Elections Director Navagh,

Thank you and the New Hanover County Board of Elections staff for your hard work during the 2026 general election.

Following Friday's canvass, I trail in the race for North Carolina House District 20 by 77 votes out of 44,235 cast (0.18% margin), which is within the threshold established by N.C. Gen. Stat. § 163-182.7. As the closest legislative race in the state, I believe a recount is appropriate so that everyone can have full confidence in the final result.

Please accept this email as my formal written request for a recount in the House District 20 contest.

Respectfully,

Dane Scalise

Candidate, NC House District 20
