## OGDEN BASE

We are so lucky to have you and your families in our program! We are extremely happy and proud that we are able to provide a safe and fun place for your children to be able to learn and play with their friends before and after school.

The kids all had a wonderful time making multiple valentines crafts over the month of February. They painted Valentine's trees, did a lot of watercolor painting, Pipe cleaner valentine characters, and so much more!

We have a lot of fun crafts coming up for the month of March including a Leprechaun Trap group challenge, Rainbow watercolor shamrock suncatchers

**Reminder:** There are no pro-ration or refunds for BASE. If the weather is nice, the kids will go outside to enjoy fresh air and participate in outdoor play activities as part of their day.
