**Web Site:** <http://www.geomagic.com>

## Prerequisites

- This plugin requires a Geomagic product listed in the heading. To verify your current version, launch the application and select **Help -> About Geomagic *ProductName***. The text box at the top of the dialog indicates the current software version.

## Installation

1. Verify installation of Geomagic product listed in the heading.
2. Log in to Windows as a user with administrative privileges.
3. Run Setup.exe that is found in the Plugin directory of the Geomagic distribution CD.
4. To install the Minolta Vivid 700 or 910 scanner, follow instructions in the hardware manuals, especially "Connecting the VIVID to a Computer" (available at [www.minoltausa.com](http://www.minoltausa.com)).
