

Forest Road BASE January Newsletter

Forest Road BASE!

The Forest Road Before & After School program is excited to begin the new year with fun, winter-themed activities for students. Throughout January, children will participate in a variety of creative crafts, including making a snowman, creating a penguin from felt, making their own kinetic sand, building a pom-pom snowman, designing their own polar friend, and creating a stress ball using foam. These hands-on activities encourage creativity, fine motor skill development, and imaginative play.

Reminder: There are no pro-ration or refunds for BASE. Also, please email Thyllis and Andrew when a different person picks up your child who may or may not be on the list.

If your child will not be attending BASE and is scheduled to, please be sure to email their teacher, the school office, the site lead and BASE & Camp Supervisor informing them of your child's absence.
