The Mission of St. Alban’s Parish is to exemplify Christ’s love, using our gifts to connect people to God, each other, and creation through worship, inreach, spiritual formation, outreach, and foundation ministries.

A Bit About Communications At St. Alban’s

Recently a group of parishioners has been meeting regularly to assess and plan strategies to enliven and improve our intra-parish communication process. This group, called the Communications Committee, includes parishioners Carolyn Christy, Charlene O’Donnell, Janet Lewis and our Rector, Nicolette Papanek. We have already started to update the information provided on our Web Site; the work of improving our website is ongoing. For example, as a part of that process, our Fridge Sheet can be accessed through the web site regularly. This should allow easier access to timely information about the ‘happenings’ at St. Alban’s.

The RED DOOR newsletter has changed in format and frequency of publication over the years. Within the past 18 months-2 years, because of the changes in our parish, the RED DOOR began to be published on a quarterly basis. It now seems clear that it is preferable to publish each month. We’ve decided to give that approach another try: please look for an issue each month.

The plan is to focus on a different theme each month allowing us to bring attention to one or two particular aspects of our parish. We will continue to have a calendar of events, and regular articles from the rector along with articles about our outreach activities.

In this issue our theme focuses on the Vestry. What is a Vestry? What does it do? What are the rules and/or traditions under which it functions? Over the next few issues we will provide a short “biography” of each of the Wardens and each Vestry member along with other parishioners in leadership positions. This month our biographies focus on the Wardens along with the Treasurer of St. Alban’s.
What’s a Vestry? And what does it “do?”

The Vestry is: the legal representative of the parish with regard to all matters pertaining to its corporate property. Although this definition comes from the national Episcopal Church, it may raise more questions than it answers. Read on for more clarification.

How is it organized?

❖ The number of vestry members and the term of office vary from parish to parish.  (St. Alban’s has 9 members who are elected to serve for 3-year terms. Terms are staggered for continuity.)

❖ Vestry members are usually elected at the annual parish meeting.  (This is the practice at St. Alban’s. A ‘nominating committee’ creates a slate of candidates, which is submitted to the Annual Meeting participants for approval. Candidates may also be nominated from the floor at the Annual Meeting.)

❖ The presiding officer of the vestry is the rector.

❖ There are usually two wardens.  (Practice varies from parish to parish regarding the term length for wardens to serve. For example, some parishes have wardens who serve 3-year terms. While it has been the tradition at St. Alban’s that the Jr. Warden assumes the role of the Sr. Warden and that each serves a 1 year term neither is required.)

❖ The senior warden is a support person for the Rector or Transition Priest (This has been the role of the Senior Warden at St. Alban’s.) The Senior Warden also leads the parish during times of transition when supply clergy are serving.

❖ The junior warden often has responsibility for church property and buildings. (This has been the role of the Jr. Warden at St. Alban’s.)

❖ A treasurer and a secretary or clerk may be chosen. These officers may or may not be vestry members.  (At St. Alban’s, neither the Treasurer nor the Clerk are members of the Vestry.)

❖ The vestry is required to meet regularly throughout the year.  (With the exception of one month during the summer, our Vestry meets one time per month (usually on the 3rd Monday of the month); the meetings are held at the church. Vestry meetings are open to any member of the parish except in specific circumstances. For example, personnel matters are discussed only in executive (closed) session. Minutes of each meeting are created and approved at the subsequent month’s meeting. These are posted in the Living Room.)

What are Vestry responsibilities?

As presented on the national church website the basic responsibilities of the vestry are to

❖ Help define and articulate the mission of the congregation;

❖ Support the church’s mission by word and deed,

❖ Issue a call to a rector once the search team has presented a candidate it believes is the best choice based on the parish narrative and the search team’s own discernment process

❖ Ensure effective organization and planning, and

❖ Manage resources and finances.

Another way to understand the vestry’s role is to align it with the role of the clergy and the role of paid staff members. The chart listed on the next page describes each role. Our vestry will review this chart at a retreat scheduled for a near future date.

Senior Warden: Mike Bissell

Michael G. (Mike) Bissell is a retired academic who began regular attendance at St Alban’s Rite I services in early 2012. During his time at St. Alban’s Mike has served as Rite I lector and usher, Monday Morning Prayer lector and presider, and as presenter in the Contemplative Prayer series and various special services. Along with this he is a 2016 graduate of the Education for Ministry program, a Bible study/church history/theology curriculum. Mike also serves on the Board of Partners in Ministry in Liberia (PIMIL) which is based at St. Matthew's, Westerville.

Mike wrote this:

I am a cradle secular agnostic whose earliest years were spent in Eisenhower-era southern California, in thrall to Walt Disney like most boomer kids, but from which I slowly morphed into something resembling Chaucer’s Clerk of Oxford: “Who’d studied philosophy, long ago…. [but] had got him yet no churchly benefice, nor … secular office…,[but] gladly would he learn and gladly teach.” The worldly path of this learning and teaching took me into the careerism of academic medicine, whereas spiritually I remained a covert seeker of whatever wisdom I might somehow stumble upon in my dreams, as it were [e.g. various New Age, Sufi, Buddhist and Christian mystical ideas.]

When, in 1993, the worldly path took me to Galveston, Texas, a full-page ad in the local newspaper inspired my late wife to suggest that joining a church might be a good way to make friends in a new community, I became a member of the campus Mission Church of St. Luke the Physician…and did so in characteristically idiosyncratic fashion by being confirmed by the bishop before being baptized(!)

To be blunt, the fact that it is NOT self-consciously evangelical but IS nonetheless so very widely welcoming, inspires me. Thanks at least in part to a foundational concept in the teaching of Richard Hooker (1554-1600) one of the leading pre-Anglican theologians, known as his “three-legged stool”, Episcopalian theology rests on three basic components: scripture, tradition and reason. This was nicely expressed in a poster issued by the Episcopal Church some years ago in which an image of Jesus is surrounded by the words: “He came to take away your sins, not your mind”.

I am frustrated by Episcopalians (most often of the ‘cradle’ variety) who fail to manifest any appreciation for the spiritual treasure their denomination represents, as the ‘thinking person’s church’.

Mike wrote that he most values: The many opportunities to learn and teach in various groups and venues large and small.

Though increasingly sounding cliché, it’s nonetheless unavoidably true that we may need to focus more than we often have on the needs and interests of younger people generally and couples with children in particular.

My understanding is that the Senior Warden traditionally acts as a servant leader to facilitate productive interactions among the congregation, lay leadership, clergy and public as needed for the good of the parish.
**Junior Warden: Tim Williams**

Tim Williams began his own spiritual journey as an Episcopalian and is a life long member of St. Alban’s. As a young adult he taught in our Sunday School. He served as an acolyte and was active in the youth program.

Currently, he has served two years as a member of the Vestry and now begins a term as Junior Warden. His focus as Junior Warden will be to oversee the maintenance of our buildings and grounds.

Tim serves St. Alban’s as a lector and intercessor at the 10:15 service. Currently, along with Jenny Hoffman, Tim is co-chair of the Parish Life committee. This committee’s focus is hospitality and includes coffee hours, receptions for funerals/memorial services and other gatherings as appropriate.

Tim is married to Julie and they have two grown children and two grandchildren. In his professional life he is with the W. W. Williams Company serving as Business Developer in their Logistics Division.

**Treasurer: Ed Yen**

Ed Yen has served St. Alban’s in many capacities over the years. In the past he has been Senior Warden. He serves as a Eucharistic Minister at the 8:00 a.m. service. He has served as Treasurer in past years as well currently doing so; he is also a Fiscal Trustee for the parish.

He wrote regarding his life at St. Alban’s:

*My spiritual journey really began when Ellen and I got married in 1977. I became an Episcopalian at that time and have tried to live my life for God and Jesus Christ. I’ve baptized all my children at St. Alban’s; they were all confirmed there as well. My daughter was married in the Episcopal Church at Trinity downtown by Mike Jupin.*

*St. Alban’s has been a major part of my life and continues to be.*

*I believe our Outreach, Caring and Sharing and the fellowship among our parishioners are real strengths of St. Alban’s.*

*We are a close knit, but not insular congregation and I do believe when one is in need, we will be there for each other.*

*What we can do better is Christian and Youth Education and recognize and take action to grow our parish with younger members and families.*

*This can start anew with calling a Rector who has a young family him or herself, and developing a strong, active Sunday School and Youth program and ministry.*

Welcome to the Prayer Toolbox

*Prayer Opportunities for Everybody*

A study was done looking at the congregations in mainline denominations in the U.S. that were growing. One of the findings was that the leadership of these churches attributed the growth to members drawing near to Jesus through PRAYER!

*There will be user-friendly, every comfort-level opportunity for prayer on Sundays, April 8th-May 13th in the Adult Library, 9:15-10 am.*

There will be a variety of prayer “tools” available to help us in our journey to grow closer to God.

*Come and Pray!*

2 Cents-a-Meal Program

The 2 Cents-a-Meal Program is designed to remind us of the poor and needy at mealtimes. Two pennies per person per meal is collected for hunger ministries as they give thanks for their own food. On a designated Sunday, four times per year, each household brings their 2 Cents-a-Meal offering. One half is given to a local food pantry and the other half is given to the Hunger Network in Ohio to further its efforts to end hunger.

Some of you have 2 cents-a-meal containers at home. Keep filling them! Containers are available if you do not already have one; let Eileen Becknell (614 512-6335) know if you need one.

The NEXT COLLECTION is April 29, 2018. Please bring your money to church that Sunday. Keep your container to refill for the next collection.

Please help support this ministry. Hunger is a significant problem in our community.

Call the church (614) 253-8549 or Eileen Becknell (614) 512-6335 if you have any questions.
B.R.E.A.D.

B.R.E.A.D. = Building Responsibility, Equality And Dignity

"He has told you, O mortal, what is good; and what does the LORD require of you but to do justice, and to love kindness, and to walk humbly with your God?"

Micah 6:6-8 (NRSV)

“Will you strive for justice and peace among all people, and respect the dignity of every human being?”

The Baptismal Covenant, The Book of Common Prayer

Charity requires the kindness and mercy of individuals who donate their time, talent and treasure to satisfy immediate needs. Justice requires the collective effort of many to influence and affect change for the long term.

The mission of B.R.E.A.D. is to do justice by building the power of people of faith to act effectively to solve local community problems. B.R.E.A.D. provides a vehicle for congregations (St. Alban’s is one of 40) to practice justice by joining together large numbers of people. These large numbers of people have power to hold key decision makers accountable for protecting the weak and give us a chance to "do justice." Key justice issues addressed by B.R.E.A.D. in the past are increasing access to healthcare, reducing truancy, regulating payday lending, implementing a drug court in Franklin County, reducing neighborhood blight, unemployment, access to mental health care, crime and violence, jobs, and economic opportunity, Restorative justice, etc. The 2018 issue is Affordable Housing.

The Nehemiah Action Meeting:

Nehemiah 5:6-7. When Nehemiah heard the outcry of the people, he called together a great assembly to address the issues. At The Nehemiah Action Meeting, B.R.E.A.D. assembles as many people as possible to inspire those in responsible positions to solve problems in our community. This is the highlight of the year for B.R.E.A.D. as the organization seeks maximum attendance and publicity for focusing upon the main issue for 2018, Affordable Housing. B.R.E.A.D. doesn’t have a lot of money, so it depends on people power.

Come join fellow parishioners Monday, May 7. We will meet at St. Alban’s beginning at 4:30 PM (Come when you can; later is OK) for a light meal and at 5:30 PM, carpool to the Celeste Center. B.R.E.A.D. has to pay for parking and asks that we carpool if possible. We will have tickets, directions, and parking information available at that time.

Please sign up on the bulletin board if you plan to attend so we have an idea about food and the number of people for the meeting.

For information or questions, contact Ernestine Ujah (614-497-2463), June Robb (614-236-1553) or Eileen Becknell (614-476-5388).
