

LIL' BADGERS

NOVEMBER NEWSLETTER

FALL VIBES

We will really lean into autumn this month and spend time exploring leaves, acorns, harvest and of course corn! We do live in the Midwest after all. :) We might even have a “corn maze” in our classroom this month!

SHOW AND TELL!

On November 19 we will have a Show and Tell in class! Each student may bring one thing from home that they love. (A favorite stuffed animal, picture of their family, etc.) We will talk about being thankful for the things we love and show them to the class!

SNACK ATTACK! UPDATE!!

We are so lucky that two new friends have joined our class! Please be sure to send enough snacks and drinks for twelve students and two teachers. All snacks need to be individually wrapped and nut free. We do have allergies in the class, so this is very important! Drinks can be juice boxes or small water bottles. Thank you!

IMPORTANT INFO

Nov 19: Show and Tell
Nov 24-28: No school
