Superior Striping Award

What is the overall timeframe?

Nominations open: June 1, 2026

Nominations close: Oct. 12, 2026 at 11:59 p.m. CST

Featured on ForConstructionPros.com/Pavement

This award recognizes pavement marking/stripping projects that exemplify the growing artistry and technique required for interior, exterior, sports surfaces, parking lots, roads, and other pavements. Nominations can include jobs using hardscapes, thermoplastics, paints, epoxies, etc. Nominated jobs should contain examples of innovation, skill, technology, and execution. The striping contractor is not required to have completed any aspect of the job outside of the markings themselves (i.e. paving or sealcoating, etc.).

**References or letters of support from suppliers, colleagues, industry figures, newspaper clippings, and thank you letters from clients can be included with this submission.*

Please describe why the company or individual should receive the Alan Curtis Industry Service Award. (required, no word/character limit):

Must include information about:

- Longevity in industry
- Innovation(s) that has served the industry
- Efforts to improve job quality, productivity, contractor operations, business growth, profitability, education and/or professionalism

The criteria includes:

- How many applications can I submit? Limit one nomination per category. Nominees can be nominated in different categories.
- For Paving: Parking Lot Award, the project being nominated must be completed in the current calendar year on a parking lot of any size.
- For Paving: Non-Parking Lot Award, the project being nominated must be completed in the current calendar year on non-highway pavements such as residential or municipal streets, bike paths, hiking paths, sports courts, or driveways.
- For Seal & Stripe: Small Job Award, the project being nominated must be completed in the current calendar year.
- For Seal & Stripe: Large Job Award, the project being nominated must be completed in the current calendar year on a parking lot, bike path, sports course, golf cart path, or other pavements larger than 200,000 square feet.
- For the Superior Striping Award, the project being nominated can include jobs using hardscapes, thermoplastics, paints, epoxies, etc. The job being nominated should contain examples of innovation, skill, technology, and execution. The striping contractor is not required to have completed any aspect of the job outside of the markings themselves (i.e. paving or sealcoating, etc.).
- For the Best Marketing Video Award, the video being nominated could be to generate leads from potential customers or grow an online following. Videos can be standalone, posted to social media, embedded on your company website, etc. All industry-related videos are eligible, including custom-designed efforts, drone videos, before-and-after videos, animation, and on-the-job videos. AI-generated content or any inclusion of artificial intelligence (AI) is prohibited. Those videos with any form of AI will be disqualified.
- Winners ARE NOT determined based on relationship or advertising position with *Pavement Maintenance & Reconstruction*.
- Nominees can be located nationally and/or internationally.
- All applications must be submitted electronically. Applications emailed to *Pavement Maintenance & Reconstruction* staff or submitted through social media channels will not be considered.
- Names, titles and other information will publish as listed in the nomination form. *Pavement Maintenance & Reconstruction* will not be held responsible for publishing names or other information that was incorrectly submitted in the nomination process. Please proofread your work.
- Information provided in the application will be used in print and online. If there is information in the application that is proprietary/not to be shared, please indicate as such.
- Previous wins will not automatically guarantee a spot in this year's award.
- Be sure to hit "Submit" at the end of the application process. Application must be completed in full to be considered. Incomplete submissions will be not be considered.
- Nominations close Oct. 12, 2026 at 11:59 p.m. CST. *Pavement Maintenance & Reconstruction* will not accept any past due submissions.
- Want more information? [Check out our FAQs page.](#)
- Questions can be directed to Editor-in-Chief Brandon Noel at brnoel@iron.markets.
