April 1st
No School

April 6th
4th Payment due

Classroom News

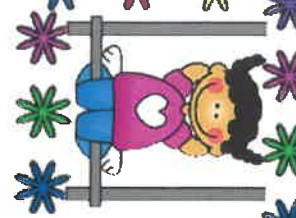

This month we will be learning all about the farm. We will discuss which animals, food and equipment you find at the farm. Building on this theme we will practice sorting, counting and patterning farm animals. In the sensory bin we'll build our own farm and pretend to care for and feed the animals.

The weather is warming up! We will be outside everyday provided it isn't raining. Please send your child in appropriate footwear and with hats and gloves when appropriate.

At home you can continue working on shape and color identification, folding and cutting paper, and identifying letters (try starting with the letters in their name).

Monthly Theme

At the Farm
