

## Equipment Today's 2026 Contractors' Top 50 New Products Award

Nominations are now open for Equipment Today's 2026 Contractors' Top 50 New Products award, which recognizes the best new product introductions and enhancements for the commercial construction industry.

### What is the overall timeframe?

**Submissions open:** Monday, March 2, 2026

**Entries due:** Friday, May 22, 2026, at 11:59 PM CST

**Featured on** ForConstructionPros.com/Equipment.

### Submission criteria include:

- The new product must be in the commercial construction space.
- Submitted products must have been launched, announced, NEWLY available for order, or updated in a significant way between March 31, 2025, to May 1, 2026.
- If the product is a major upgrade of a previous model, the upgrade and changes must be detailed below. Equipment Today's editorial staff will determine if the upgraded product warrants entry. (This allows announcements from CONEXPO CON-AGG 2026.)
- Companies can be located nationwide and/or internationally.
- Applications are free; there is no charge/fee to apply.
- Products that won in previous years are not eligible. We strongly recommend submitting a new product for this year's award program.
- Application must be completed in full to be considered. Incomplete submissions will be disqualified. Be sure to hit "Submit" at the end of the application process.
- Product names, titles, and other information will be published as listed in the nomination form. *Equipment Today* will not be held responsible for publishing names or other information that was incorrectly submitted in the nomination process. Please proofread your work.
- All applications must be submitted electronically. Applications submitted via email or other platforms will not be eligible.
- Information provided in the application may be used in print and online.
- Limit up to three submissions per company. Only one product per company will be eligible to win. Multiple applications for the same product will be disqualified.
- Companies can self-nominate. Nominations can also come from suppliers, vendors, and customers. PR/marketing firms can nominate more than one client.
- *Equipment Today* reserves the right to adjust selected category of entry.
- Honorees are vetted by *Equipment Today's* editorial staff.
- Multiple applications for the same new product from the same applicant could result in disqualification.
- Winners ARE NOT determined based on relationship or advertising position with *Equipment Today*.
- Previous wins do not automatically guarantee a spot in this year's award. Wins from other awards not related to *Equipment Today* will also not automatically guarantee an award.

- **Nominations close Friday, May 22, 2026, at 11:59 p.m. CST.** Equipment Today **will not** accept any past due submissions.
