Safe Church & Safe Guarding Info

1. Please send The Very Rev. Katherine Doyle who your administrator is for safe church for your parish. Every parish needs to have one person. Send information to Katherine at youth@episcopalky.org

2. Please do not use the praesidium website/videos until we launch as a Diocese

3. Model policies seen on the national church website are the launching point for each Diocese to write their own. Look for ours this summer.

4. Leadership is required to take safe church every 3 years.

5. I will send out a chart on who needs which training this week. Katie will send out a registration link.

6. March 8 6:30-8:30 Safe Church (will include everything) March 15 6:30-8:30 Safeguarding God's Children. I will record them, and the recordings will be posted. Anyone watching the recordings will need to answer a few questions to be sent to The Rev. Katherine Doyle in order to be certified.

7. The task force for safe church recommends in person/zoom as the preferred means of training.
