Dinner with the donations from the Flagstaff community and members of Epiphany. RAL gave 9049.00 to each of the four non-profit organizations listed above.

**Glendale, St Andrews’s**

7 Circles of St. Andrew’s Labyrinth involving Leaders and small groups serving Members of the Parish and guests.

The Labyrinth is a spiritual tool, for contemplation and meditation. It has only one path, the way in is the way out. This labyrinth is a right brain task. It involves intuition, creativity, and imagery that will help to find the center and create a spiritual balance. This 7 Circles will help to create a basic level how to focus in the journey to the center and gain understanding of who you are. It is open to everyone in the community, since we invite the members of the parish, Sunday school children, Youth groups, Hispanic Women’s group and it has been a benefit to all the groups that worship at St. Andrew’s.

**Glendale, St John the Baptist**

Youth and Community Festival on May 3, 2014, involving support of our Vestry, ministry leaders and volunteers, our Youth Director, Joel Joa, serving the neighboring community. With the support of our Vestry, ministry leaders and volunteers, our Youth Director, Joel Joa, organized a fun filled festival. Promotions for the event were sent out to other supporting congregations and the surrounding community.

A group of 25 volunteers gathered to set up for the festivities that morning. The church's east parking lot was transformed into a playground filled with inflatables, games, face painting, and concessions, all of which were free to the community. Approximately 200 guests attended. Around 7 p.m., everyone gathered in front of the main stage and enjoyed additional entertainment hosted by Musicians Changing Lives Music Group (MCLMG). Kamaron Howard, the group’s emcee for the evening, kept the crowd entertained with his interactive games and skits. Later that evening, the MCLMG urban artists graced the stage.
with music and dance performances. Akin Akinwande and Jesse Villegas wowed the crowd with their outstanding Contemporary Hip Hop dance routines. Julio Torres delivered an inspirational performance as he sang spiritual songs. The night came to an upbeat closing after our Youth Director, Joel Joa, blessed the audience with an uplifting prayer and worship set— but not before all the attendees were on their feet, dancing to some of his original music.

Overall, the festival was a great success. Some of the community attendees have begun worshipping with us. We look forward to next year’s festival. Our thanks go to you, Bishop Smith, and the Diocese as a whole for your support, both with the Mission Share Rebate, and with your prayers and great leadership.

**Green Valley, St Francis-in-the-Valley**

Stephen Ministry involving 4 Lay members who have been sent for leadership training and an initial class of 10 members successfully completed the training to be Stephen Ministers last year. We are accepting applications for a second class to begin soon. Services are offered both to people in the church as well as those in the larger community. This has also brought us into a larger network with other churches in our town who are involved in the Stephen Ministry program. The community of Green Valley, AZ was founded as a retirement community back in the 1960s. The majority of homes exist in age-restricted communities. The median age in Green Valley is about 72 years old. The median age in the parish is about 77 years old. Serving an aging population presents a unique set of challenges to say the least. There is much offered to the retired residents in Green Valley by way of hobbies and activities. But there are many issues with aging that go far beyond just the health concerns. There is a lot of internal pain as our elderly deal with the changes of life. We exist in a concentration of people who can benefit greatly by having that specially trained person provide one on one care and walk with them through the difficulties they’re experiencing. Our investment in the Stephen Ministry program is one of the most important and useful things we’ve done at St. Francis Church.

**Kingman, Trinity Church**

Over the past several months, Trinity Church has been preparing to launch a Spanish Language service to serve the Latino/Hispanic community of Kingman, which is terribly underserved by the churches of this city. To date, we have gathered hymnals, prayer books and Bibles, and we have been reviving our high school Spanish. (Except our Children’s Minister who is fluent and is a great tutor for the rest of us.) Our plan is to have a “soft” opening in late October and a major introduction of our service to the community for the beginning of the season of Advent.

We have received significant language, cultural and spiritual support from two independent Catholic priests in the area, one of whom is Latino; the other served in Argentina and also served a Spanish speaking congregation in the valley.

**Lake Havasu City, Grace Church**

Grace Food Bank involving the entire congregation and interested members in Lake Havasu City community serving the hungry and homeless in the community. The Grace Food Bank provides food and toiletries for the hungry and homeless in the Lake Havasu City area. Working in conjunction with the Social Services Interagency and other churches and service organizations in Lake Havasu, any person who is in need of food or
toiletry items can come once a week for bags of food to supply their needs. Each person is given a bag filled with at least one full breakfast, lunch and dinner and often other staples such as bread, peanut butter and jelly and other items as needed. In addition to use of mission share support funds, other sources of income and supplies come from Grace parishioners and a few supportive individuals within the Lake Havasu community who desire to contribute and assist those less fortunate within the community or those who are in transition from one place to another. No one is refused food if they need it and we have it. Parishioners also participate by gathering various bags for the food and resources to be distributed.

The Blessing Way in Providence, RI involving the Vestry of Grace, parishioners John and Cherie Martin and all those at Grace supporting the transition of those who transitioning back into society after incarceration.

The Blessing Way is a faith-based, social service agency which provides spiritual support and guidance to men and women who are returning to the Providence, Rhode Island area from prison or drug treatment. Eligibility for the program consists of those transitioning to demonstrate commitment to emotional and spiritual growth and a drug-free, crime-free lifestyle. This program also provides counseling for individuals in transition to find jobs as a means to re-engage in the community. Funds in the amount of $300 were used from Grace to support two individuals in taking a landscaping course to be certified as landscapers as an entry level job opportunity.

Litchfield Park, St Peter’s
Thursday Night Live involving Tony Hoover, Liz Hegst, Selena Guzman and Allison Overly-Stokes serving youth in grades 6-12.
St Peter’s provides worship, dinner and small group discussions to over 25 teens every Thursday night. Signage with the church’s new “brand” has also been installed.

Mesa, Church of the Transfiguration
Outreach involving Vestry, Outreach Groups and Congregation serving needy people in both the local and broader community.
The church of the Transfiguration has decided to dedicate its Mission Share Rebate to outreach projects serving global, national and local efforts.
Global – Transfiguration will sponsor a student at El Hogar de Esperanza, and Episcopal home for poor children in Tegucigalpa, Honduras. A mission trip is planned for summer of 2015.
National – Transfiguration will send money to Episcopal Relief and Development to help those in need in the United States.
Local – Transfiguration will use some of its money to expand its food bank initiatives. The money will be added to our million meals program which supports food programs through the United Food Bank in Mesa. Church members will be volunteering at the United Food Bank and other food programs in the East Valley.

Mesa, St Mark’s
Spanish services involving priest, Altar Guild, one Bishop’s Committee member and new parishioners that attend the Spanish Service at 1 pm on Sundays serving Hispanic parishioners.
We offer a Spanish Mass on Sundays at 1:00. The entire service is in Spanish and we have purchase Spanish Hymnals and Spanish songbooks. Our music is pre-recorded.
4 of our parishioners attended the leadership training program that Carmen Guerrero ran the weekend of August 23. We helped 9 Spanish children attend Summer Camp at Chapel Rock in Prescott this summer. We also had children attend our Vacation Bible School held here at St Mark’s.

**Morenci, SS Philip & James**

Vacation Bible School with Kate Tachie-Menson, Amie Savage, Suzanne Cuthbertson and Fr. Allen Breckenridge involving children, ages 3 to 12 in the surround community. Along with a grant from ECS, Saints Philip and James was able to offer Vacation Bible School for the first time to the community youth. 13 children were able to take part in "Clean Water for All God’s Children" over the three day event.

**Nogales, St Andrew’s**

St. Andrew’s Children’s Clinic provides free, specialized medical care to children living in Mexico who cannot get the care or afford the care they need in their home country. Specialties include Pediatrics, Orthopedics, Neuromuscular, Ophthalmology, Physical Therapy, Speech Therapy, Vision, Hearing, Prosthetics, and Nutrition. The Clinic is held at St. Andrew’s Episcopal Church in Nogales, Arizona. St. Andrew’s Children’s Clinic, a non-denominational, non-profit organization, with a volunteer professional health care staff, sees approximately 225-250 children the first Thursday of each month except July. In October, in cooperation with Children’s Surgery International and CIMA Hospital, approximately 40-45 children have cleft palate/cleft lip surgery in Hermosillo, Sonora, Mexico. St. Andrew’s Church, in addition to providing space for the clinic, also provides logistical support, set-up and take-down, website maintenance, public relations, tours for visitors, translators to several departments, and kitchen volunteers.

**Oro Valley, Church of the Apostles**

Caring for Our Catalina Neighbors involving Mimi Hutton is Church of the Apostles Mission Coordinator. She currently has six volunteers who are waiting to complete the orientation process and begin serving Coronado students serving Kindergarten through eighth grade students at the Coronado School in Catalina, AZ, as well as the wider Catalina community through our support of the food bank.

We have identified a specific need in our nearest neighboring community Catalina. A significant number of the public school students could benefit from tutors. For the most part their parents do not speak English well enough nor have mastery of American education practices sufficient to assist their children with homework. We discovered the need when an Apostle’s family asked the vicar to help them find a math tutor for their son and explained that many of their two son’s peers face the same situation, become discouraged, and fall behind academically. We are currently working with the Amphitheatre Public School system in Catalina to set up tutoring opportunities which will begin in September. The first school we
hope to serve is the Coronado School, kindergarten through 8th grade. Volunteers will be asked to make a significant commitment, not only completing “Protecting God’s Children” training but also being finger printed for a background check and going through an orientation. The Public School Volunteer Coordinator will be available to work with us in August and begin setting up a tutoring schedule. Once this phase of our partnership with Catalina is established we look forward to expanding our partnership to include a mentor Lunch Buddies program, using some of the assessment monies to take our students out to local lunch spots as well as providing “Weekend Backpacks of Love,” backpacks filled with healthy snacks for children who depend on school lunch subsidies on weekdays. Meanwhile, we provide food and personal items for IMPACT of Southern Arizona (formerly Catalina Community Services).

Paradise Valley, Christ Church of the Ascension
We received $3900 in Mission Share Rebate funds. We gave $1000 to Fr. Anderia Lual for his trip to the Sudan in the summer taking water filter purchased from the offering at the 2013 Diocesan Convention. We gave $3000 to Habitat for Humanity locally here in Phoenix. Our Men’s Group has been particularly active in supporting local Habitat.

Payson, St Paul’s
Project “Feed my Sheep” involving 12 active members that work at the food bank serving the needy and homeless
The most pressing need in Payson is feeding the homeless and less fortunate. With the diocesan rebate we have been able to enter into an ecumenical food bank with the Presbyterian, Methodist, and ELCA Lutheran churches to expand the very small food bank started at the Presbyterian Church.
We have been able to expand the hours to include evenings so single mothers that work, but do not earn enough to put a roof over their children’s heads and feed them, are able to come in after work. As of August 31, 2014 the food bank has served over 1300 families which added up to 5,800 people, with 2,760 food boxes.
The excitement over the diocese making this possible has generated additional contributions to date totaling over $2,430. We cannot thank the Bishop enough for making this all possible.

Phoenix, All Saints’ Church & Day School
North Central Family 5K involving staff and dozens of volunteers to benefit Saint Paul's Church and School, Haiti

Using our Mission Share Rebate, All Saints' hosted our second annual North Central Family 5 K race and fun run on May 3, 2014. Several hundred runners and walkers participated, drawing attention in our neighborhood to All Saints’ Church and School. Proceeds were split equally between children and youth ministries through All Saints’, and our partner church and school, Saint Paul's in Haiti for a clean water project.

Phoenix, Iglesia Episcopal de San Pablo
Food Program involving two coordinators and community participation serving Sojourner Center in Phoenix

Once a month (third Sunday of the month) people are encouraged to bring food items that can be stored in a bag to present at offertory time. The food is collected and taken to
Sojourners Center in Phoenix. The Mission Share Rebate is being used to purchase food to supplement the donations.

Phoenix, St Stephen's
St. Stephen's Food Bank involving a large number of parishioners who support the food bank with donations of food and funds. Approximately 15 people volunteer in the weekly running of the food bank, making up food boxes, picking up and delivering food, greeting neighbors requesting food and distributing food boxes. The food bank serves anyone in need may obtain a food box from St. Stephen's food bank. People from all over the valley visit us each

St. Stephen's Food Bank operates every Wednesday from 9:00 am to noon. There are no restrictions for eligibility, only a photo ID is required. We work with St. Mary's Food Bank to help stock our shelves. We serve 40-50 household each week. Emergency food boxes are available through the church office when the food bank is not open.

Phoenix, Santa Maria
Backpack project involving the congregation serving children of the church. We used the mission share to purchase Back Packs for the children. Then we had a fire in our office at Santa Maria and we lost most of the back packs that we had not yet distributed. However our partner church, Church of the Nativity in Scottsdale helped us to be able to purchase some more and all the children got a back pack this year.

Prescott, St Luke's
Getting to Know Saint Luke's involving Communications Commission, Rector, Wardens to benefit 70% of the citizens in Prescott, Prescott Valley, & Chino Valley who survey data show read the Daily Courier Newspaper (we have no local TV)
The discount advertising program is a special one available to non-profits where each Thursday we run a display ad in the newspaper. Most are B & W but we have three larger-size color ads that we use for special occasions such as Christmas, special programs at the church, and will use one to announce our new Rector. We use this advertising system to educate the public as to who we are, where we are located, and invite them to worship with us or to attend a special event held at our church, such as the Prescott Chamber Orchestra which holds four concerts each year at our church. We also use the ads to publicize our widely-known “Don't Spend Christmas Alone” where we feed 700-800 people a Christmas dinner in our parish hall and also deliver meals to many who cannot leave their homes. This program is an important “Window to the Community."

Phoenix, Trinity Cathedral

In late 2013, the chapter of the cathedral voted to use the Mission Share Rebate for purposes of evangelism, specifically towards those at the ASU Downtown Campus. Timothy Watt, along with clergy from the Cathedral, partnered with other local downtown congregations of various denominations and began to meet as an official group of ASU called CORA, the
Council of Religious Advisors. CORA meets monthly and hosts two opening weekend welcome events to campus. The council also hosts several events closer to the Thanksgiving and Christmas holidays, and hosts a rather large all-campus volunteer day of service in the late Spring. There have been various ways that the people of Trinity have been able to participate in this. Trinity anticipates that in 2015 the CORA program may focus on things outside of the cathedral’s initial intention of evangelism to the downtown campus. The Rev. Whitney Kirby along with the Dean are evaluating the CORA program and, with the Cathedral Chapter's direction and approval, will seek to refine the participation in the program as fits our ministry goal of evangelism.

Scottsdale, Church of the Nativity
Part-time Children’s Education Director serving 50 Nativity children ages 4 through 5th grade Shelly Byrnes coordinates children’s ministries at Nativity. Part of her children’s ministry salary is paid by the rebate. The church pays the rest of her salary.

Tempe, Church of the Epiphany
Harvest for Humanity is open to Christian Education, Adult Education, Youth Ministry, Vestry members, and any parishioners who are interested in helping out in the garden, typically about 2 hours a month and the program serves food banks in the east valley and the community cancer clinic in downtown Phoenix which serves the uninsured and poor. Harvest for Humanity is a sustainable and organic garden located in south Tempe on about two and half acres. The garden provides fresh fruits and vegetables to food banks and a cancer clinic so that along with canned and boxed goods families and individuals also receive a box of fresh fruits and vegetables. In the case of the cancer clinic, patients are provided with “super” vegetables loaded with nutrients and vitamins to help sustain them during chemotherapy and radiation. The Executive Director, Denise Phillips, also searches for land not in use or too small to be of use in poor neighborhoods and creates sustainable garden which she then turns over to the neighbors to care for. One such garden is located in south Chandler and has served to bring neighbors together to care for and maintain the garden as well as reap the harvest it produces.

Tucson, Grace St Paul’s
Social Service Ministry Program involving Office volunteers, church staff, and Deacons serving anyone in need of any kind of assistance in the community Grace St. Paul’s Social Services program operates from 9 AM to Noon each day. Anyone who is need can access the program. We specialize in assisting people with getting government issued identification and short term transportation needs. We also help with short term housing in emergency situations. We act as an umbrella organization to locate assistance for those who have other needs. The Social Service program works closely with our food pantry and showers program to identify needs of those being assisted by those programs. Mission share rebates are used to partially fund this program.

Tucson, St Andrew’s
We have not received our rebate. However we are grateful for the diocesan support that allows us to be a welcoming place to deepen spiritually, nurture relationships, and feed our neighbors.

Tucson, St Philip’s In The Hills
Expansion of our Children and Family Ministries involving The Rector, the Vestry, the Commissioner for Children & Family Ministries, parents and children serving Children from nursery through age 12. Several years ago, the Vestry developed a Mission Strategy to grow the congregation and to better serve our Tucson community. One of the priorities and keys is to develop our Children and Family ministries by reaching out to, inviting, welcoming, and incorporating new families. Our efforts have been limited by the amount of staff time. Volunteers have stepped forward, and we have seen growth. The Church School is doing well, and the children seem to be thriving. However, one of the identified areas of need of attention and creativity is how we can better serve the needs of families. With staff retirement and this rebate, we have taken the opportunity to "upgrade" the staff position, to continue the development of the church school, and to develop the ministry with families.

**Winslow, St Paul’s**
St Paul’s Rice and Bean Give-Away Ministry involving Bobbie Bealer, Sue Currier, Jonni and Tommie Horton, Russell Meikle, Shirly Sackett, Pixie Baker, and Sally M. from Madre de Dios Catholic Church along with other members donate rice and beans. St. Paul’s began its mission share rebate ministry in August of 2013. As of July, 2014 we have completed 12 months of this ministry. The ministry is called St. Paul’s Rice and Bean Give-Away Ministry. On the first Saturday of each month, members of St. Paul's congregation (and one non-Episcopalian friend) gather to bag rice and beans and give them out to anyone who comes to the door, from 10 AM to noon. An average of 27 people come to the door each month, representing an average of 91 family members.

All ethnic groups represented in Winslow are served: Native, Hispanic, Caucasian, Black, and Asian. We gave one pound of rice and one pound of beans for each 2 persons in a family. We served a total of 321 persons representing 1,088 family members in the 12 months since we began. Some who come are "regulars", and many are new faces each month. Rebate funds are used to purchase advertisement in the Scoop each month and to purchase any supplies (rice, beans, and plastic bags) needed beyond what is donated. To date we have received $444.51 in rebate funds, and spent $372.80 on advertising and supplies; leaving a balance of $71.71.

Other churches in the community have also donated some supplies when they can, including several 50 pound bags of lentils and a box of emergency meal mix. Occasionally someone will donate other foodstuffs or clothes which are given out with the rice and beans. So far we have given out 544 pounds of rice, 544 pounds of beans (primarily pinto) and about 150 pounds of lentils.

**Williams, St John’s Episcopal-Lutheran Church**
Mission and Outreach to Traveler’s Aid involving Marc McDonald and Pat McShane serving stranded travelers and emergency needs of local residents with contributions to other churches. The program assists travelers, residents and the implementation of the Salvation Army Program.

The Native American Ministry Program Group (NAMPG) began the year attending Cook Native American Ministry Suicide Prevention within the Native communities. This was designed to bring attention to the high suicide rate within the Native communities nationwide, especially on the reservations. The native communities and various organizations are now beginning to focus on awareness of this issue and how we need to move forward in working towards prevention and healing.

NAMPG is also supporting Rev. Robert Berra at ASU Polytech pastoral student association. Vivian Winter Chaser and Dorothy Saucedo accompanied the student group to Fort Defiance, Good Shepherd Mission in March, where we helped get a portion of the Utah House ready for painting, etc. We attended Sunday services at St. Mark's, Coal Mine, NM and Good Shepherd Mission in Fort Defiance. We had to return a day early due to illness, Rev. Berra and the students stayed to complete what they could with the repair/painting. This was a fun trip as we got to know each of the students and bonded with them as our grandchildren, we are very blessed indeed.

Deacon’s Vivian and Dorothy have been teaching Native Spirituality, 3 Sunday’s in February at St. Augustine’s Adult Forum, for the Interfaith Community in Tempe, and most recently for the Province VIII Altar Guild at the Franciscan Renewal Center. They are scheduled for St. Matthew’s on October 19th, arranged by Deacon Sue Youngblood. We encourage you to sign up at our booth during convention if you would like for us to present at your church. We have also been to Ms. Harriet Cole’s South Mountain College Storytelling class to ‘tell our stories’ on Native Spirituality and Residential Schools.

Our biggest event is coming up in October: Native Saints/Native American Recognition Day, October 11, 2014 to be held at St. Augustine’s Episcopal Church in Tempe, Arizona. It includes the Holy Eucharist, a luncheon and a panel forum on Native American Ministry in the Diocese of Arizona.

We want to continue to be a presence in the Diocese of Arizona. We have 22 recognized Native Nations within the state and we should continue to work within our own individual communities to bring people into the church. God’s blessings to each of you for supporting us.

Nature & Spirituality Program – Annual Report 2014

The goal of the Nature & Spirituality Program is to help reconnect people with God through nature by offering opportunities for worship that combine worship/meditation in an outdoor setting.

Currently there are 4 persons on the Nature & Spirituality Team including the convener. The team met in December to discuss our goals for 2014. After a year of learning a variety of practices that incorporate worship in an outdoor setting, the team agreed it was time to branch out and start engaging our own congregations in these practices. The plan was to hold a monthly meeting at or near one of our parishes each month and feature a worship service or meditation practice that could be conducted outdoors. In 2014, we held meetings at St. John’s in Glendale, St. Andrew’s in Glendale, and at regional parks (North Mountain and White Tanks).

In early January, a full day retreat was held at the White Tank Regional Park in Waddell. This “Journey with the Son” was attended by 13 individuals who arrived at the park before sunrise and remained there until after sunset. A variety of worship/meditation practices were introduced including morning and evening prayer services, lectio divina, the body prayer, focused meditation, labyrinth walk, drawing meditation, prayer circle using Anglican prayer beads, and listening meditation. A brunch as well as a potluck lunch was provided. The team plans to hold another retreat in January, 2015.

Family issues caused the Convener to be absent for Lent and the Easter season so the Stations of the Cross services planned for regional parks were cancelled. In the summer months, we continued offering an Evening Prayer service led by the Convener at the White Tanks Regional Park in Waddell followed by a short, non-strenuous Moonlight Hike led by a park ranger. Services averaged 6 people. Holding Evening Prayer outside at sunset is truly a spiritual experience.

In the cooler months, we include a short, non-strenuous hike with the meditation occurring at the midway point on the hike. At present these sessions are attended by the 3 people that signed up for the Diocesan Program, though guests and parishioners are welcome and have attended in the past. It is anticipated that those attending these sessions will be able to share the process with members of their congregations and other churches.

The Convener is in the process of creating a website for the Nature & Spirituality program. Currently, the Diocesan website is under construction. As soon as the Diocesan website is stabilized, the Convener will be trained on the new system and will be able incorporate a listing of resources, an events calendar that will include relevant events throughout the Diocese, an explanation about the team and suggestions for incorporating outdoor worship practices. In addition, information gathered from churches that responded to a 2013 survey regarding gardens on their premises will be featured. This section of the webpage will include photographs, recommendations, and contact information with the hope that more churches in the Diocese will consider adding a garden on their campuses or using existing gardens for services. Members of the Nature & Spirituality Team would be available to help churches think “outside the box” of a church building and use God’s creation as a worship venue. The idea is to create a connection with God by holding some church services outdoors such as Stations of the Cross, Morning & Evening Prayer, and Blessing of the Animals. Services held outdoors may also be a way to reach the unchurched.

2014 Partnership Report to the 54th Diocesan Convention

Benson, St Raphael in the Valley
Partner: Trinity Lutheran Church, Wilcox
Since moving into our new church building and working with our new Vicar, we feel it's important for us at this point to partner with many local churches and community leaders. We are working to build community and grow our parish and to that end we have established relationships with several churches in Benson.
Partner: Southern AZ Interfaith
St Raphael’s has been involved in Southern Arizona Interfaith activities.

Casa Grande, St Peter’s
Partner: St Matthew’s, Chandler
St Peter’s and St Matthew’s formed our partnership before the end of last year’s convention. It was thought that, because St Peter’s was just starting a new youth program and St Matthew’s had such a vibrant program, that St Matthew’s would be in a position to provide tips and ideas to get us started. We had one meeting at St Matthew’s to discuss possibilities for using our partnership to the fullest. Jacob Kelty, our Youth Minister, met with their program leaders on several occasions. Unfortunately, Jacob has since left St Peter’s and St Matthew’s has a new Rector so things have been put on hold for a while.

Cave Creek, Good Shepherd of the Hills
Partner: Foothills Food Bank
We have an active partnership with both of these organizations. The Food Bank receives significant financial support from Good Shepherd each year through our Outreach Committee and on the first Sunday of each month we collect food for the Food Bank. We also contributed significant funds toward the purchase of their new facility in Cave Creek. Good Shepherd and the Food Bank also refer individuals to each other for various types of help. Pam Di Pietro, the director of the Food Bank, has given presentations at Good Shepherd over the years.
Partner: Foothills Caring Corp
We also partner with Foothills Caring Corps. They Supply us with a van which is used in various youth functions and the Good Shepherd Men’s Group is beginning a ministry to single senior men in the community in partnership with the Caring Corps.

Chandler, St Matthew’s
Clarkdale, St Thomas in the Valley
Coolidge, St Michael’s
Douglas, St Stephen’s

Flagstaff, Church of the Epiphany
Partner: Canterbury Episcopal Ministry at NAU
Epiphany Youth Group meets at the Canterbury House every Wednesday Evening; Parish members participate in refurbishing the Canterbury Facility; Parish members provide food for Canterbury Worship every Monday night; A parish member provides her services for marketing; Parish members serve on the Canterbury Board; Epiphany has provided furniture and worship supplies for Canterbury’s use; Parishioners volunteer for staff positions (Facilities
Canterbury Students participate in Epiphany's worship services; Brad Eubanks, Canterbury's Chaplain attends Epiphany's staff meetings; Sharing of the pulpit; Gila Bend, Epiphany on the Desert
Partner: St Stephen’s, Phoenix
Epiphany has been partnering with St Stephen’s, Phoenix for the past five years. Some of our joint ministry efforts are collection of school supplies for Gila Bend Elementary; collection of diapers, formula and other baby items for single and teen-age mothers in the area and collection and distribution of toys and other gift items for Christmas time. We have developed a relationship with Care First, a local social service agency that assists Epiphany in identifying individuals in need and in distributing items collected. Epiphany also supports the St. Stephen's Food Bank providing peanut butter and jelly each month for us to distribute to our patrons. Our churches have supported each other in improving and maintaining our properties.

Partner: Grace St Paul's, Tucson
Unfortunately, our newly formed partnership with Grace St Paul’s got off to a bit of a rocky start. The plans for a charity drive fell through. However, their choir made a few trips to Epiphany to share music which is always appreciated as we have none.

Additional partners: Staples, Kinko’s/FedEx, Artie’s Ace Hardware
These partners all provide discount services for Epiphany.

Glendale, St Andrew’s
Partner: San Antonio Mission, Rio Dulce, Guatemala
St. Andrew’s, Glendale in partnership with San Antonio Mission in Rio Dulce, Guatemala renovated the chapel of San Antonio, an Episcopal Mission in the northeast of the Diocese. We were also able to build a new sacristy, bathroom and share the tools that were used in the construction project. We also furnished Sunday school supplies, two sets of Communion and Altar Linens and in partnership with San Antonio we also delivered backpacks to 75 students and 20 Teachers Bags to a local Primary Government School. This project was completed in February 2014.

Partner: All Saints on the Desert, Sun City, Glendale
St. Andrews, Glendale and All Saints on the Desert, Sun City came together on April 26, 2014 to paint a house in El Mirage as part of a project through the Episcopal Coalition of Habitat for Humanity. We enjoyed the fellowship of working together to make a difference in our action of outreach and partnership.

Glendale, St John the Baptist
Partner: St. Paul the Apostle Sudanese Church &
We had attempted to form a partnership with St. John's in Globe, but without success. So we decided to assist the Sudanese Church at St. Paul's. We invited Father Anderia Arok Lual to address our congregation on how we could help the people of South Sudan and he and our Father Jackson decided to embark on making a stronger bond between our congregations. We raised over $1,700 for him to take to South Sudan to assist displaced pastors. Fr. Jackson also led a seminar on Evangelism at St. Paul's lay leaders’ retreat at the Franciscan Renewal Center on Saturday, September 13.
Partner: St. Mary’s, Phoenix
When St. Mary’s had a fire, we sent over $2100 to them for assistance that they might need above their insurance coverage.

Green Valley, St Francis-in-the-Valley
Partner: Imago Dei School
Imago Dei School for several years helping with support such as school supplies, backpacks, and monetary donations. However, there was a desire in our congregation to engage on a different level which led to the partnership. A group has requested to be "honorary grandparents" to the school children, especially the graduating class. Last year this was portrayed by the presence of these "grandparents" at the Graduation and a representation at the Baccalaureate Service to offer a gift to each of the graduating members. We are presently in discussion about ways in which members of the school will reciprocate in the partnership by coming to the church. Some possibilities discussed involve possible manual labor helping to clean up the church yard as well as presence at church events and perhaps some Sunday mornings.

Partner: Pascua Yaqui Village
There has been a desire in the congregation for several years to form a relationship of some kind with Native Americans nearby. One of our members organized several Native American Flute concerts to bring wider exposure to the congregation and surrounding community. The desire to partner further led to the development of a relationship with The Rev. Debbie Royals as our guide and mentor. Debbie has been a tremendous help as we first come to an understanding of the cultural differences and what a partnership might actually mean. Members of St. Francis, led by Debbie Royals, went to the Pascua Yaqui Village in southwest Tucson for a tour of the village and the museum. Several of our members also attended a service of the Stations of the Cross in the village. One of our members who is a master at playing the Native American Flute led a group from our church to participate in part of the village summer program by offering flute lessons. Approximately 35 children attended. At the first lesson they learned to assemble the flute and at subsequent gatherings learned basics in playing the flute. All this culminated in a flute concert by some of the children. This is the beginning of what we expect to be a long process as we slowly proceed to strengthen our bonds of relationship.

Holbrook, St George’s
Partner: St John’s, Winslow
St George’s and St John’s partnered in conducting an Appreciative Inquiry with The Rev Kerry Neuhardt.

Kingman, Trinity Church
Partner: Grace Church, Lake Havasu City
Trinity and Grace are working to develop joint children/youth programs and activities-missional and recreational-that will allow our congregations to feel a stronger bond as the only two congregations in the extreme western section of our state and diocese. We also continue to work toward a strengthening of our denominational tie to Holy Spirit Church in Bullhead City (Diocese of Nevada) though that is meeting with less success. Coming up in
the near future are a Bike-a-thon in December (to raise money for Chapel Rock Campershions) and Famine for World vision in February of 2015.

Lakeside, Church of Our Saviour

**Lake Havasu City, Grace Church**

**Partner: Social Services Interagency**

Grace and Social Services Interagency (Interagency for the rest of this report) are partnered together in two different areas. The primary area of partnership is with the Food Bank Council of Lake Havasu City, which also includes St. Mary’s Food Bank, Our Lady of the Lake Catholic Church Soup Kitchen and St. Vincent de Paul’s Support Services. This partnership strives to help the hungry and homeless in the Lake Havasu City area by providing various sources of food, toiletries and other items for the hungry and homeless. As a joint committee, we meet with our partners approximately every two months officially to share information, best practices and support for the program. On a week to week basis, our partners share and refer clients to each other depending on the client’s needs for food and supplies. For instance, when we at Grace or one of the other partners has an overabundance of food, we call our partners to share what we have. For instance, we at Grace received an abundance of produce which we could not properly store. We were able to share with Our Lady of the Lake Soup Kitchen who both use the produce in a timely way through their 3 day a week hot meal program and store the food properly so it would not go to waste. Grace supplied over 1500 bags of food (each bag of food is a full breakfast, lunch and dinner for one person) last year. This year as of August 2014, we have supplied over 700 bags of food.

Our second area of partnership with Interagency is through the support of homeless senior high school students (with an emphasis on graduating seniors) in Lake Havasu. Many of the homeless students cannot afford to pay their graduation fees, caps and gown fees and other items for graduation. Grace, along with Interagency and the Rotary Clubs in Lake Havasu, provide funding to support these youngsters with these items. In 2013, there were 33 identified homeless senior high teenagers with 14 of these students being seniors. This year, there are 39 identified senior high school students. Additionally this year, our mutual support has been used to help with emergency fees for a senior high student needing an operation. This partnership is looking to expand the program beyond diplomas, caps and gowns.

Partner: Trinity Episcopal Church, Kingman, AZ

Grace and Trinity Episcopal churches are in the process of developing joint programs and activities for our children and youth. As the only two Episcopal parishes located at the far western part of Arizona and in the Diocese of Arizona, we have been looking for ways not only to help strengthen and nurture our children and youth’s faith as Christians but as Episcopalians. Joint programs we are planning thus far are a Bike-A-Thon in December 2014 for Chapel Rock Camp Scholarships and participation in the 30 hour Famine for World Vision in February 2015.

**Litchfield Park, St Peter’s**

**Partner: St Timothee’s Church & School, Boucan Carre, Haiti**

St Peter’s supports an annual salary for one teacher and contributes towards an assistant to Father Joseph Jean Jeannot.
Mesa, Church of the Transfiguration  
Partner: St Luke’s at the Mountain  
On January 26, 2014, The Rev Romeo Rabusa and many other members of the Saint Luke’s at the Mountain community came to the Church of the Transfiguration for a celebration of Santo Nino de Cebu. Our two communities came together for a joint Eucharist celebrating this feast day. There was singing and dancing involved in the service. Following the service, our two communities came together for a potluck meal. Both communities came to know each other better. We hope to continue this partnership by having additional services together in the future.

Morenci, SS Philip & James  
Partner: St Philip’s In The Hills, Tucson  
In April 2014, in response to the Bishop’s call at the last convention for churches in the diocese of partner with other churches or organizations in the ministry of the church, SS Philip & James in Morenci made proposal to St Philip In The Hills, Tucson to partner in sharing the following needs and opportunities.  
- Praying for one another’s congregational mission and needs on a regular basis in the Prayers of the People.  
- Encourage visitations to the partner congregation by our members and extend invitations to special events that might be of interest or meet the needs of the members and the mission of our congregations.  
- Perhaps discern a joint project that might arise in the diocese or locality that would meet the needs of local, diocesan or national partnerships and service opportunities.  
- Encourage fellowship and communications between the partner congregations such as sitting proximity to one another, if possible, at Diocesan Convention and exchanging newsletters, etc.  
St Philip’s In The Hills accepted the proposal and invited the congregation from Morenci to join them for a patron saint’s day celebration on May 4th. Fr Allen Breckenridge and his wife, Donna, made a presence at St Philip’s In The Hills for SS Philip & James as the rest of the congregation attended to other events in Morenci.  
We are planning a visit by a priest and a singing group from St Philip’s In The Hills to Morenci this Fall. We continue to remember our sister congregations in prayers.

Nogales, St Andrew’s  
Partners: St. John’s Bisbee, St. Stephen’s Douglas, St. Stephen’s Sierra Vista, St. Raphael Benson, Trinity Willcox in Cochise County  
We are a partnership of border area parishes. Priests-in-charge have had several meetings in the last six months to discuss common issues and to offer mutual support. In the recent crisis of unaccompanied migrant youth in Nogales, Cochise County parishes have given financial and spiritual support to St. Andrew’s. We have supported Vacation Bible School in Sonora in partnership with Naco Wellness Initiative based in Bisbee. These parishes look forward to strengthening their ties and working together as Christ’s Church on the borderlands.

Oro Valley, Church of the Apostles  
Paradise Valley, Christ Church of the Ascension  
Partner: St. Paul’s Sudanese Episcopal Mission, Phoenix
Christ Church of the Ascension and St. Paul’s Sudanese Episcopal Mission have been working together for several years in planning a community center for the Episcopal Church and neighboring community in Malakal South Sudan. In December of 2013 a violent war broke out throughout the country leaving hundreds of thousands of displaced people. We have redirected our efforts in the meantime which has involved distributing water filters to IDP camps. The Arizona Diocese raised enough money for the purchase of hundreds of water filters.

Payson, St Paul’s
Partner: Zane Grey Country Kiwanis Club of Payson, AZ
St Paul’s is involved mentoring and tutoring students at the local Elementary Schools; volunteering at the Teacher’s School Supply Drive (3 day weekend project); collecting over $10,000 worth of supplies and raising funds totaling $1,985.

Partner: St. George’s in Holbrook
This partnership is in the beginning stages. We will make plans for some joint projects during the coming year.

Phoenix, All Saints’ Church & Day School
Partner: Saint Paul’s Episcopal Church and School, Gascogne, Haiti
Since 2009, All Saints’ church and school has worked closely with Saint Paul’s in Haiti through annual mission trips and projects. Together, we have funded teacher and administrator salaries for the school, given goats, wedding rings, and built latrines. In 2014, we completed a four room school building, dedicating it during our most recent visit. 7th and 8th grade students from our church and school apply to go on our mission trips with a parent, and often find the experience life-changing. Our next project with our partners will be a clean water initiative.

Phoenix, Iglesia Episcopal de San Pablo
Partner: San Miguel de Allende, Mexico
Our initial vision is to work with that community to sponsor scholarships to two or three kids in Mexico who’s families are part of that community. The communication with the church in Mexico has been poor and we might need a different project. We are working on this.

Phoenix, St Luke’s at the Mountain
Partner: St Barnabas, Scottsdale
We partner in many ways with the congregation of St Barnabas. They host a party for the children in December and support us throughout the year.

Phoenix, St Mary’s
Partners: St Jude’s and Santa Maria Churches
The People of St Mary’s make it possible for St Jude’s and Santa Maria to exist as mission churches of the Diocese of Arizona. St Mary’s was the place where their communities were first organized and nurtured—and at the present time, neither church is close to being financially self-supporting. In this triple partnership, we are attempting to model an approach to shared physical space and joint ministry which could be a way forward for smaller congregations in the future.
All three congregations have vitally important individual ministries to the neighborhood and larger community, and we cooperate on things like Vacation Bible School, and Christian Education. In addition, the clergy, musicians, and people of St Mary’s are glad to participate in the more focused ministries of the other two congregations when we’re invited.

**Phoenix, St Stephen’s**  
**Partner: Epiphany on the Desert, Gila Bend**  
St. Stephen’s and Epiphany have been partnering together for the past five years. Our primary joint ministry efforts involve collection of school supplies for Gila Bend Elementary; collection of diapers, formula and other baby items for single and teen-age mothers in the area and collection and distribution of toys and other gift items for Christmas time. The Rev. John Christopher has developed a relationship with Care First, a local social service agency that assists Epiphany in identifying individuals in need and in distributing items collected. Additionally, Epiphany helps to support the St. Stephen’s Food Bank providing peanut butter and jelly each month for us to distribute to our patrons. Our two churches have actively supported each other in improving and maintaining our physical plants. Gila Bend participated in the renovation of our worship space and St. Stephen’s assisted Epiphany in painting the exterior of the church building. We continue to explore ways to work together to support one another and to further God’s work in our respective communities.

**Phoenix, Trinity Cathedral**  
**Partner: Various churches of the Diocese**  
Throughout the end of 2013, the Senior Warden, Pamela Clark, along with a committee embarked upon an exploration of how the cathedral could partner in ministry with a congregation around the Diocese of Arizona. While there were many options, the committee decided that in 2014 more discernment was required, but the committee also decided to live into the spirit of partnership whenever the opportunity would arise. Therefore, Trinity Cathedral has partnered with various congregations and organizations. The following are a few examples.

- In March 2014, The Very Rev. Troy Mendez, the Dean, taught as a guest instructor in a Lenten Series about the status of the Church at St. Barnabas, Scottsdale.
- In August 2014, Trinity Cathedral reached out as a resource to St. Mary’s, St. Jude’s, and Santa Maria after their devastating fire. As a result, the cathedral hosted St. Mary’s on August 15th, the feast of St. Mary the Virgin, with a grand Festival Eucharist and evening reception.
- From June to September 2014, resources, time and volunteer staff were dedicated to staffing the cooling station at Grace Lutheran Church in downtown Phoenix. In addition, volunteers would prepare weekly meals to feed over 300 people per week.
- In late September 2014, the dean assisted the parish of St. Lukes at the Mountains with Baptisms when the congregation was in need of a priest.
- Since April 2014, the people of Trinity have been engaged with a faith organization called Why Marriage Matters AZ.

The Cathedral has hosted events, and welcomed clergy from all over the state, and has also partnered with priests from the entire diocese in producing press releases and statements for Bishop Smith. It is the hope of the people of Trinity to continue to look for strategic partnerships to serve as a resource to the people of the Diocese of Arizona.
**Phoenix, St Jude’s**  
*Partner: St Mary’s, Phoenix*  
St Jude’s shares space with St Mary’s and Santa Maria.

**Phoenix, St Paul’s Sudanese Mission Church**  
*Partner: Christ Church of the Ascension, Paradise Valley*  
The members of Christ Church of the Ascension have been involved with St Paul’s Sudanese as we work together to build the Multipurpose Center in Malakal. They also helped with the water filter project.

*Partner: St John the Baptist, Glendale*  
St John the Baptist has made donations of about $1760 to the displaced pastors in South Sudan. According to the report from the two dioceses in South Sudan, that donation has help a lot of the community.

**Phoenix, Santa Maria**  
*Partner: Church of the Nativity*  
Church of the Nativity provides food to be able to give out 40 bags of groceries to the parishioners every month.

*Partner: St. Paul’s Sudanese Church*  
We were able to purchase medical items (aspirin, band aids, diarrhea medicine, first aid crème, etc.) to send to the Sudan when Fr. Anderia visited the Sudan this year.

**Prescott, St Luke’s**  
*Partner: Saint Thomas Anglican Parish, Amagoro, in the Diocese of Katakwa, Anglican Church of Kenya*  
As a part of our partnership with the Saint Thomas Parish, we do the following: 1. We pray for them at each of our three worship services each week. 2. They pray for us each week. 3. We have provided financial support to parish families whose crops, home, and herds of cattle were devastated by a flood more than a year ago. 4. Four old classrooms at Amagoro Junior Academy were condemned by Kenya authorities because ants had destroyed the building superstructure. We are providing financial support for badly-needed replacement classrooms. AJA is an Anglican elementary school associated with the Parish. 5. We communicate with each other regarding our respective ministries, sharing photos and information. 6. We have been invited to, and hope to send some of our members, to visit the parish in the future. 7. We hope to, in cooperation with Bishop Kirk Smith, invite Bishop Zakayo Epusi of the Diocese of Katakwa who is in charge of the parish and who established AJA, to spend a few days in our parish in February or March of 2015 during his visit to the United States. He is graduate of the School of Theology at Sewanee.

**Scottsdale, Church of the Nativity**  
*Partner: Santa Maria, Phoenix*  
We work with Santa Maria to do a bi-monthly food bank for their neighborhood. Once a month a food bank truck delivers fresh fruits and vegetables to Santa Maria, and our members help with distribution. We also provide financing for a monthly dry goods food bank for Santa Maria members. We are working to develop other partnership programs, such as English as a Second Language classes and youth group experiences.
Partner: Iglesia Santa Maria Magdalena, Veracruz
We do annual mission trips and fundraising events for Iglesia Santa Maria Magdalena, to help with their ministry of providing education and food for the children of the barrio and also raise funds for the building of a church and community center there. We have raised a significant amount of money for the project and the community center is partly built and in use.

Partner: St Mary’s of the Moonlight, Navajoland
We do annual mission trips to do building and fundraising for building restoration at St Mary’s of the Moonlight. Bishop David Bailey of Navajoland stated that without our help, he would have had to close that church.

Tucson, St Philip’s In The Hills
Partner: Temple Emanu-El, Tucson, AZ
This partnership operates on several levels. We have done two joint pilgrimages to the Holy Land. The Rabbi and I have done several courses on a variety of topics together. We have done pulpit exchanges. We have worked together on immigration issues. Our youth groups have hosted one another. Members have worshipped in each other’s sanctuaries. In short, we are building a strong and meaningful interfaith relationship in the belief that this is a faithful witness to the community.

Partner: Numerous social service agencies (see below) in Tucson, AZ
The After School Music Program -- with Holloway and Rio Vista public schools; volunteer tutors & music instructors, financial contributions Habitat for Humanity Tucson -- through volunteers in construction and "A Brush with Kindness" program; service on the Board of Directors, and $180,000 in contribution over 12 or more years. Williams, St John’s Episcopal-Lutheran Church
Partner: NAU Canterbury, Flagstaff
St John’s in the early stages of exploring ways we can be involved with the NAU Canterbury ministry. Campus Minister, Brad Eubanks, has already been out to St John’s. This is an exciting time in Canterbury’s ministry and we are looking for ways that we might partner in the future.

Partner: Shepherd of the Hills ELCA Church, Flagstaff
Because St John’s is an Ecumenical Shared Ministry church, the leadership feels it is important to be in partnership with an ELCA church. Several of our ladies have participated in the women’s ministry with Shepherd of the Hills ELCA Church in Flagstaff. We are currently looking for other ways to be involved.

NOTE 1 - GENERAL

The Episcopal Diocese of Arizona (Diocese) is part of the Protestant Episcopal Church in the United States of America and is that part of the Episcopal Church that is within the State of Arizona, except that part that falls within the Navajoland Area Mission, Yuma County, and the cities of Page and Bullhead City. Incorporated in 1897 under the non-profit laws of Arizona, its members include all Episcopalians residing in the Diocese, organized into parishes, which are self-supporting, and missions, which may look to the Diocese for financial assistance. Chief spiritual leader, executive officer and administrator is the Bishop of Arizona.

The affairs of the Diocese are conducted in annual convention, made up of clergy and elected lay delegates from each parish and mission. Interim details are delegated to the Standing Committee and the Diocesan Council.

These financial statements include the assets, liabilities and operations of the Arizona Camp and Conference Center - Chapel Rock, located in Prescott, Arizona, Trinity Cathedral, Bishop’s Discretionary Fund activity and the Diocese. Also included are the buildings and contents of unincorporated congregations and missions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** - The financial statements of the Church have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

**Basis of Presentation** - Under Generally Accepted Accounting Principles, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

**Use of Estimates** - The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Investments** - The Organization carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities.

**Revenue Recognition** - Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

All donor restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction.

When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

**Promises To Give** - Unconditional promises to give are recognized as revenues or gains in the period the promise is received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.
NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

**Cash and Cash Equivalents** - Cash and cash equivalents include all monies in banks and highly liquid investments with original maturity dates of less than three months.

**Income Taxes** - The Diocese is exempt from federal and state taxes by meeting the requirements of section 501(c)(3) of the Internal Revenue Code.

**Donated Services** - Amounts have not been recorded in the statements for donated services since no objective basis is available to measure the value of such services; however, a substantial number of volunteers have donated significant amounts of their time to the Episcopal Diocese of Arizona.

**Property and Equipment and Depreciation** - In accordance with Generally Accepted Accounting Principals, the Diocese is recognizing depreciation on all property and equipment with an economic life of 1 year or more. Church buildings and contents are depreciated over a 30 year life using the straight line method. Office equipment and furniture are depreciated over a five year life using the straight line method. Normal repairs and maintenance are expensed as incurred.

**Contributed Property** - Real estate and other property that is contributed to the Diocese is recorded at its fair market value at the date of contribution, while additions and improvements are recorded at cost.

**Accounts Receivable**
Accounts receivable consist of amounts owed to the Diocese for the use of the conference and camp facilities. All amounts were collected subsequent to December 31; consequently, there is no need for an allowance for bad debt.

NOTE 5 – FAIR VALUE MEASUREMENTS

Fair value is the price that would be received upon sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following fair value hierarchy is used in selecting inputs, with the highest priority given to level 1, as these are the most transparent or reliable:

*Level 1* – Quoted prices for identical instruments in active markets.

*Level 2* – Quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-derived valuations in which all significant inputs are observable in active markets.

*Level 3* – Valuations derived from valuation techniques in which one or more significant inputs are not observable.

The Diocese attempts to establish fair value as an exit price in an orderly transaction consistent with normal settlement market conventions. The Diocese is responsible for the valuation process and seeks to obtain market prices for all securities.
NOTE 5 – FAIR VALUE MEASUREMENTS, continued

*Assets Measured at Fair Value* - Assets measured at fair value on a recurring basis are summarized below:

<table>
<thead>
<tr>
<th></th>
<th>Level 1</th>
<th>Level 2</th>
<th>Level 3</th>

</tbody>
</table>

Fixed income securities are comprised of U.S. government securities and corporate bonds and are valued using quoted market prices and, accordingly, are categorized in Level 1 of fair value hierarchy.

Common stocks are valued based on quoted prices from an exchange. To the extent these securities are actively traded, valuation adjustments are not applied and they are categorized in Level 1 of the fair value hierarchy.

Equity mutual funds are valued based on the net asset value as computed once per day based on the quoted market prices of the securities in the fund’s portfolio and are generally categorized in Level 1 of the value hierarchy.

Certificates of Deposit are valued at cost which approximates market value and have maturity periods of greater than three months at inception. Maturity dates range from January 21, 2015 through January 16, 2016.

NOTE 6 - MORTGAGE LOANS FROM FUND B

Temporarily restricted assets of Fund B are to be used to make loans to any parish, mission, Diocesan institution, or to the Diocese for any church purpose in accordance with the written direction and authorization of the Bishop with the written concurrence of the Finance Committee. The assets of Fund B may also be used for the purchase of land for future missionary expansion. The outstanding mortgages at December 31, were as follows:

NOTE 7 - NOTE RECEIVABLE

In 1997, property was sold to an individual, and as part of the sale the Diocese carried back a note receivable secured by a deed of trust. In 2003, the buyer defaulted on the loan, and the Diocese wrote off the obligation from the buyer. However, in lieu of evicting the buyer from the property, the Diocese renegotiated the terms of the note and agreed to a new note. The entire principal balance together with the accrued interest is due upon sale or transfer of the property. In 2014, after years of no activity on the account, the outstanding balance of $28,807 was written off as uncollectable.

Outstanding balance as of December 31, 2014: $ - 2013: $ 28,807

NOTE 8 - LAND, BUILDINGS AND EQUIPMENT

Adequate cost records of property used by the unincorporated congregations and missions and certain vacant land do not exist; consequently, the cost of such properties cannot be determined. Some of the properties date back to 1897, the year the Diocese was organized. The estimated value of the unincorporated congregations and missions is provided by the respective unincorporated congregation or mission, or insured values.

NOTE 15 - RETIREMENT PLANS

The Diocese participates in two separate pooled retirement pension plans for its clergy and lay employees.

The clergy's plan is controlled by church canon and is administered by The Church Pension Fund, Inc. The contribution is based on the clergy's salary, utility and housing allowances. The percentage of contribution for 2014 and 2013 was 18 percent.

The lay employees are covered by either a defined benefit plan or a defined contribution plan. Under the defined benefit plan the Diocese contributes not less than 9% of the employee's salary. Under the defined contribution plan the Diocese contributes 5% of the employee's gross pay and matches up to 4%. The plans are administered and controlled by Church Life Insurance Corporation, a subsidiary of The Church Pension Fund, Inc.

Contributions made by the Diocese for both plans for Diocesan employees included in the accompanying financial statements are as follows:

<table>
<thead>
<tr>
<th></th>
<th>2014</th>
<th>2013</th>
</tr>
</thead>
<tbody>
<tr>
<td>Clergy plan</td>
<td>$61,724</td>

<td>58,555</td>
</tr>
<tr>
<td></td>
<td>$161,968</td>
<td>$117,631</td>
</tr>
</tbody>
</table>

Each congregation is responsible for its respective participants' coverage.
NOTE 17 – ENDOWMENTS

The Diocese endowment includes funds that are established for a variety of purposes and include donor restricted funds. As required by accounting principles generally accepted in the United States of America (GAAP), net assets associated with permanently restricted funds are classified and reported based on the existence or absence of donor restrictions.

The Diocese has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift, as of the date of the donor permanently restricted funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Diocese classifies as permanently restricted net assets for accumulations made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor restricted fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Diocese considers the following factors in making a determination to appropriate or accumulate donor restricted funds:

1. The duration and preservation of the fund
2. The purposes of the organization and the donor restricted funds
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation of investments
6. Other resources of the Diocese
7. The investment policies of the Diocese

Endowment net assets composition by type of fund as of December 31, is as follows:

NOTE 18 – MISCELLANEOUS RECEIVABLES

The Diocese advances funds to various congregations in order to cover the costs of payroll and related expenses; group health insurance; pension costs and various other obligations. The advanced funds are to be repaid as soon as possible. The advanced funds are unsecured and interest free.

NOTE 19 - CONCENTRATION OF CREDIT RISK

Financial instruments which potentially subject the Diocese to concentration of credit risk consist of money market accounts and investment securities.

The Diocese places its temporary cash and money market accounts with credit-worthy, high-quality financial institutions. A portion of the funds is not insured by the FDIC or related entity.

The Diocese has significant investments in stocks, bonds, and mutual funds and is therefore subject to concentration of credit risk. Investments are made by investment managers engaged by the Diocese, and the investments are monitored for the Diocese by a Diocesan investment committee. Though the market value of investments is subject to fluctuations on a year-to-year basis, management believes the investment policy is prudent for the long-term welfare of the Diocese and its beneficiaries.

NOTE 20 - OPERATING LEASE COMMITMENT

The Diocese leases real property to an unrelated organization under a triple net lease/purchase arrangement. The lease calls for monthly lease payments of $6,750 through February, 2017. During the term of the lease the tenant has the exclusive Option to purchase the leased property for a fixed price adjusted for inflation. Tenant's Option will expire upon the expiration or earlier termination of the lease agreement. The following is a schedule of future minimum rentals under the lease at December 31, 2014:

</tr>
<tr>

</tr>
</tbody>
</table>

NOTE 21 – SUBSEQUENT EVENTS

In preparing these financial statements, the Diocese has evaluated events and transactions for potential recognition or disclosure through September 23, 2015, the date the financial statements were released.
