Important Information for Vestry & Congregational Leadership

Leadership Newsletter

- You will be subscribed to the leadership and general newsletters automatically when you are listed as congregational leadership/vestry. Be sure to read the newsletter for important due dates, events, resources, etc.

Congregational Leadership Conference

- This is a helpful, free conference that the diocese hosts annually at Christ Church, Bowling Green. It offers great resources for vestry members and congregational leaders, as well as fellowship with leaders at other congregations.
- This is held in late February or early March - registration and info will go out in January.

Leadership Report

- Lists all vestry and congregational leadership with contact info
- Congregations will receive the link to this online form in January
- Due March 1st

Parochial Report

- Annual statistical report intended to assist the Church in planning for mission.
- Congregations will receive the link & info for this in January, at the same time as the leadership report info. This is not a quick form to fill out, so you'll want to get started on this as soon as it's available.
- Due March 1st

Financial Review

- Canon law requires an annual audit to be completed by each parish.
- Information will be sent out about this in August
- Due by September 1

Assessment Letters

- The assessment letters are created using your parochial report info, and state that 13% of the income you reported in your parochial report will be committed to the diocese, paid out monthly. The letter states your total amount, and your monthly payment amount.
- The letter will be mailed to you in late June or early July - all you do is have it signed by the rector, senior warden, and finance chair/treasurer and then send the signed document back to the diocese.
- Due September 1
