THE TOP MEDIA RESOURCES FOR SUPPLY CHAIN LEADERSHIP

The supply chain network is a powerful combination of brands with a 40-year history of creating actionable content that educates and informs supply chain executives across the globe. We are the only publishing partner who truly serves the supply chain industry end-to-end, and the clear industry leader in regard to marketing capabilities.

Our subscribers work at Fortune 500 companies such as **Walmart**, **Amazon**, **Ford**, and many others. Our strength is connecting supply chain buyers and sellers through targeted campaigns that can be tailored to accommodate a range of marketing objectives.

Current Company Subscribers for *Food Logistics* & *Supply & Demand Chain Executive* Brands:

ENGAGED SUPPLY CHAIN AUDIENCE SNAPSHOT

The ACBM supply chain network is unique in its digital first approach. *Supply & Demand Chain Executive* reaches more than 122,000 C-level executives involved in the end-to-end global supply chain in every vertical. Audience reach include executives in corporate, procurement, purchasing, logistics and operations management roles in 27 different manufacturing and non - manufacturing industries.

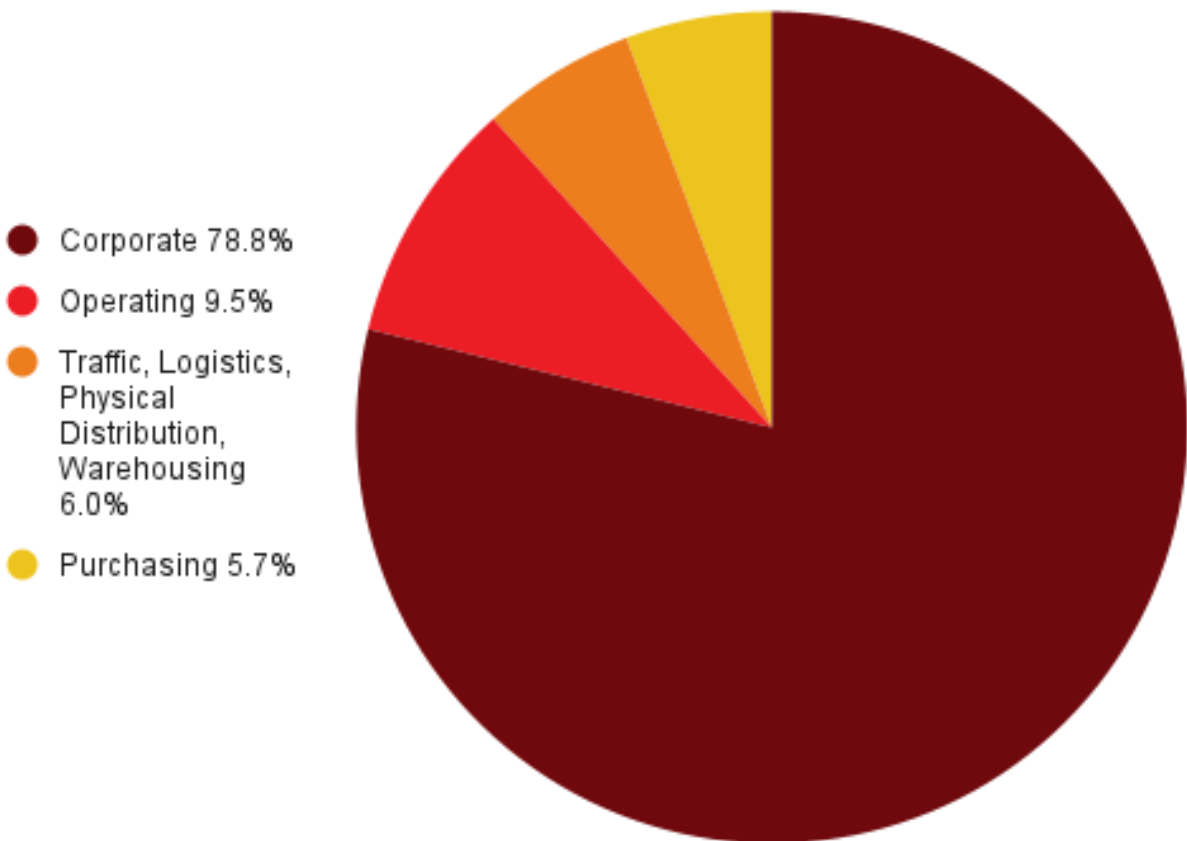

Food Logistics reaches more than 26,000 supply chain executives in the global food and beverage industries. The audience includes executives in both the food and the logistics sectors who share a mutual interest in the operations and business aspects of the global food supply chain.

Our properties are known as the premier media resources for supply chain executive leadership.

SUPPLY CHAIN LEARNING CENTER

This continuing education hub was designed with the busy supply chain professional in mind. The Supply Chain Learning Center provides a convenience resource for exploring educational offerings and certification options from various leading industry organizations, all in one location.

By becoming a Supply Chain Learning Center partner organization, we'll promote the hub to beginners and seasoned pros alike, driving traffic to the site to learn more about your educational offerings, with the ultimate outcome of enrolling in your course.

SOCIAL MEDIA PROMOTION

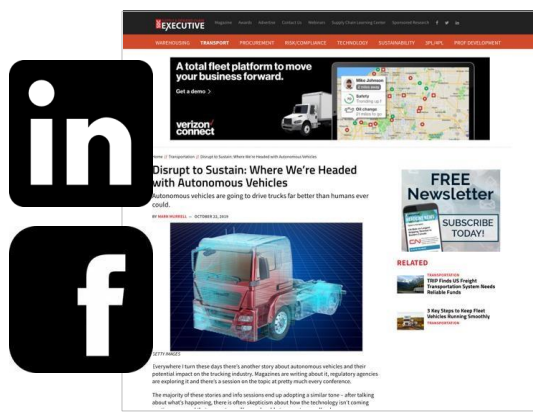

Extend your reach beyond advertising on our core websites with targeted advertising across social platforms such as Facebook, Instagram and LinkedIn. Using our proprietary 1st party subscriber data and behavioral data from our websites, we can target those same users with sponsored posts as they browse their feeds.

Benefits

- Sponsored posts are data-targeted to the segment most relevant to your campaign
- One size fits all posts that can be repurposed on multiple platforms
- Ads display for users within main user feeds, right rail and within mobile apps
- Detailed performance metrics are available for all social campaigns

Fast Facts

- We offer a variety of social ad unit sizes and types that reach users in- feed, side-bar and within stories.
- On average, social extension ad campaigns receive higher click-through rates than on-site banner ads.
- About 75% of Facebook users and 60% of Instagram users visit those social platforms at least once a day.

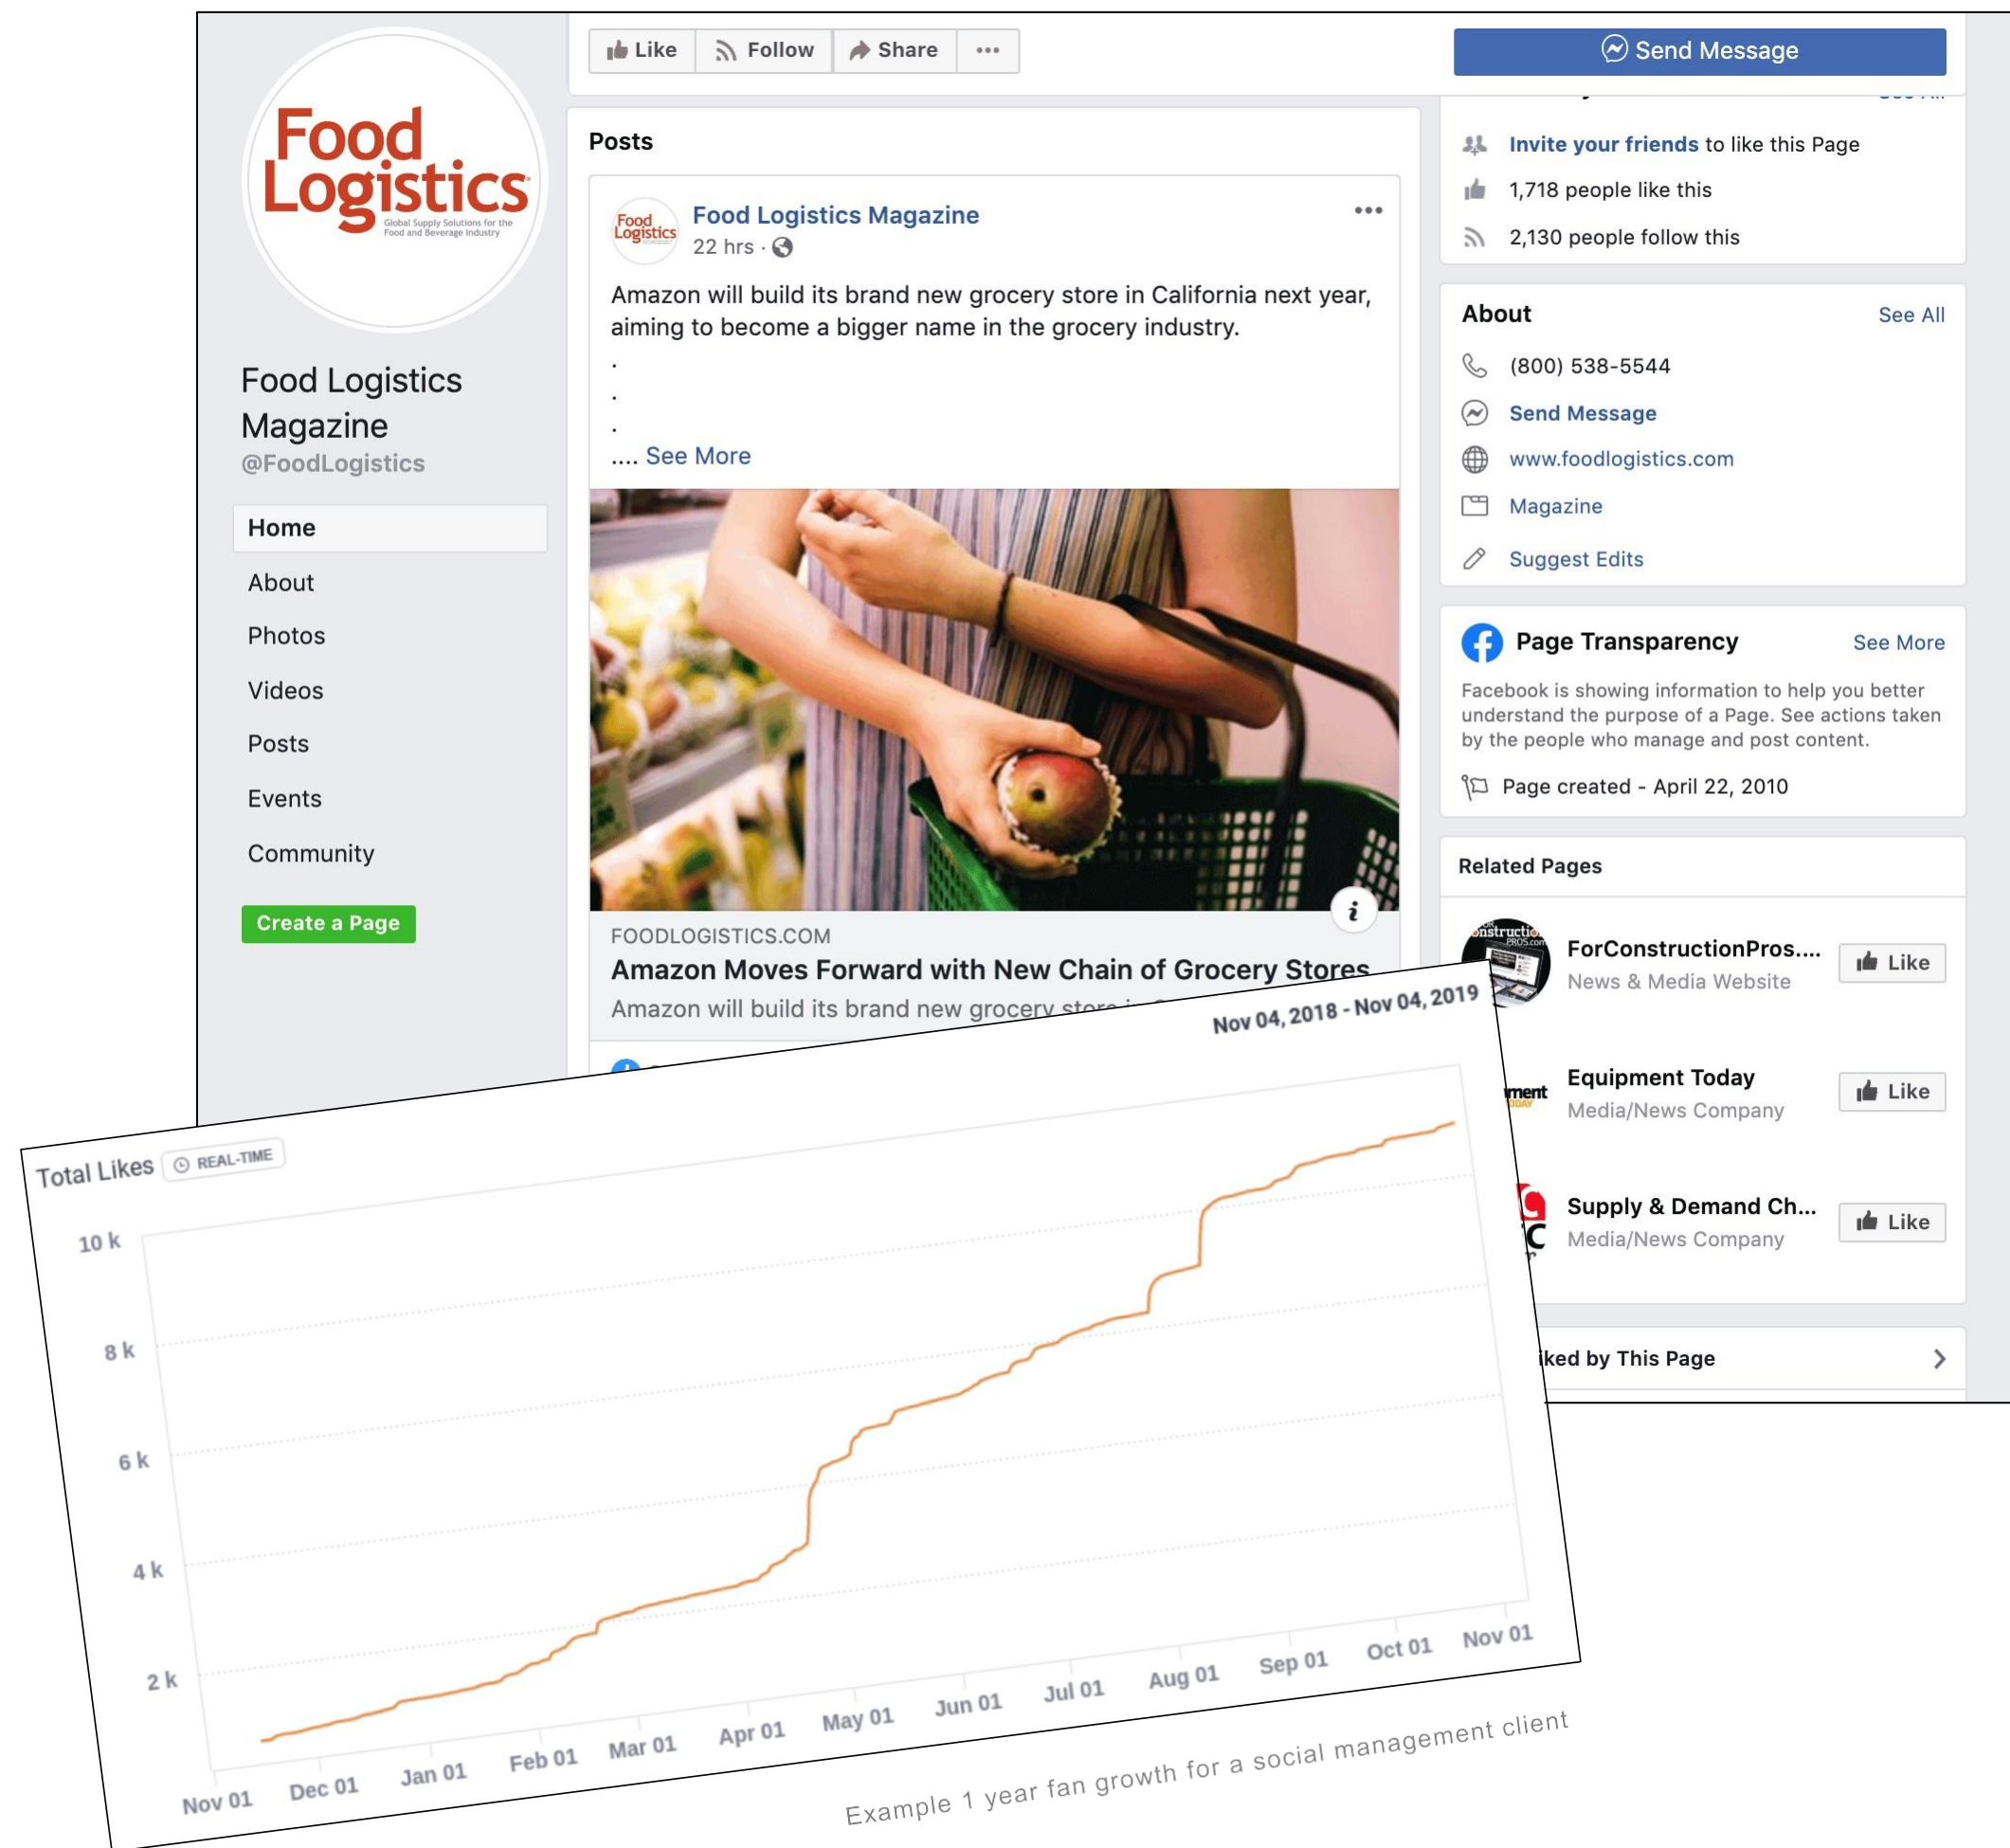

SOCIAL MEDIA MANAGEMENT

Do you want to engage with your customers on Facebook but don't have the time or resources to manage a corporate page? We can do this for you!

Our team are proven experts in social media management and also know how to speak directly to your target customers because they are the same people who read our publications.

We can help you launch, manage and promote a corporate Facebook page for your brand.

- We know your brands and have the industry knowledge to engage with fans
- We have the dedicated staff to manage your social platforms, monitor your activity and engage with followers to grow your fanbase organically.
- Under our social media management, clients have seen an average 71% increase in post engagement.

DEDICATED EMAILS

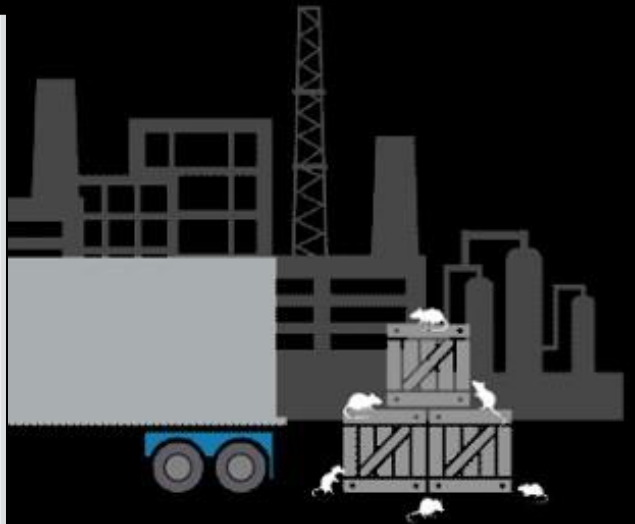

One of the most impactful ways to communicate the value of your products and services directly to our audience is through a dedicated html email. This venue gives you ample space to showcase important imagery, marketing copy and the specific call-to-actions you wish to communicate to potential customers.

Leverage our database of over 108,000+ available recipients that can be deployed to an entire group or segmented to reach target sub-groups based on industry, behavior, job title, location and more.

Each Dedicated Email will include:

1. Pre-designed, HTML email message with all included images/copy/links
2. Subject line
3. Pre-header
4. ACBM team will oversee testing, Q/A, deployment and full reporting for each mailing

CUSTOM NEWSLETTERS

Our team can produce a fully customized Newsletter for you, including content that is either written by our editorial team, provided by your team or both. These custom Newsletter mailings are intended to focus on key industry topics and subject matters that are important to your targeted audience and align well with your brand. You will be the exclusive sponsor of each distribution.

The exact target segment for a Custom Newsletter is determined by our audience development team, based on your direction, and will influence pricing.

Promotion Included In Each Custom Newsletter

- Client Provided Content: 1-2 Main Photos, 375-575 Words Of Copy Depending On Size
- 600x200 Top Leaderboard Banner Unit
- 210x140 Sponsored Placement, 3-5 Word Headline, and 300 Character Description

NEWSLETTERS

83,600+ Total Newsletter Subscribers

Food Logistics Today's News: 25,300+ subscribers

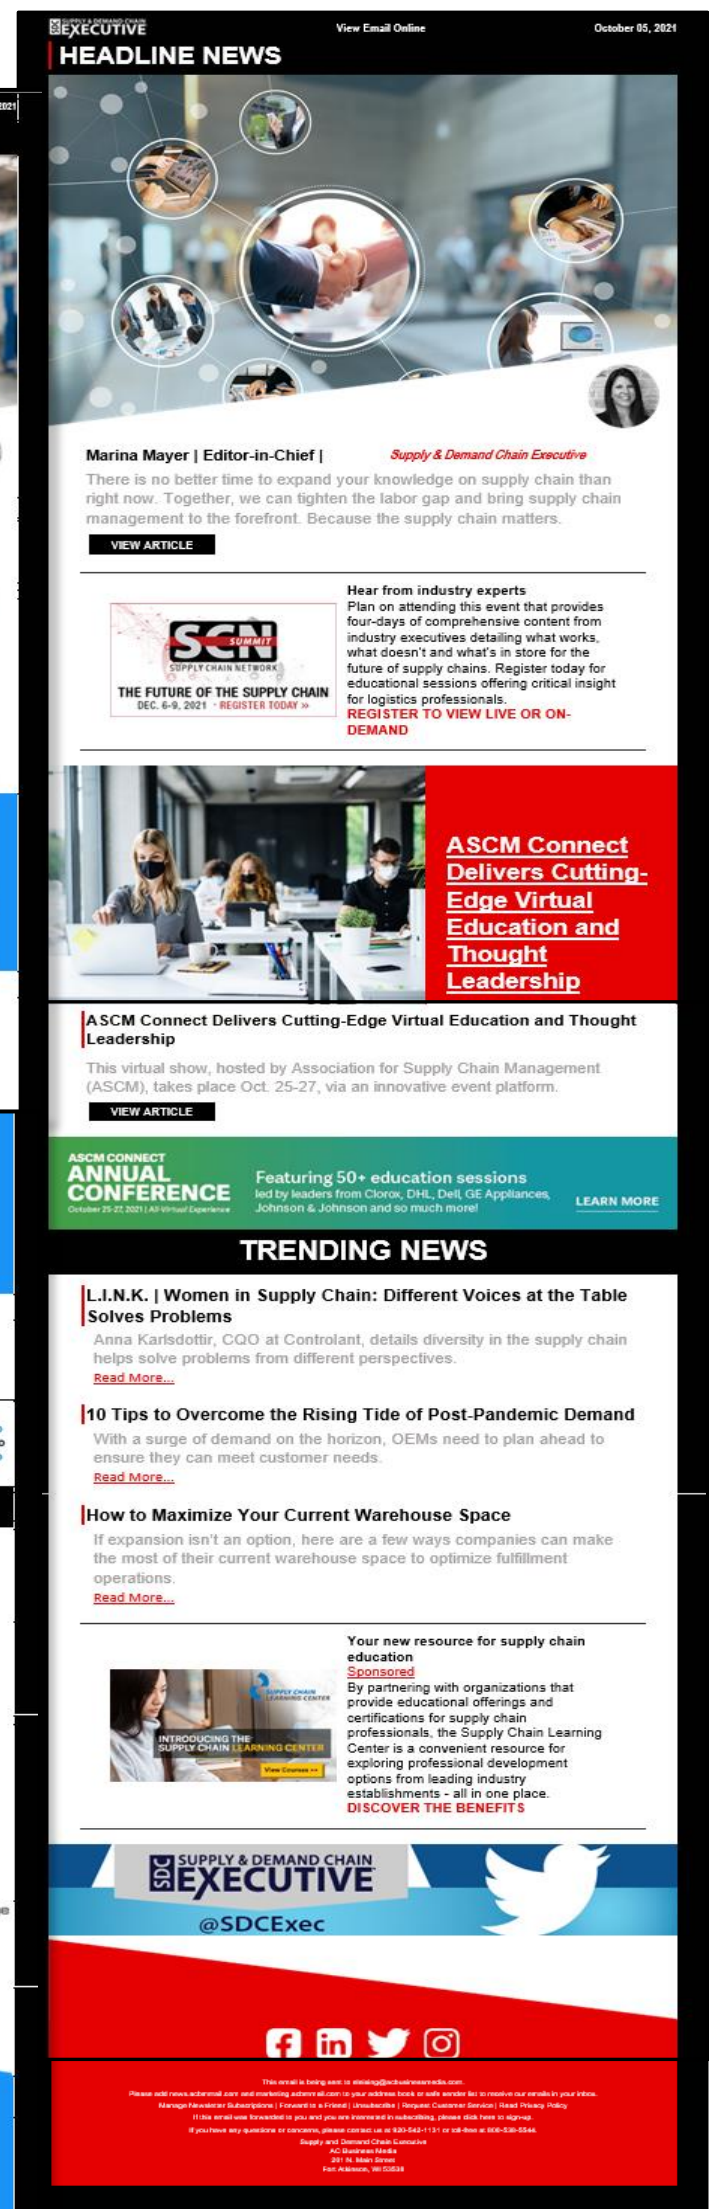

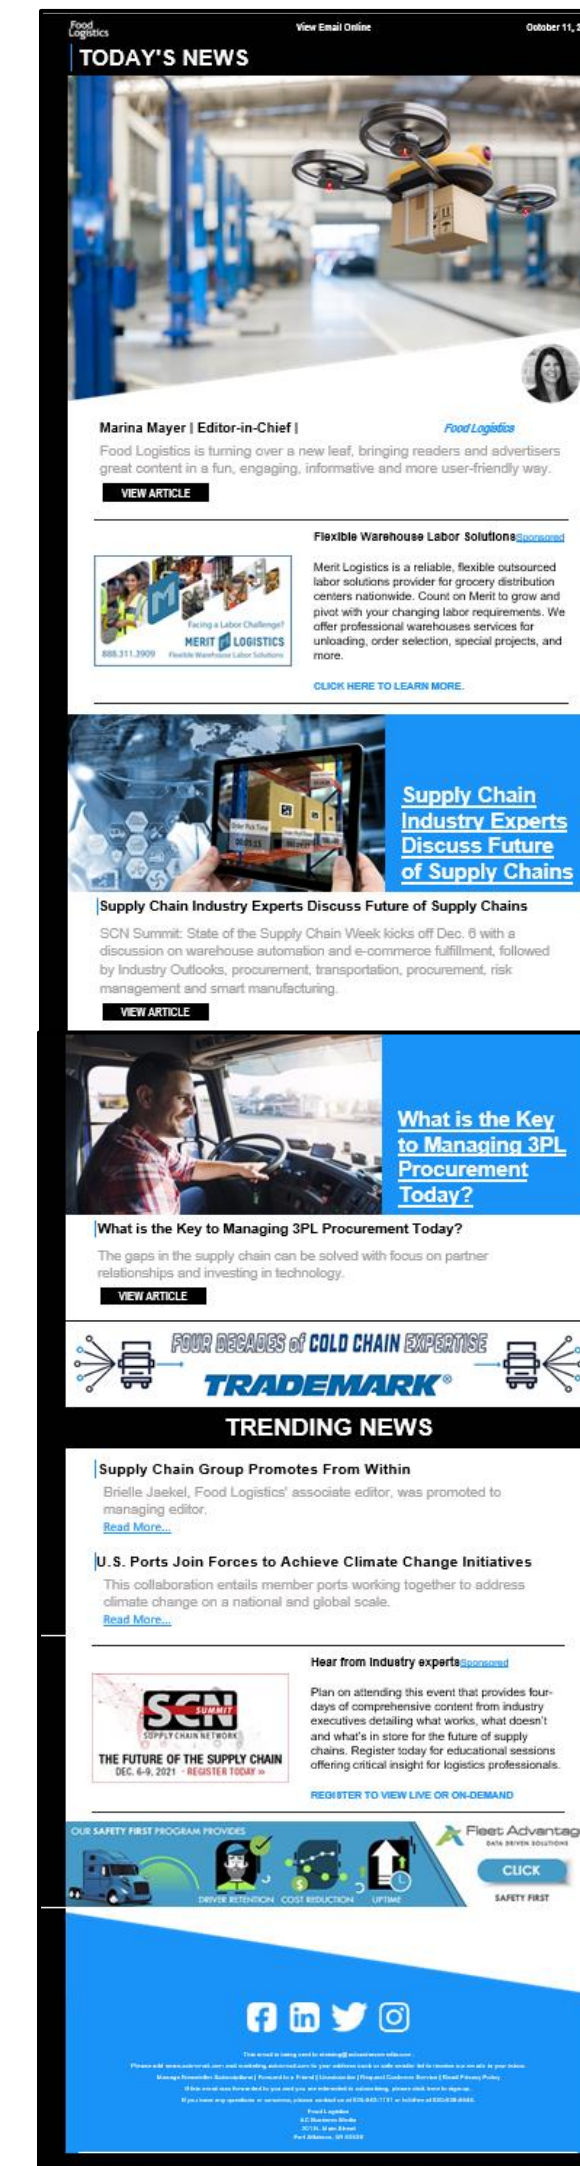

SDCE Headline News: 58,300+ subscribers

Both supply chain digital Newsletters are sent out **2 times** per week.

These mailings curate the most relevant content from our core websites and print publications, distributing them to engaged opt-in subscribers.

Available Ad Units in Each Issue

- 600x100 Display Units
- Native Display Units
- Can be used for video or product

PODCASTS

Podcasts offer a unique experience to provide valuable, in-depth information and create a deeper relationship with our subscribers. With smartphones being the primary source of engagement, it's easy for people to listen on morning commutes, during exercise or whenever is most convenient!

We offer a few ways you can connect with your target audience via on-demand podcasts:

1. Podcast Commercial Spot

- 30-second pre-, mid- or post-roll commercial during LINK or LINK Educate! podcast

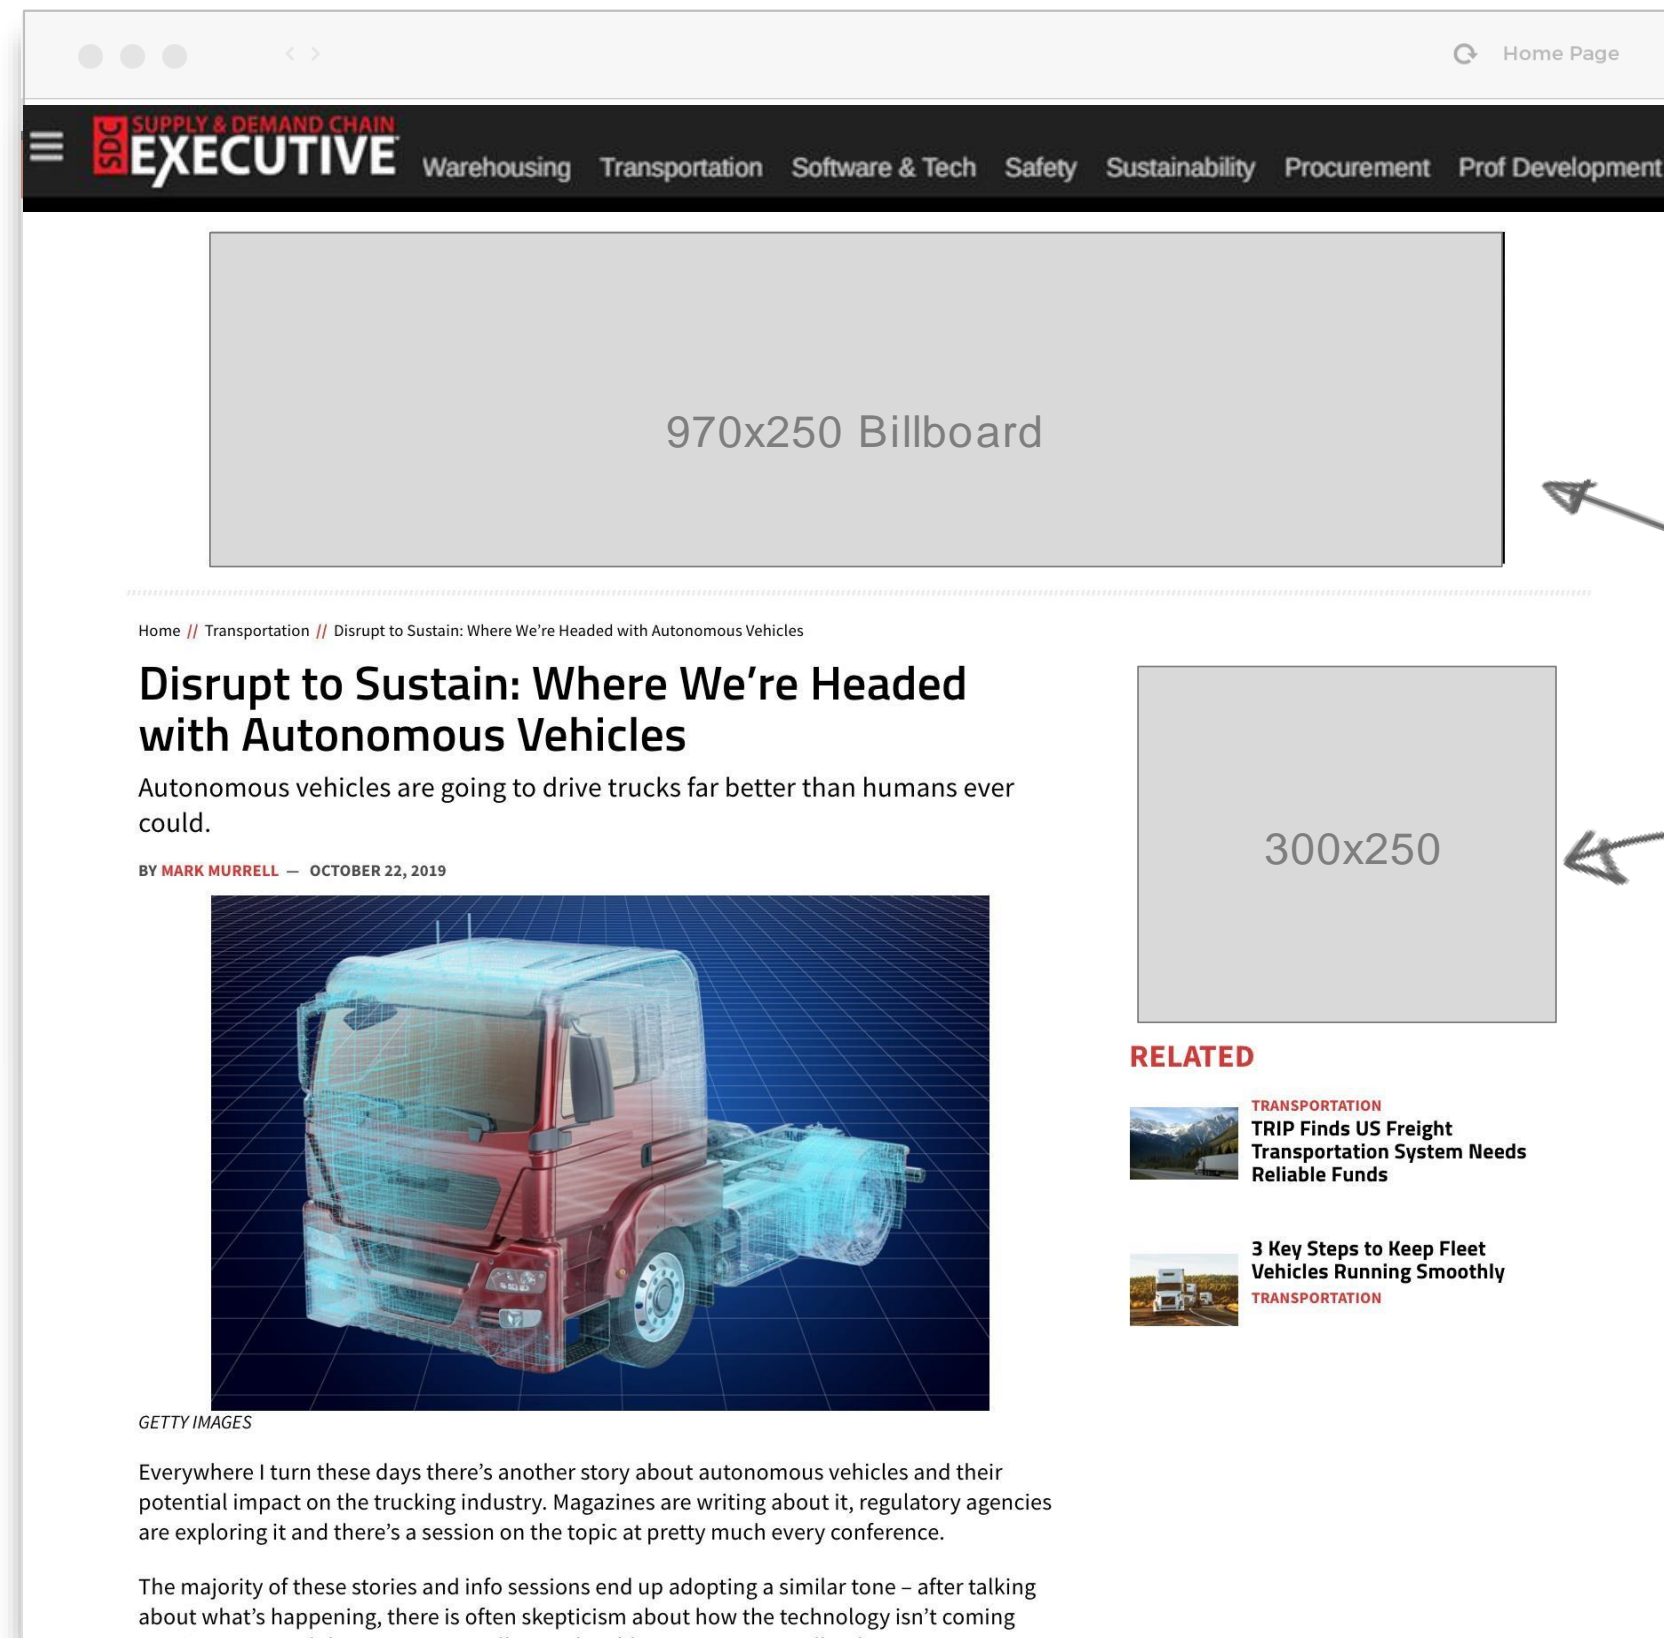

2. Individual Sponsored Podcast

- Create an educational podcast in partnership with LINK or LINK Educate!, positioning your company as a thought leader
- Podcast will be recorded as a discussion with your SME providing talking points to our editor for reference
- 30-second ad at the end of the podcast
- Edited by our team and submitted for your approval prior to publishing
- Cross-promoted via Social Media, Newsletters and Websites
- Posted in LINK podcast library

3. Sponsored Podcast Series

- A 6-part educational podcast series hosted in partnership with *Food Logistics/Supply & Demand Chain Executive* editor, positioning your company as a thought leader
- Published every other week for three months
- Podcasts will be recorded as a discussion with your SME providing talking points to our editor for reference
- 30-second ad at the end of the podcast
- Edited by our team and submitted for your approval prior to publishing
- Each podcast is promoted via Social Media, Newsletters, Websites and two Emails to 30,000 subscribers of your choice
- Edited podcasts are up to 30 minutes in length

WEBSITE BANNER ADVERTISING

We offer a variety of display banner opportunities across our core websites, with the ability to target specific sections and users depending on the goal of your campaign. These units are best used for high volume awareness campaigns and to keep your brand top-of-mind with our readers.

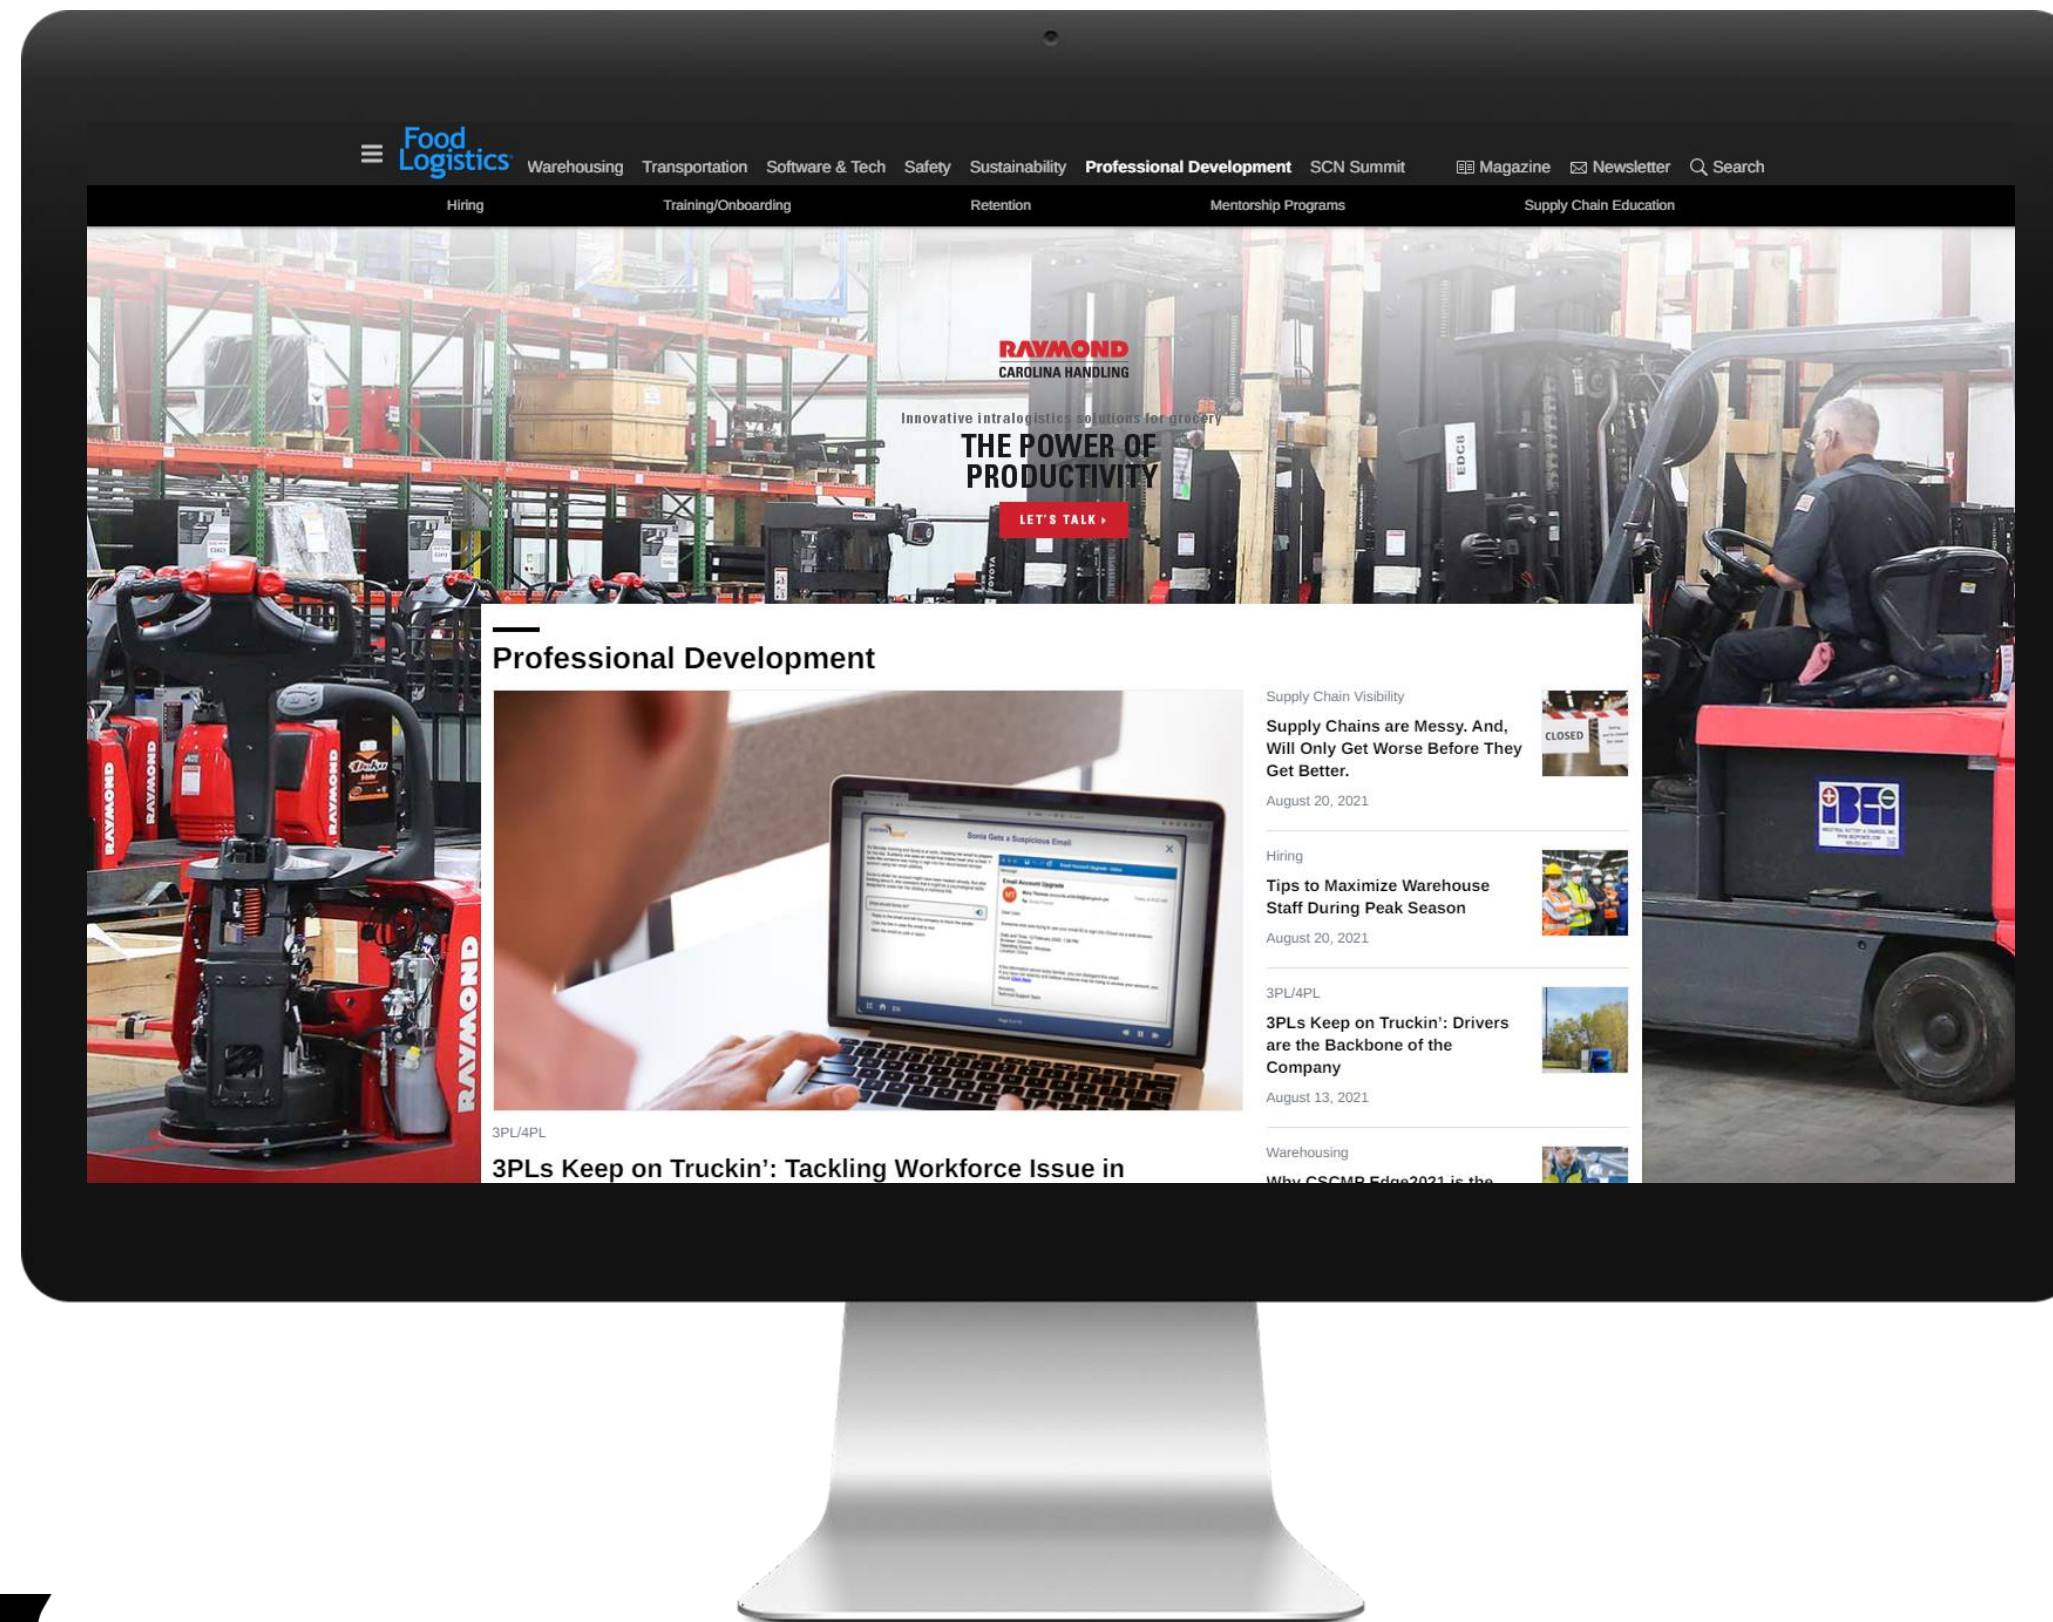

Standard banner units include:

1. 970x250 Billboard
2. 970x90 Super Leaderboard – viewable on computer
3. 728x90 Super Leaderboard – viewable on tablet
4. 300x50 Super Leaderboard – viewable on phone
5. 300x600 Side Rail
6. 300x250 Side Rail

Audience Extension Retargeting

Using 1st party and behavioral user data we also have the ability to re-target our audience offsite and further extend your banner campaign.

HIGH-IMPACT ONLINE DISPLAY ADVERTISING

High-impact display ads are an effective way to deliver your relevant message on a large scale. Your advertising will be inescapable as visitors browse the *Food Logistics* or *Supply & Demand Chain Executive* website consuming content that interests them.

Responsive Site Skin (Example)

- The responsive site skin places your branded image as a wallpaper in the background of our website. The 300x250 image/message will appear at the top of the page, as well as when there's a break in the content

HIGH-IMPACT ONLINE DISPLAY ADVERTISING

The image displays two screenshots of the Food Logistics website, illustrating the placement of Dematic takeover ads. The left screenshot shows the 'Latest' section with a Dematic ad in the 'Latest' section. The right screenshot shows the 'Transportation' section with a Dematic ad in the 'Recommended' section.

Left Screenshot (Latest Section):

- Latest:** A list of articles including 'Best Practices for Improving Driver Retention for the Long Haul', 'Truckstop.com Invests in Insurance Monitoring', 'Ocean Freight Sees More Issues with Suez Canal Blockage', and 'How the 2021 Rock Stars of the Supply Chain Kept the Industry Afloat During COVID-19'.
- Follow Us:** Social media icons for Facebook, Twitter, LinkedIn, YouTube, and Instagram.
- Dematic Ad:** A banner ad with the text 'Congrats to This Year's Rock Stars! We value your trust in Dematic Technology.'

Right Screenshot (Transportation Section):

- Transportation:** A list of articles including 'DHL to Deploy Autonomous Fleet 2024', 'Port Congestion Pushes San Pedro Bay Ports to Start Surcharge', 'L.I.N.K. | Jack Daniel's Gives Inside Look at Logistics Operations', and 'Supply Chain Visibility: Achieving Supply Chain Resiliency'.
- Dematic Ad:** A banner ad with the text 'Congrats to This Year's Rock Stars! We value your trust in Dematic Technology.'

Homepage or Channel Takeovers

- Your branding will completely takeover either the homepage or a website channel for a specified time frame, receiving 100% SOV. All ad sizes and site skin are included in this package
- Showcase your company as the foremost expert around one or more of these industry topics:
 - *Food Logistics* Channels: Warehousing, Transportation, Software & Tech, Safety, Sustainability and Professional Development
 - *SDCE* Channels: Warehousing, Transportation, Software & Tech, Safety, Sustainability, Procurement and Professional Development
- Options available to incorporate guaranteed lead generation to create a multifaceted campaign

SPONSORED CONTENT

Drive thought leadership with your content (*article, Q&A, infographic, Survey etc..*) or leverage our Editorial Experts and their industry knowledge to create a piece of content for you.

Multi-faceted program that includes several different promotion channels to maximize your exposure!

- ***Transportation:*** 3PL/4PL, Cold Chain, Last-Mile, WMS/TMS, Fleet Mgmt., Automation, Rail & Intermodal, Air Cargo, Trucking, Ocean Ports & Carriers
- ***Software & Tech:*** Software Solutions, Robotics, Automation, WMS/TMS, AI/AR, E-Commerce Solutions, Emerging Technologies, Supply Chain Visibility
- ***Procurement:*** Visibility Software, Procurement Software, Project Mgmt. Software, Financial Mgmt. Software, ERP, Manufacturing, Sourcing Solutions
- ***Safety:*** Regulations, Sanitizations, Pest Mgmt., Worker Safety, Plant, Safety, Risk/Compliance
- ***Prof Development:*** Hiring, Training/Onboarding, Retention, Mentorship Programs, Supply Chain Education

6-month program investment: \$3,995

Sustainability Sponsored Article

The logo consists of a red square containing the white letters "SDC". To its right, the words "SUPPLY & DEMAND CHAIN" are written in a smaller, black, sans-serif font above the word "EXECUTIVE" which is in a larger, bold, black, sans-serif font.

The logo features the words "Food Logistics" in a blue, serif typeface. The "F" and "L" are significantly larger than the other letters.

- Article posted 12 months
- Pinned post for 30 days on Sustainability Channel
- Dedicated email to 20,000 subscribers
- 100% SOV for 6 months on article page with ads

Investment: \$3,995

****Demand Gen Add on Available****

NATIVE CONTENT UNITS

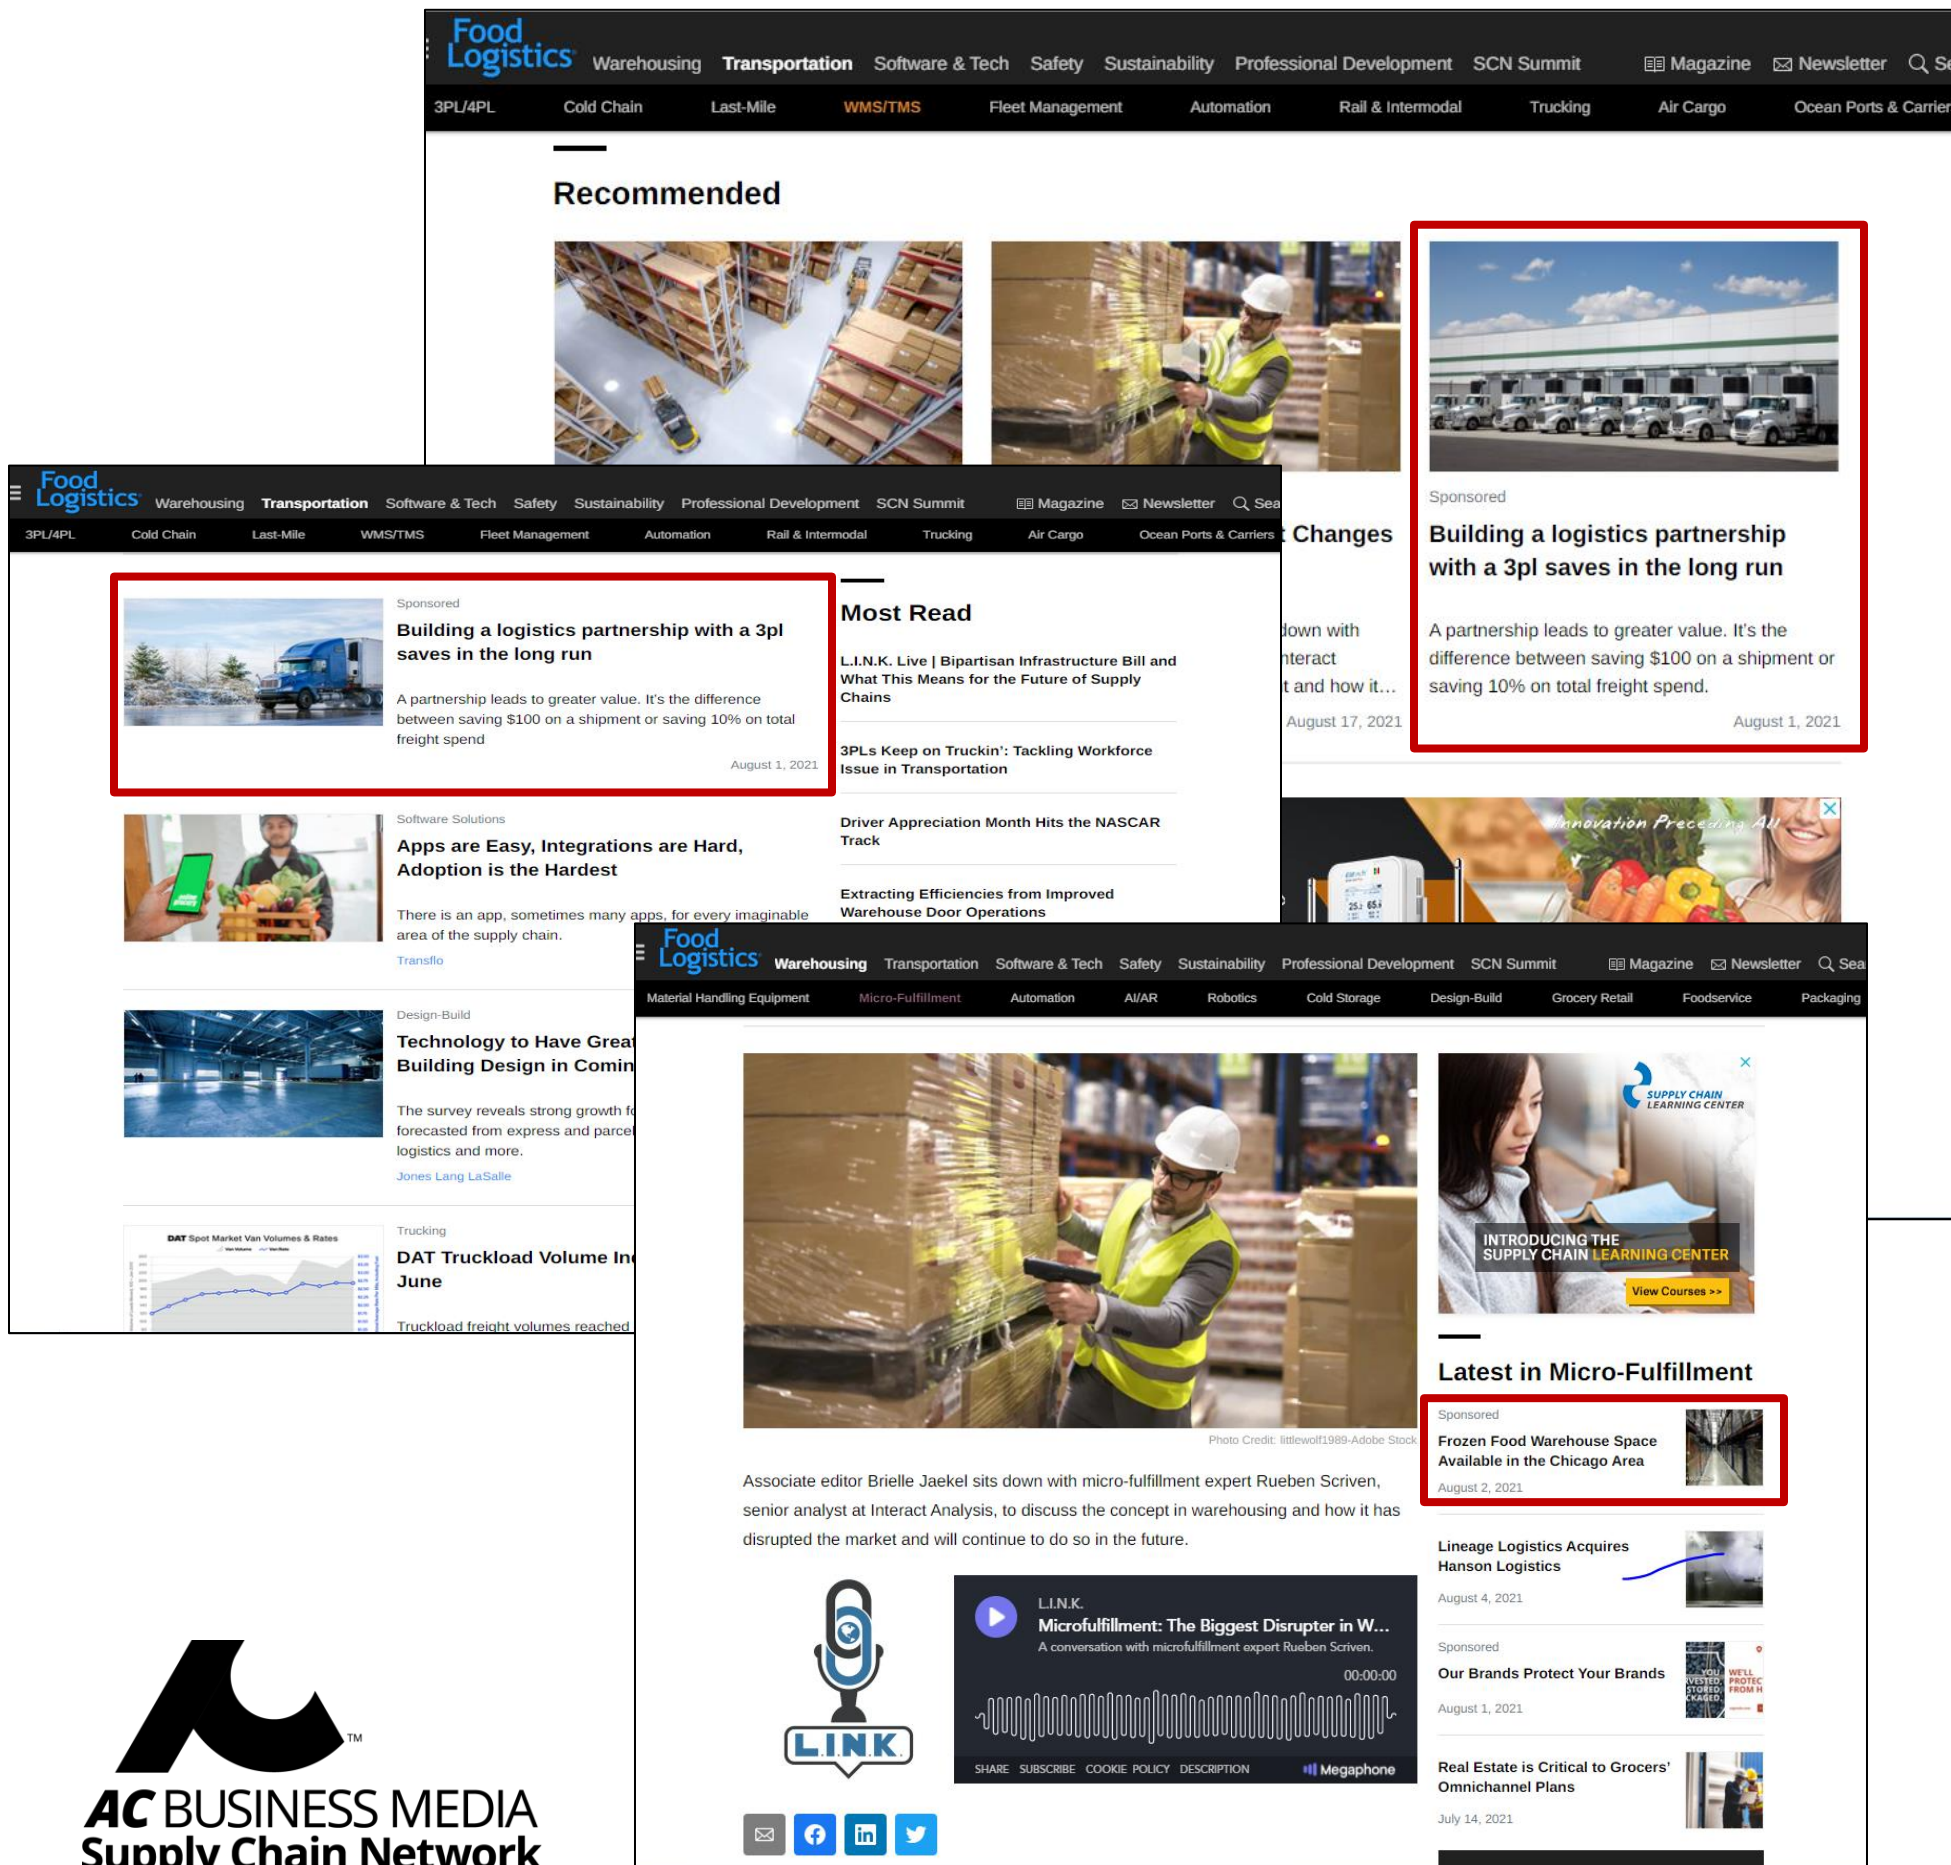

Seamlessly place your message within our on-site editorial content using our native ad platform. These native ad placements are designed to match the look, feel and function of our site's most valuable content, without looking like a traditional ad.

Native ad units rotate within our editorial content in **multiple ad sizes and locations**.

1. The larger native ads will appear within the “latest” column along the left-hand side or within the “recommended” row of content
2. The smaller native ad will appear under the “latest” column on an article's landing page

Benefits

- We target your ad based on channel category
- The ad will also appear anywhere that targeted channel content does across the website
- Addresses inherent limitations with traditional ads such as ad block and ad fraud
- Ad click-through links to your website or to designated Sponsored Content assets
- Research shows these types of advertisements receive on average, 8,000 -10,000 impression per month
- We supply a real-time reporting link to keep track of the success of your campaign
- New dashboard allows you to have full control over your creative throughout the entire campaign

ENTENT

LEAD GENERATION SERVICES

SC ENTENT

Offered Lead Generation Services

SC ENTENT Engage

SCN Summit

Sponsor exclusive sessions geared around topics our audiences are engaged in and generate MQLs for your sales and marketing teams

Content Syndication

Leverage high value content assets to drive MQLs & SQLs with defined lead goals on a pay-per-lead basis

Webinars

Participate as a panelist in our Partner Roundtable Series or host an exclusive one-hour webinar session, targeting your ideal prospect

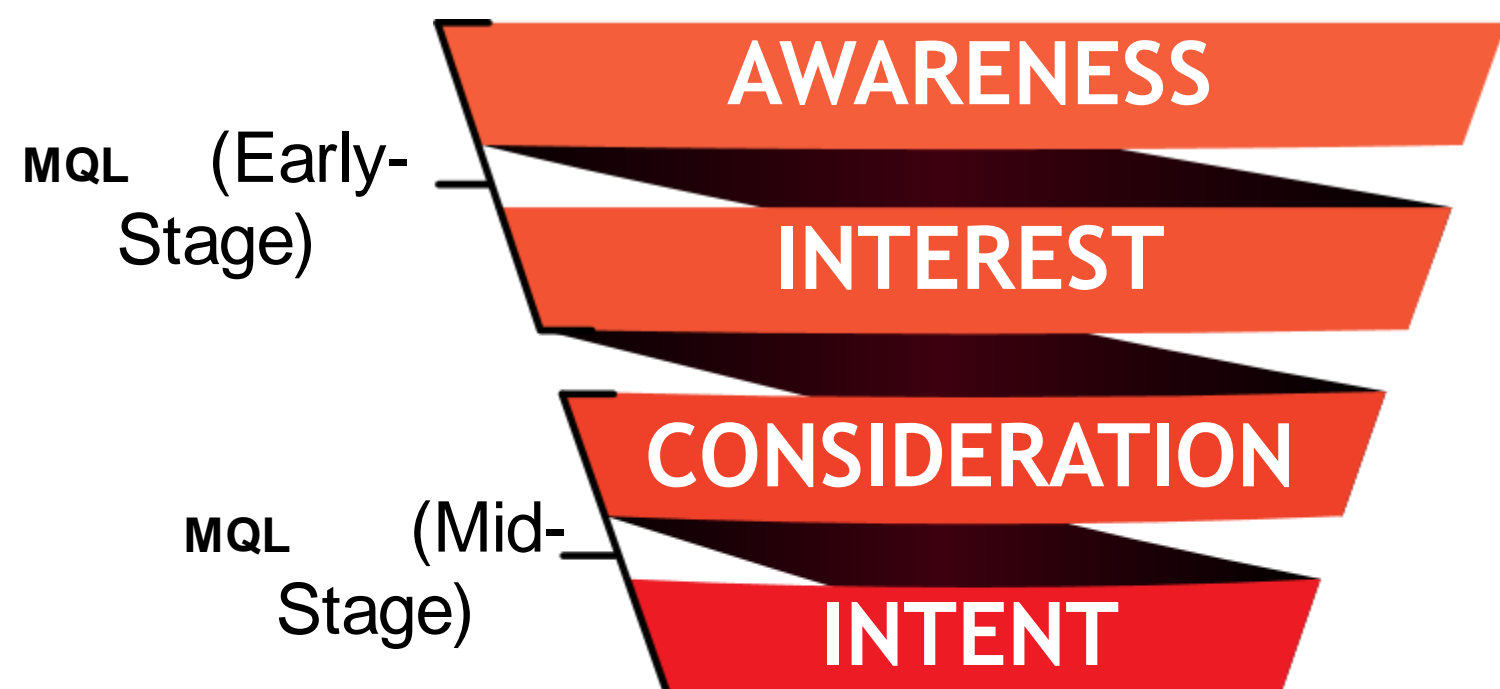

ENTENT ENGAGE

SC ENTENT Engage is a subscription-based demand-gen product that drives a mixture of MQL and BANT leads into your sales funnel – providing a mixture of prospects to nurture and prospects who are in market and actively considering new products and services.

Subscription based lead generation that provides a mixture of BANT and Early- to Mid-Stage MQLs that fit your targeting parameters...

Budget

Authority

Need

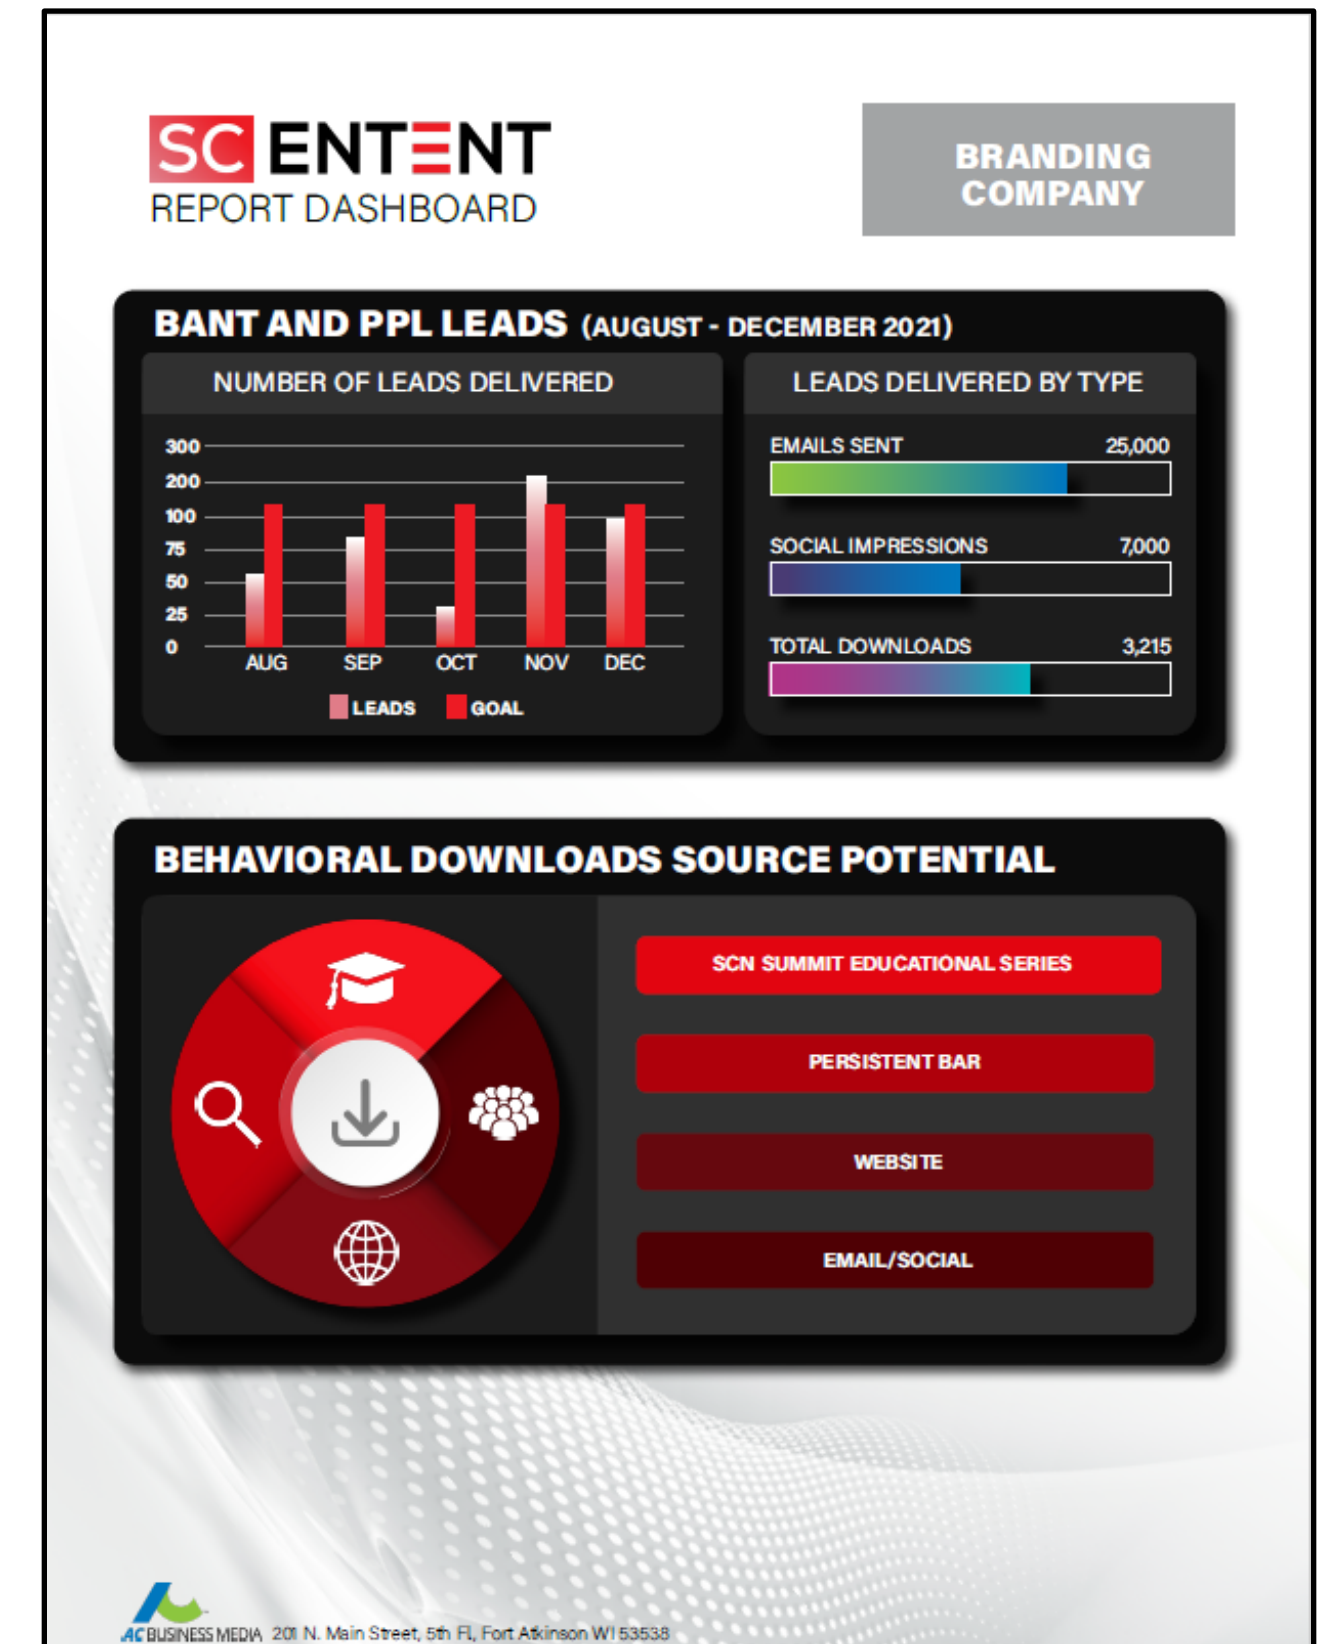

Timeline

Early to Mid-Stage MQLs collected via content syndication of your asset. Leads will fit the defined prospect audience (Business & Industry, Title, etc). Account Based Marketing (ABM) and Target Account List (TAL) targeting is available.

BANT leads are collected from users that download our gated organic content on topics relevant to your product(s). Users opting into content assets answer questions that establish budgets, authority to purchase, specify product needs, and set timelines for intent to purchase – all in a permission-based environment.

SC ENTENT ENGAGE

Rich reporting includes information on what areas of the supply chain companies are considering purchases, within, top companies engaged in your content, and pacing details for your campaign.

SUPPLY CHAIN NETWORK

Stand out as a thought leader and attract new prospects through our 2x per year event. Sponsors receive leads that include the registrant's company name, contact name and email, as well as all firmographic data.

Sponsors can upgrade their package to acquire buyer's intention data from registrants as well.

A year-round opportunity to generate leads partnered with the premier executive Supply Chain Network event in the industry...

The Supply Chain Network Summit is a premier virtual event aimed at educating logistic professionals on critical issues impacting the industry. Session sponsorships are **exclusively** available, limited to one sponsor per session. CONTENT SYNDICATION

CONTENT SYNDICATION improves brand engagement by attracting prospects through high value, consumable media. Your brand benefits from positioning as an industry thought leader, and subject matter expert (SME) to your targeted buyers:

- Your **high value content**
- Your **targeted prospects**
- Prospects that give you **permission to engage**

CONTENT SYNDICATION

High quality content that opens the door to permission-based relationships...

CONTENT SYNDICATION – is an extremely effective tool to drive relationship and engagement, while nurturing clients through all of the stages of the buyer's journey around your product. Effective content marketing can...

- Provide direct value to clients and prospects
- Offer content, data, and insights in exchange for access
- Use to attract quick interest with variable media types:
 - Blog Posts
 - Short Video
 - Articles
 - How-to
 - Simple Infographics
- Use to convert prospects with High Value Assets:
 - Case Study
 - Presentation
 - Webinar
 - Newsletter
 - Industry Research
 - Comparison Guide
 - Large Infographic
 - Checklist
 - Whitepaper
 - e-Book

- Spec Guide
- Long Format Video
 - Online Courses
 - Tutorials

WEBINARS

Webinars allow content creators the ability to host live and on-demand online education to targeted audiences that drive response.

Position your brand as a recognized thought leader in a format that inspires new prospects, and nurtures existing possibilities through your sales funnel.

WEBINARS

Educate your ideal prospect with relationship-driven, expert leadership and instruction...

WEBINARS are consistently superlative engagement tools, providing deep-dive, subject matter expert (SME) level relevance to audiences.

Additionally, the product offerings are some of the few content sources available to marketers that reveal a participant's level of engagement. Perfect for lead scoring and nurturing as prospects inform.

Specifically, your brand benefits as you:

- Develop educational content the market desires
- Invite key audiences to engage with your content
- Deliver content in a 1:1 or panelist format
- Nurture audiences with education
- Conduct audience research before/during/after engagement
- Build brand equity with viewers
- Captivate through Live Q&A sessions

Speakers

Sara Metzger
Sr. Director
Solutions Consulting

As Sr. Director of Solutions Consulting, Sara is always working to discover new ways to utilize technology to enhance lives and to solve complex problems across all industries.

Sara received her BS in Biomedical Engineering from Drexel University and spent only a few months crush-testing spinal devices before deciding she might be more comfortable with a career in the SaaS world.

WEBINARS OPTIONS

Choose from two webinar formats to share your expertise virtually...

EXCLUSIVE SPONSORED:

Our exclusive webinars help sponsors accomplish multiple marketing goals and package the content in a “virtual” way. Sponsors benefit from the brand awareness, thought leadership, and lead-gen aspects of our webinar products, which come with a lead guarantee.

- You will be the sole presenter, along with moderator
- Flexibility on timing of when webinar will take place
- Full control over webinar topic
- Premium rate due to exclusivity as a presenter and promotional aspects
- Lead minimum guarantees

OR

PARTNER ROUNDTABLE:

Partner roundtable sponsors gain the same benefits of brand awareness, thought leadership and lead generation, but without the exclusivity aspect. Sponsors participate as a panelist on one of our 4x per year events. Topics are pre-marketed with presentations being created by our team of content experts.

- Limited Space – Only three sponsors per event
- Webinar dates are pre-set as part of a yearly calendar schedule
- Topics are predetermined – sponsors can choose which topics to align their message with
- No guaranteed lead minimum
