

Hello Friends,

My name is Stacey Clack. I am a Faith Community Organizer for [Church World Service](#). I would like to invite you to participate in a virtual coffee/lunch hour on Zoom to learn more about how your congregation can be involved in offering friendship and integration support to newly arrived refugees being resettled in your community during 2021. The virtual coffee/lunch hour will take place on Wednesday, January 27 from 10am-11am EST. Please see the attached flyer for more information and fill out the link to register. I have also attached the calendar invite with the call-in information for your convenience.

This call will feature Maha Kolko from [Kentucky Refugee Ministries, Louisville](#). Maha will share the specific needs of the Louisville community and how your church can step up to be a beacon of welcome. We will also hear from others on the call including: Allison Duvall, Manger for Church Relations and Engagement at EMM, as well as a local church who has been working with KRM, and a former refugee who was resettled to the Louisville community.

We are excited to meet you and we hope that you will join us! Feel free to invite a colleague, a friend, or a leader within your church to join us as well. Please don't hesitate to reach out if you have any questions.

Blessings,

Stacey Clack
Mid-West Faith Community Organizer
