DEAR SIRS, MADAM,

I earn my keep as a lawyer and greatly appreciate leisure time that clears my head.

I have recently renewed my love affair with your baseball game which began during my formative years and is still very much alive today. I have played other board games, most recently Avalon Hill's Statis-Pro baseball but none hold a candle to your product. Your game has not only stood the test of time, it has improved over the years. I take my hat (or should I say my cap) off to you for the work you have done recreating past seasons. I am currently playing 1945 teams vs. those of 1967 in a 36 team tournament. I would be keenly interested in repeating this experience with other teams of yesteryear. I urge you (and I'm certain that I am not alone in this request) to add to your "arsenal" of recreated seasons in the super advanced format. I would be keenly interested in the years 1947, amongst others. As someone who began watching baseball in 1967, the 1960's and beyond are of particular interest to me. While I imagine this might be difficult if not impossible owing to the lack of official records, I would like to see you put a set of cards (in super advanced) of either a Negro League ALL STAR or all time great TEAM, or perhaps a selection of great teams (i.e. PITTSBURGH CRAWFORDS, Kansas City Monarchs etc from any given season.

If possible, I would like to receive a response to this brief letter.

I congratulate you again on your fine product and thank you for the pleasure it brings me.

Yours very truly,
