

WANT **IN**?

Email Liz! [Liz@DisabilityIN.org](mailto:Liz@DisabilityIN.org)

Disability:IN is the leading nonprofit resource for business disability inclusion worldwide. Our network of more than 170 corporations and 50 Affiliates raises a collective voice of positive change for people with disabilities in business.

### Disability Equality Index (DEI)

A benchmarking tool that provides an objective score and roadmap on disability inclusion policies and practices.

### NextGen Leaders Initiatives

STEM students with disabilities are matched with corporate partners to prepare for employment through mentorship, networking and recruiting opportunities.

### Supplier Diversity

We certify and develop programs for businesses owned by individuals with disabilities and service-disabled veterans.

### Disability Inclusion Webinars

Monthly best practice webinars with recordings accessible year-round.

### Inclusion Works

Inclusion Works is a three-year add-on opportunity, with customized, unlimited consulting services. This community of corporations shares best practices and has collectively hired over 25,000 new employees with disabilities.

### Annual Conference

Cutting-edge educational sessions, enhanced networking and recruiting, and high-profile speakers.

## Leadership Committees

**ERG/BRG Leadership Committee:** A peer networking forum for developing or enhancing a disability-focused affinity group that provides business value and professional growth for its members.

**Global Roundtable:** An interactive forum for business leaders to engage with peers across industries on disability inclusion policies, programs and trends in the US and around the world.

**Procurement Council:** A premier collaborative forum for supplier diversity and procurement leaders driving disability inclusion within corporate supply chains.
