Amazing Bubble Art

What you need:
*Food Coloring
*Bubble Solution (can also be made easily with dish soap & water)
*Bubble Wands
*White card stock
*Small plastic cups

*Pour a small amount of bubble solution in each cup.
*Add about 5 drops of food coloring to each bowl, making each bowl of bubbles a different color.
*Stir your bubbles well.

*Lay your paper onto the grass or sidewalk, dip your wand into the colored bubbles and blow onto your white card stock.
*As the bubbles hit the paper & pop, they will leave interesting patterns. Repeat with other colors.  
*Caution: Food coloring can stain surfaces and clothing. Be sure to protect both!
