Resolution for Continuing the Offering of Anti-Racism Training

Be it resolved by this Convention that the Diocese of Alabama, seeing the continuing need for work to combat the sin of racism, both within the Church and in the larger society, commits itself to the continuation of the work of dismantling racism by extending indefinitely the mandate of the Commission on Race Relations in the Church to offer the workshops in Anti-Racism Training known as Seeing the Face of God in Each Other.

Be it further resolved that this training be required for all ordained persons, diocesan professional staff, and those elected as delegates to General Convention and those elected or appointed to serve on diocesan committees, commissions, and boards.

Be it further resolved that the Commission be charged with identifying persons in the above categories who have not yet taken this training and develop a process to encourage them to meet this requirement.

Be it further resolved that other interested lay members of the Diocese, especially members of parish vestries, be encouraged to take this training.
