There was a discussion on the importance of a Finance Committee. It was noted that it was a requirement of the Canons for a Finance Committee to be formed. Currently the Finance Committee consists of the regional reps, the Treasurer and the Comptroller. With the revisions in the Canons at Convention, Jessica will look into what it now says and report back to the Council at the January meeting.

John Angst stated he talked with Wally Moore at convention about the possibility of hosting all the Iona Collaborative members at HR Camp. Bishop Smylie reported that the well company has been up to the camp and is working on getting the well up and running. At this time, they are working on pulling the pipe to check for a possible hole. If they can get up before the snow, we will have a more complete report at the January meeting; if not it will be late spring before we will know more.

Peggy noted her thanks to Lin, Sheryl, Nancy and all of Gillette for their hard work at Convention.

Kenli Lowe provided a closing prayer.

Meeting adjourned at 3:14 pm.
