DIOCESE of KENTUCKY

The Right Reverend Terry Allen White, Bishop

Diocese of Kentucky Creation Care Organizational Meeting

The Department of Peace and Justice for the Diocese of Kentucky would like to invite you to an organizational meeting of creation care ministry in the Diocese of Kentucky. The purpose of this meeting will be twofold:

1. To discern a way forward toward organizing a Creation Care Commission in the diocese. Just as with the Commission on Racial Reconciliation, this is a lengthy process of discernment and organization. A mission and purpose must be set. Function, staffing, and organization determined. Clarity and acceptance from stakeholders in the diocese obtained. Its culmination would be passing a resolution at annual convention which calls for the creation and funding of the commission.
2. To maximize the opportunity for creation care ministry during General Convention in Louisville in June, 2024. The time for this is already upon us. What resources and materials might we want to make available? What events might we want to host or attend? What networking and relationships might we want to establish leading up to the convention? What energy for creation care ministry might we tap into in this moment of opportunity?

This meeting will be held in person and on Zoom on Wednesday, June 21st at 6:30 p.m. The in-person meeting will be held at St. Matthews Episcopal Church, Classroom A. For those who cannot come in person, we will also have a Zoom meeting up and running. That Zoom link is below.
