

The Episcopal Church
and especially
All Saints Episcopal Church
Welcomes YOU!

We strive to be an open hearted, open minded parish community, welcoming all to share God's blessings in our midst.

The unexpected developments of 2020 have required temporary changes in our worship practices and interactions, including our ability to welcome you as fully as we would like! Please know, however, that we remain joyful to have you with us in whatever form that can take and look forward to enriching our relationships when safer to do so.

For now, please connect with us in any way you feel inclined. We'd be glad to add you to our email list (to keep you in the loop on happenings), answer any questions you may have, receive prayer requests, etc. Give us a call or send us an email!
