I am really excited to be starting my second year with the Learning Ladders team! I look forward to this new school year. When I am not at school I enjoy spending time with my family, creating art, biking and baking. I look forward to meeting you and your children and having a fabulous year!

I am looking forward to another great year with the Park District of La Grange! Previously, I was a lead teacher for twenty five years with the park district, this year I will be working as an aide and mentor to the new lead teachers. I look forward to getting to know your little ones!

**Ms. Jess**

**Brown Bears, Lead Teacher**

My name is Jessica Korzyniewski. While this is my first year teaching preschool here at Learning Ladders, I previously taught special education for 7 years in Darien. I have my BA in English and my Masters in Special Education. I have two boys, Seth (6) and Nathan (4). I became a stay at home mom after I had Nathan. During my time as a stay at home mom, I provided daycare for kids in my home and quickly realized how much I enjoyed planning activities and outings for the 1-4 year old age group! I'm excited to get back into the classroom and I'm looking forward to a fun filled school year.
