January 2019

Dear Leaping Lizard Families,

This month we will be exploring farms. We plan to look at all the things a farmer does – plant and pick the crops, take care of animals and use the products from the farm. We'll also see how farms affect our lives every day.

Some highlights will be:

- Exploring different types of grains and learning how they're used
- Making our own butter and tasting it at snack time
- Milking a cow (using a rubber glove)

Special dates:

Monday, January 21 – Martin Luther King Day
– NO SCHOOL

Stay warm,

Ms. Terri & Ms. Irene
