

Dear Sirs,

Lonliness is most of the time depressing and a void is created between the individual's desire for a good time and the actual good time. The saviour for my lonliness was Strat-O-Matic Baseball and Football. I can't begin to count the seemingly infinite total of hours I've indulged myself in these two great companions. Whether it be a Gaylord Perry no-hitter or a Gale Sayar's break away jaunt around the end, I always get the same charge out of playing "Strat-O". I will be attending Iowa State University in the fall and along with my studies will be the 1975 version of Strat-O-Matic baseball.

Thank You,

Paul J. Gozzi
