Dear sisters,

Remember when the number “2020” brought to mind perfect vision and not an exceptionally challenging year? Although both of us are new to our roles as the Foundation’s leaders, we are not new to this exceptional sisterhood. Navigating the world and nation’s current state will take serious work, but we’re ready to embrace this challenge. The future of the Delta Gamma Foundation is crisp, clear and in focus.

A wise sister recently said: “When nothing is sure, everything is possible,” and we couldn’t agree more. Our sisterhood unites us and created opportunity to accomplish so much in 2019-2020. Your support enabled us to award over 400 merit-based scholarships and fellowships, as well as 69 Sisters Helping Sisters: Need-Based Scholarships. These awards recognize academic excellence and allow our sisters to focus on their academics without the burden of taking on additional loans or jobs.

Your gifts have also allowed us to grant over $800,000 to the Fraternity to provide outstanding training and programming for our members in the areas of social responsibility, well-being and leadership. Giving collegians tools to learn and grow through unique approaches that only Delta Gamma can offer is just one of the ways the Foundation is here for our sisters.

Through serving others, we’re able to learn the true meaning of philanthropy. Delta Gammas are known for providing hope to individuals in the blind and visually impaired community. This past year, your generosity allowed us to award more than $885,000 in Service for Sight grants to national and local organizations. Members also gave more than 117,000 service hours this past year, showing just how committed Delta Gammas are to helping others.

Your support of the Foundation reminds us that at all times, especially in times of trouble, you take the bonds of Delta Gamma to heart. We’re thrilled to have been chosen to lead the Foundation and invite you to continue your Delta Gamma journey with us. The Foundation’s work is more critical than ever because the pursuit of doing good is never done!

Chairman pictured above.
I am incredibly proud of my Delta Gamma journey, and it is one I love to share. I share the people I met, the chronological milestones and the pride I feel. Delta Gamma prompted me to take life more seriously, to identify and accomplish goals and be a confident woman in the workforce. It’s hard to describe the feeling when I am next to a sister at a wedding, looking at them through the same eyes as when I was 19, but having the joyous experience of learning how far they’ve come.

Due to the COVID-19 pandemic, both of my income sources were paused, leaving me worried how to move forward. As the reality of the pandemic set in, I felt strong knowing my community and I would somehow persevere. I began planning to ensure my circumstances did not worsen. Not having income is scary, but not knowing how to ask for help is even scarier.

I received an email from the Greater Kansas City alumnae chapter, reminding members of the Crisis Grant program. I initially dismissed the idea of applying, thinking there are many other sisters who could use that assistance and it should not be an option for me. But then I reconsidered.

It took a lot of courage to ask for assistance as I have remained financially independent for most of my adult life. I have maintained two jobs and have never been too proud to spend Saturday nights clearing tables and washing dishes. I realized if there was ever a time I would feel comfortable asking for assistance, it would be now. Furthermore, if there was ever a time I could turn to my Delta Gamma sisters, it would be now.

I applied for a Crisis Grant believing I was a good candidate: one who is deserving, but more importantly, one who believes in the good Delta Gamma can bring to sisters’ lives. I have helped many sisters along the way and am happy I was able to experience this type of reciprocity during an unknown time. This Crisis Grant is a blessing. It created a solid and consistent financial foundation and has given me confidence in moving forward. I enjoyed applying for this grant, as it represented how Delta Gamma will always be a pillar to lean on.

In the Bonds,

Kaitlin, Delta Zeta-Memphis

"IF THERE WAS EVER A TIME I COULD TURN TO MY DELTA GAMMA SISTERS, IT WOULD BE NOW."
**The Pursuit of Doing Good Is...**

**Sisters Helping Sisters**

Sisters Helping Sisters: Need-Based Scholarships provide tuition support for collegiate members in financial need, assisting them in completing their education. In the 2019-2020 fiscal year, the Foundation granted $2,500 scholarships to 69 deserving collegians from 46 chapters.

“This academic year, I had to pick up a fourth part-time job and it was really taking a toll on my academic performance and was always in the back of my mind being a stressor for me. Our adviser shared this scholarship opportunity and encouraged me to apply and it was such a great decision. Receiving this scholarship has helped with some of my financial burdens as an out-of-state student and having little to no family contribution. It has impacted me by helping me focus on my academics, allowing me to focus on my classes, and truly enjoy learning again. I have been able to get back to my regular work level and it has helped my physical and mental health as well. **Receiving this scholarship has really helped with my stress level and ability to focus in and outside of the classroom. I cannot say thank you enough.**”

— Mercedes Olson, Theta-Indiana

“The Delta Gamma Foundation generously supports current sisters and alumnae, so I was proactive in searching for scholarships due to my extra financial need this semester. **The Sisters Helping Sisters: Need-Based Scholarship has lifted a weight off my shoulders in college.** It has allowed me to focus more on my education and activities, which I am especially grateful for. The amount of support from the Delta Gamma Foundation and my chapter has been incredible and life-changing. Thank you for this amazing assistance!”

— Alea Rashid, Alpha Tau-Butler

“While going through recruitment, Delta Gamma showed the ways they can help me financially, especially through their fantastic scholarship programs. I was so inspired by the Foundation’s efforts that I decided to run for the position of director of scholarship. I decided to apply for the Sisters Helping Sisters: Need-Based Scholarship because it was very much needed in my household. If it weren’t for the encouragement of my sisters, this may not have been something I achieved. Receiving the Sisters Helping Sisters: Need-Based Scholarship has so greatly impacted my time in college. **Facing the financial difficulties brought by the COVID-19 pandemic, this scholarship has provided me with a great relief for the upcoming semester.** I will now be able to focus on my academics and further my education rather than the stressors brought by my tuition.”

— Kristen Ruzicka, Eta Nu-Hofstra
Meet Lawrence (LoLo)! Lawrence is a very smart and curious 4-year-old. He loves to explore how things work, and problem solve. He is full of joy and enjoys imaginary play, books, doing arts and crafts, and playing outside. Lawrence was adopted from China in May 2019. He has microphthalmia in his right eye resulting in no vision in that eye, and his left eye has impaired vision due to an abnormally shaped retina. But this doesn’t stop his learning! He has some good functional vision and uses it very well to explore his world. At CCVI, LoLo is in a small class with other students with visual impairments or multiple disabilities as well as “sighted peers.” During his school day he receives a lot of one-on-one interactions with his teacher, teacher aides, and therapists. Learning to use a white safety cane to help him safely navigate unfamiliar environments is important for LoLo to gain independence.

LoLo’s mom says: “CCVI has given Lawrence so much confidence and rich learning experiences. He has not only learned to feel safe and secure, but has also been challenged in learning new skills and academics. His teacher Ms. Michelle works with him on maximizing his functional vision throughout the day. She creates a safe and fun classroom community and challenges her students while also meeting them where they are. Knowing how happy he is during his days at school, and how much he is learning and growing, is invaluable. Seeing him meet his age-level potential with both a visual impairment and a background of international adoption is a priceless gift and CCVI definitely provided a place where he is truly loved and able to thrive! He loves going to school!”

Meet Tristan! This 3-year-old is smart, constantly learning new things, strong and caring. He loves to swim, plant flowers, and play with his toy school bus. At Tristan’s six-month check-up, his right eye was a bit lazy. It was then that an ophthalmologist diagnosed Tristan with nystagmus associated with albinism. Tristan uses glasses to improve his vision, and his play space is tilted and elevated. Tristan is also learning from his two older brothers!

Tristan’s mom says: “Every aspect of Tristan’s daily life has been improved by being a student at Children’s Center for the Visually Impaired (CCVI). The school has helped Tristan navigate depth perception, which was most helpful when he was learning to walk and eventually run. He learned the skills to keep up with his big brother and cousins and loved the swim classes they offer. CCVI has helped to relieve our concerns with his development. There were aspects of his vision that I hadn’t thought to address, and they have helped us help him by giving us play ideas and ways to help him further develop his skills. I am very thankful for CCVI and all they have done for Tristan and our family.”

When we do good, the world does better. You do good with your gifts to the Foundation. You support members in times of need. You provide training and programming to collegians to support their social responsibility, health and well-being, and leadership skills. And you provide access and advocacy for those in the blind and visually impaired community through Service for Sight. You make the world better, and we are so grateful to accomplish so much together with you. Thank you for being part of our Do Good Sisterhood.
1873 Society

The following members are recognized for reaching the 1873 Society with lifetime gifts of $1,873 up to $4,999 based on giving through June 30, 2020. Deceased members are marked with italics.

Collegiate Chapter and Alumnae Group Gifts
Directed to Service for Sight Organizations

Chapters and groups may direct a portion of their gifts to the Delta Gamma Foundation to a local 501(c)(3) organization that shares our Service for Sight mission. The following is a list of organizations receiving grants made possible by collegiate chapters, alumnae groups and house corporations for fiscal year 2019-2020. Delta Gamma Schools for Children with Visual Impairments are marked with the apple icon.
