RE: Amended Building, Grounds & Amenities Use Policy & Regulations, Section 3.8

The existing Section 3.8 reads:

“Advertisements – No person shall distribute, place, post, stencil, otherwise affix any notice, advertisement or other papers without first obtaining a permit from the CPD.”

A need to expand this policy was previously discussed by the Board in order to provide a guideline for implementation. The concern at that time was that we may not be prepared for what someone who purchases an engraved Veterans Memorial brick. Unfortunately, I have not been able to find a policy that says more than we already have. The following draft is offered to start Board discussion.

Posters, Plaques and Other Notices - No person shall distribute, place, post, stencil, engrave or otherwise affix any notice, advertisement or other ~~papers~~ media without first obtaining a permit from the CPD. Postings that contain political or controversial language by authorized. With exception to those who sponsor Community Park District or Community Park affiliates, advertisement of for-profit entities not be permitted.
