

# NATURE NAMES CRAFT

## Supplies:

- \*Cardstock
- \*Glue
- \*Nature items
- \*Something to collect items in

## Here's what you do:

\*Go out in nature (your backyard, a park, campground, the beach, anywhere!) and find things that you can use to create the letters of your name:

Sticks, rocks, leaves, grass, pine straw, berries, plants, shells, clovers, bark, dirt, sand, leaves, etc.

\*On a piece of cardstock, write your name.

\*Use glue to get your nature items to stick to each letter to spell your name!

\*Give thanks for the many beautiful things God created in nature!
