

2022 Mission Funding Cycle

In announcing the 2022 funding cycle, the Mission Funding Committee seeks to invest in concrete and courageous missional partnerships responding to real human needs and concerns in our communities and neighborhoods.

Whenever appropriate, applicants are encouraged to demonstrate how the proposed mission initiative includes some type of partnership between the community and a congregation. These grants are not intended for ongoing operational support of a parish.

To simplify the application process, applications may now be completed online via Google Forms. The application for Congregations is [here](#), and the application for Agencies & Organizations is [here](#). These Google Forms mesh seamlessly with gmail, and we encourage you to open a gmail account to complete the application if you do not already have one. Please contact missionfunding@episcopalky.org if you would like to have an application emailed to you directly.

If you do not have access to the technology to complete this application online, please format your responses according to the appropriate application found on the Mission Funding [webpage](#) of the Diocesan website and submit your completed application to missionfunding@episcopalky.org or mail it to:
