The Bishop's Advisory Committee on Liturgy and Music

The BACLM was established in response to General Convention Resolution 2018-A068. That resolution began, in earnest, the process of Prayer Book revision, which will last close to two decades. Paragraph 6 of A068 called on bishops to “engage worshiping communities in experimentation and the creation of alternative texts to offer to the wider church, and that each diocese create a liturgical commission to collect, reflect, teach, and share these resources with the Task Force on Liturgical and Prayer Book Revision.”
