## MARCH NEWSLETTER

### WHAT'S THE COMM-OCEAN?

We'll be spending time in the ocean this month! Lots of fun projects and activities will be happening! We will also dive into seasons and weather towards the end of the month - and celebrate with a Spring Party!

### SPRING PARTY!

Please plan to join us for our Spring Party on March 27 at 11:15 am! We will celebrate spring with a story and songs, and some time to hang out in the classroom. We will be learning about rainbows the last week of March, so to help us celebrate, plan to wear bright colors on Friday the 27th!

### PLAYDOUGH

We have playdough available almost everyday in our classroom. Students strengthen their hand muscles by squishing and squeezing the dough. This is great preparation for holding pencils and scissors later! We also work on sharing and problem solving skills at the playdough table by taking turns with tools and making creations together. It's one of everyone's favorite things to do in class!
