## The Gift of the Spirit

*"As the Father has sent me, so I send you." When Jesus had said this, he breathed on them and said to them, "Receive the Holy Spirit."*

--John 20:21-22

These words of Jesus in ***The Gospel of John*** are sometimes called "John's Pentecost" or the "Little Pentecost," because Jesus gave the disciples the gift of the Holy Spirit *on the day of his resurrection*. This is different from the account given in Chapter Two of ***The Acts of the Apostles***, which recounts the gift of the Holy Spirit given *after Jesus' ascension* to his Heavenly Father.

The two different biblical writers are telling a somewhat different story, relative to the order of events. But the central truth remains the same: the Spirit came to the disciples as a gift. That gift of the Holy Spirit was understood as enabling, empowering, and (even) comforting for the disciples, all at once.

As the inheritors of this tradition (and disciples ourselves), we receive the same gift of the Holy Spirit.

Jesus' words in John intentionally recall similar words found back in the book of ***Genesis***, describing how God breathed "the breath of life" into the first human being (Chapter Two, verse 7). But this breath that Jesus breathed into the disciples was the breath of *new life*.

This gift of the Holy Spirit marks the beginning of God's new world – God's new creation – and these disciples are being re-created. Jesus is sending his friends into the world to announce the good news of this new creation, which is beginning right now, in the here and now, and will be completed in the future life of the resurrection.

I am always wondering: how we are to harness the power of the Spirit for the sake of our own world...? How do we "breathe life" into our own daily lives, for the sake of sharing the Good News of God's love...?

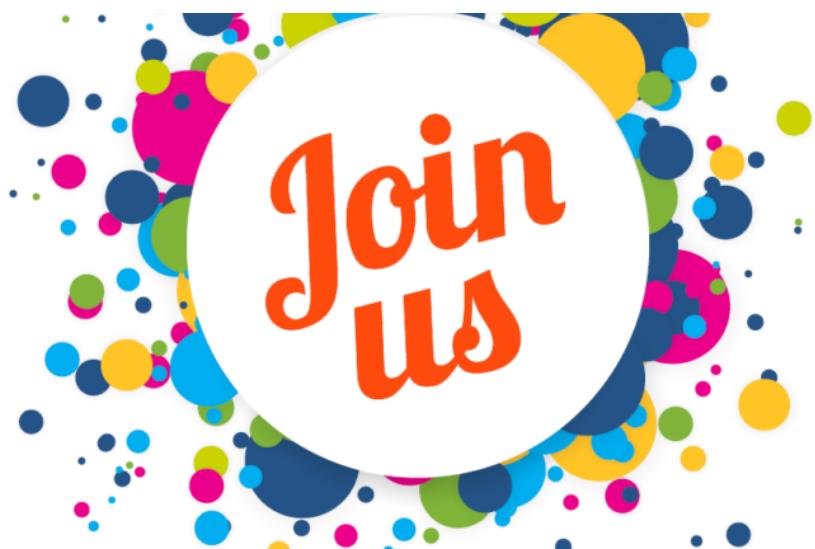

We must devote ourselves to this task – keeping our eyes and ears open for the opportunities to tap into the Spirit's power.

I believe we all have a multitude of chances – even in the simple details of our daily lives – to share God's love. We can change the world for the better by simple acts of kindness, consideration, charity, and good will with those we encounter.

With each breath – the breath of life and the breath of the Holy Spirit – we can choose to be a sign of God's love and an agent of God's grace. I pray you recognize the myriad ways that God is both calling you and empowering you, each and every day.

Blessings & Peace,  
Father Aaron+

## Praise Him With Strings and Organ

Have you thought about how the organ is a foundation for worship? It leads the whole church community in song. Our organ has a rich and glorious history. It has six hundred twenty-five pipes, with only 26 visible. There are two groups of 13 pipes at the front of the church. They are metal and were made in Germany. The other pipes are behind them in two chambers. These came from our old church on De Bow Street and from a Baptist church in Tennessee.

The first organ at Epiphany was dedicated on July, 1952. When the Parish moved to Sunset Drive, the new upgraded organ was dedicated on July 1992. There have been many additions to the organ over the years such as mixtures, pipes, trumpets, with the latest being the installation of the Zimbelstern, the bell sound you hear during the Sanctus. We have been blessed by many musicians who have shown us the beauty and magnificent sound that this instrument creates. During my time at Epiphany, Kay Benefield, Elizabeth Hostetter, and Mary Jo Evans have been our Ministers of Music.

So why am I writing about this? After all these years, our organ is in need of a major repair. I am not proficient in organ mechanics, but I know that a pipe needs a repair which cannot be done on site. Hollis Babb, our Junior Warden, has the specifics from the Milnar Organ Company. The organ is functional now, but some notes and stops do not work. The cost is approximately **\$6,200.** Your vestry has approved this repair and would appreciate any **contributions to offset the cost.** Thank you for your support and prayers of the music ministry.

-Cheri Blair, Music Director

Calling all musicians! In order to enhance our worship experience, I would love to have a list of all within our parish who play any instrument. Please give me your name, contact info, and the instrument you play. Thank you so much!

**Announcing The 2022 Ingathering of Household Goods for Refugees**

On Sunday, June 19<sup>th</sup>, the day before World Refugee Day, we will kick off our 2022 drive for household good benefitting resettled refugees.

This year we will transport the goods collected to Birmingham where the Alabama Interfaith Refugee Partnership ([ALIRP](#)) has its headquarters.

Also, we hope to coordinate with St. Luke's and St. Stephen's in Birmingham which are funding and/or organizing sponsors of ALIRP. We hope they will conduct drives about the same time so that ALIRP will experience a real windfall!

It is reasonable to anticipate that, due to the crisis in Ukraine, ALIRP and other resettlement agencies will experience greater needs than usual.

Lynda Wilson, head of ALIRP, has expressed great excitement about being the recipient of our drive this year. ALIRP partners with [Inspirits](#) in Birmingham and they are equally excited at our proposal.

Hopefully, knowing that our donations will be used closer to home will motivate us to even greater generosity in giving to the drive.

Last year's drive for Bridge Refugee Services was the most successful to date. Let's do our best to exceed the results of that drive.

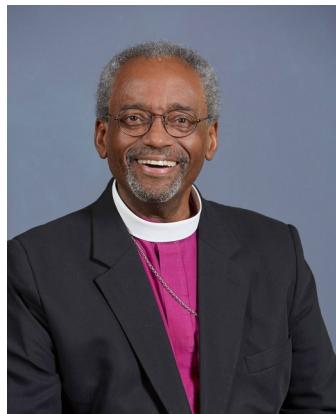

Two notes in planning for the drive:

Last year we discovered that Belk had a great "white sale" (sheets, pillows, towels, etc.) around the time of our drive. Keep that in mind as you think about your gift.

The use of large boxes (Amazon, Chewy, etc.) was a big help in packing and transporting. Try to save those boxes as you get them and bring them to the church shortly before the drive starts.

Think about being a part of the drive by helping with sorting, packing, and transporting goods. Volunteers are needed. Contact Jim Coleman at 256.640.0405.

There will be more news to come as we get closer to kickoff.

**St. Mary's On-the-Highlands, Birmingham**

HAPPENING is one of those things that must be experienced to be fully understood. During the three-day weekend, the participants spend time seriously considering the person and teaching of Jesus Christ in a relaxed, fun, informal and loving atmosphere. They are provided with opportunities to share, discuss, learn and live with fellow Christians in an environment of acceptance and understanding.
