Subject: Resignation matter

Executive Director Strach:

Board Member Paul Foley has asked me to accept his resignation to avoid distraction from the important work of our Board. I regretfully accept his resignation.

There has been no finding of wrongdoing by Mr. Foley, and the report we requested from the Attorney General found no improper influence by Mr. Foley over the outcome of the Board's efforts in the matter of Chase Burns and IIT, LLC.

I appreciate Mr. Foley's dedicated service to the Board of Elections and the many hours he has committed to the Board and the citizens of North Carolina.

Josh Howard
Chair of the North Carolina Board of Elections
