

Green Industry Pros 2026 Editor's Choice Award

The Green Industry Pros Editor's Choice Award recognizes the hottest products, equipment, and software in the green industry.

What is the overall timeframe?

Entries Open: Monday, March 23, 2026

Entries Due: Friday, May 1, 2026

Winners will be announced: Friday, July 17, 2026, on GreenIndustryPros.com. Winning companies will receive a glass award and marketing kit.

The Criteria Includes:

- The *Green Industry Pros* Editor's Choice award winners must be applicable to the landscape industry.
- Submitted product must have been launched, announced, **NEWLY** available for order, or updated in a significant way between April 2025 to May 1, 2026.
- If the product is a major upgrade of a previous model, the upgrade and changes must be detailed below. Green Industry Pros' editorial staff will determine if the upgraded product warrants entry.
- Products that won in previous years are not eligible. We strongly recommend submitting a new product for this year's award program.
- Limit up to three submissions per company. Only one product per company will be eligible to win. Multiple applications for the same product will be disqualified.
- Companies can self-nominate. Nominations can also come from suppliers, vendors, customers, co-workers, PR/marketing firms and/or the companies themselves. PR/marketing firms can nominate more than one client.
- Applications are free; there is no charge/fee to apply.
- International manufacturers are welcome to enter. Entries must be in English. Product must be made available for order and use in the United States.
- Entry must be completed in full to be considered. Incomplete submissions will be disqualified. Be sure to hit "Submit" at the end of the application process.
- Entry must be submitted electronically via the entry form. Emailed entries will not be accepted.
- The information provided in the application may be used in print and/or online.
- Product names, titles and other information will be published as listed in the nomination form. Green Industry Pros will not be held responsible for publishing names or other information that was incorrectly submitted in the nomination process. Please proofread your work.
- Unless provided by other means, **NO** information sent via the Green Industry Pros Editor's Choice Award will be released earlier than the scheduled announcement. Embargoed information and details will be acknowledged and respected.
- Entries are vetted by the *Green Industry Pros* editorial staff.
- Green Industry Pros reserves the right to adjust selected category of entry.

- Winners ARE NOT determined based on relationship or advertising position with Green Industry Pros.
- Previous wins do not automatically guarantee a spot in the following year's award. Wins from awards not related to *Green Industry Pros* will also not automatically guarantee an award.
- Nominations close Friday, May 1, 2026, at 11:59 p.m. CST. Past due submissions will not be accepted.
- Questions can be directed to Editor-in-Chief Jonathan Kozlowski at jkozlowski@iron.markets.
