6. Boiler and Machinery coverage is required for all parishes which have steam boilers to a minimum limit of 80% of full replacement cost of buildings and personal property, including repair and replacement cost coverage. 7. Parishes insured by companies other than CIC shall submit annually a Certificate of Insurance to the Diocesan Office. All such certificates shall provide that 30 days prior written notice of cancellation will be sent by the insurance carrier to the Diocesan Office, as well as to the parish, and will otherwise show compliance with these requirements.

8. All insurance policies on property owned by a parish or owned by the Diocese in trust for a parish shall name as an additional insured or loss payee "THE EPISCOPAL CHURCH IN THE DIOCESE OF ALABAMA."
