

March

LEAPING LIZARDS

We are working our way through the alphabet. We will continue with our letters and numbers this month. We will also make an exploding volcano and have a Teddy Bear picnic. We will also start charting and graphing our weather each day so we can track our sunny, cloudy, rainy, and hopefully no more snowy days.

No school the last week of the month. We will be off for spring break. Enjoy the week!

On March 12th we will be having a Teddy Bear picnic. Your child can bring their favorite teddy bear from home to join us in class for the day.

I'm going to think spring and hope we get to start going to the park again. Please make sure your child has appropriate clothes to play at the park.

If you are interested in continuing with the Learning Ladders program, I would encourage you to sign up soon. Classes are filling up quickly.
