RE: NOTICE OF LATE VOTER REGISTRATION

We have received your application for voter registration, but your application was received after the voter registration deadline for the 20xx GENERAL Election. The mail voter registration deadline is **25 days** prior to an election. For the 20xx GENERAL Election, that deadline was **xx/xx/20xx** at 5 p.m.

For Existing Voters in the County - Updating Name or Address

If you are an existing voter in this county and only need to update your name or address, you may do so at an early voting site in this county. Alternatively, you may go to your new precinct on Election Day, but only if you moved more than 30 days before the date of the election; otherwise, you should go to your old precinct. During a primary, voters may not change their party affiliation after the mail voter registration deadline.

For New Registration in the County

If you are not currently registered, you may register and vote at an early voting site in this county during the "Early Voting" period. You will need to show proof of your current residential address. See the insert for more information on "Same Day Registration".

For more details on early voting or other election-related information, please visit the website for the North Carolina State Board of Elections at www.ncsbe.gov or call our office at: **(xxx) xxx-xxxx**.
