Party parents who have signed up to run their class party should call or email each other for planning. Please let the teachers know in advance, if you need any supplies or plan on using the multipurpose room. Please don't feel that you must spend money for the children to have a good time. Parents who would like to attend the class parties but are not on the planning committee are also welcome.

Thank you again for your time and efforts in making each party extra special. If you have any questions, please reach out to your teacher.

Happy Holidays!
