MEMORANDUM M23-015

**TO:** PDLG Parks & Facilities Committee  
**FROM:** Jenny Bechtold, Executive Director  
Blake Ertmanis, Director of Parks, Planning & Maintenance  
Claudia Galla, Park & Operation Manager  
**RE:** Urban Forestry Management Plan Updates  
**DATE:** April 17, 2023

---

**Background:**

In 2020 the Park District was awarded a grant to complete the Urban Forestry Management Plan. The plan was approved by the Board on May 9, 2022 and requires that the committee meet annually to review the plan.

**Implications:**

The Urban Forestry Management Plan for the Park District of La Grange has been updated to reflect changes in staffing and budget. This plan will help the Park District plan and budget for the comprehensive care of our current infrastructure, improve tree diversification, as well as increase our tree canopy.

You will find a redlined copy of the Urban Forestry Management Plan on our website under the committee agenda.

**Staff Recommendation:**

Staff recommends the Board of Commissioners approve the updates to the Urban Forestry Management Plan.
