My name is Laurie Reese and I am an active member at ST. Mark’s in Casper. I’m a worship leader and current voting delegate. I’m also active in Daughters of the King and a number of other ministries at St. Mark’s.

I would like to be considered for the lay person opening on the Disciplinary Board. I have thought about this board for several years and know the importance of carrying out requirements of the church Canons concerning clergy. As a lay person I would work to bring a fair and unbiased approach to this board. I hope to bring a point of view and understanding that not only would uphold the Canons but also take a very human approach and look at possibilities of reconciliation when appropriate.

Thank you for your consideration.
