Class Descriptions

Boot Camp: Achieve your fitness goals with this military inspired workout! Body weight exercises, calisthenics and a variety of training drills develop strength, stamina and agility. Each class is unique to keep you challenged. All fitness levels welcome, modifications are provided for all to enjoy this class!

Cardio Sculpt: Join this high energy class where you will use weights to tone and define every muscle group, interspersed with cardio bursts to fire up your metabolism for the ultimate burn. This class is suitable for all levels as high impact moves can be modified as well as weight selection. Finish with some core to give yourself a total body hit for the day!

Down to the Core: In this class we will be focusing on targeting the four major muscle groups that make up your "core". Functionally, you use your core for everything! Targeting the hamstrings, back, hip flexors, and abdominals will help prevent back injury and make day-to-day activities much easier. Level suggestion: beginner, intermediate or advanced welcome

Full Body Strength: Work your muscles in every possible way in this total- body muscle strength and endurance class! This all-levels strength workout will challenge and condition all your major muscles using a variety of equipment, including free weights, exercise bands and much more! Suitable for all fitness levels and no experience is necessary.

Indoor Cycle: Indoor Cycle is a fun, exhilarating cardio workout designed to improve overall fitness with a focus on endurance, strength, interval and all-terrain training. Enjoy the many benefits of indoor cycling while having a blast in a lively atmosphere set to great, motivating music. This class is suitable for all fitness levels and no experience is necessary.

Muscles & Motion: This class consists of a combination of cardio and strength work that caters to the active older adult. The benefits of this class not only include cardio health and muscle strength, but also focus on improving balance, core, posture and flexibility. Open to all levels.

Pilates Class flows through a series of basic to more advanced Pilates exercises to create long, lean muscle tone, correct alignment, improve posture, and to cultivate the perfect balance between strength and flexibility. Build strength from the inside out with Pilates! All levels welcome.

Sculpt & Abs: This class consists of body weight exercises that will target overall strength, cardio, balance, endurance, flexibly and core conditioning. This class will raise your heart rate for the first portion while toning and strengthening your muscles. This class will help you to shed body fat while building strength and endurance. All levels welcome.

Yoga: Move mindfully while building flexibility, strength and balance. Discover for yourself the many benefits of combining breath work with classic yoga poses in a calming environment. All levels welcome.

Zumba™: Join the Zumba party and dance to a variety of Latin and world rhythms. This cardio workout will get your heart pumping and body moving in no time! You'll have so much fun; you won't even realize its exercise! Find out what the Zumba craze is all about! All fitness levels are welcome and no prior dance experience is necessary.
