

Treatment Services For Professionals

Our goal is to help professionals navigate the challenges associated with balancing career, recovery and regulatory requirements.

We provide career-specific treatment services for:

- Executives
- Attorneys
- Bankers
- Physicians
- Nurses
- Dentists
- Hygienists
- Pilots
- Pharmacists
- Flight Attendants
- Athletes
- Safety Sensitive Positions

The Dilworth Center is an approved provider for the following regulatory and advocacy boards:

- Federal Aviation Administration (FAA)
- North Carolina Caring Dental Professionals
- North Carolina Board of Nursing
- Positive Action for Lawyers (PALS)
- North Carolina Physicians Health Program (NCPHP)

We also work closely with Employee Assistance Programs and employers to provide treatment and support services for all professionals.

DILWORTH CENTER

Dilworth Center has been successfully treating professionals for decades.

We are a private, non-profit provider, and we work with most insurance companies.

Our mission is to provide effective and affordable treatment services to chemically dependent individuals and their families.

We provide education, support and guidance to professionals in need of assistance.

Contact us. We can help.
