

Dear Sirs,

2/20/80

My husband wants to order the current set of baseball cards. However, I have misplaced the price list for the cards. As we all know, Strat-O-Matic baseball is more important than marriage, so please to save mine, send me a price list and order form so I can order the cards for my husband.

Thanking you in advance  
Dianne E. Sickles  
"Strat-o-matic widow"
